Are you looking for love and romance? The Wiccan religion stands today as a diverse religion with many sects and communities that share many values and have a healthy dialogue on changing issues, just as culture does throughout the world. The varying communities may have different opinions politically or about certain ceremonies, but overall, the structure and goals are shared throughout the religion. Humans have been seeking knowledge through the communion with spirits for millennia; the Wiccan religion aims to achieve this as well, utilizing modern practicality with ancient wisdom. Working with herbs, elemental magic, full moon ceremonies, and many sublunary practices are at the core of modern witchcraft. We see this power manifesting in the breaking of taboos, the uprising of communal politics, and feminist revolution. The witch does not like being controlled or told she cannot do what her free will desires. Witches have always been persecuted throughout history, regardless of their contributions to society and its evolution. Remember your Path is as unique as your connection to the Divine. If something doesn't feel right to you, don't do it! Wicca is about your connection to the Source, not the Witch next to you, not the High Priestess - you! Don't be afraid to experiment. Change spells and rituals if they don't work for you, switch ingredients if they don't speak to you. Your journey is your own, and how you choose to worship the Divine is completely up to you. Don't be surprised if you learn things that don't coincide with what you have previously heard and read.. A lot of people believe that Wicca is only for empowered women, but it isn't. Wicca welcomes everybody from all walks of life.

There are no prerequisites to being Wiccan. A young witch's sweet tooth leads to Halloween mischief in this companion to the New York Times bestselling A Very Brave Witch, which School Library Journal called “a humorous, not-scary-at-all read-aloud.” It’s Halloween night, and one very brave witch has decided to teach her little sister all about humans and what they enjoy, including some yucky stuff called “candy.” But when it seems the little Witchling thinks candy is yum, her big sister flies off to set her straight—and then she gets stuck in a tree! Good thing the little Witchling isn’t afraid to be brave! This delightful Halloween tale perfectly pairs with A Very Brave Witch.

This book offers a poetic and artistic journey into the world of Polish folklore and culture through original versions of tales and ceramic sculpture. After the fall of Communism in Poland, the author and her husband had an amazing first meeting with his Polish first cousins who introduced them to the rich world of Polish and familial history, so intertwined as to become a microcosm. Ms. Rzezotarski brings an outsider's awareness and an artist's intuition. She states: "It is my hope that through my encounter with Poland and my artistic interpretations, I can share these tales of family, of national identity, and of the deeper world of myth, legend, and fairytale."

Tiga and friends are famous throughout Sinkville for their part in the Witch Wars competition, but there's so much more of Sinkville to discover! Now, Ritzy City's Top Witch Peggy Pigwiggle has asked Tiga and Fran to make a TV documentary about the most interesting witches in town – with Fluffanora helping out as fashion adviser. But whilst Tiga enjoys making the documentary, she can't help but feel there's something going on behind her back ... This hilarious companion story sits alongside the main Witch Wars series as a standalone title, and is full of character profiles, facts and activities to fascinate fans and give them everything they need to create their very own Witch Wars party.

Chilling Adventures of Sabrina meets The L Word in this fresh, sizzling New York Times bestselling rom-com by Lana Harper. Emmy Harlow is a witch but not a very powerful one—in part because she hasn't been home to the magical town of Thistle Grove in years. Her self-imposed exile has a lot to do with a complicated family history and a desire to forge her own way in the world, and only the very tiniest bit to do with Gareth Blackmoore, heir to the most powerful magical family in town and casual breaker of hearts and destroyer of dreams. But when a spellcasting tournament that her family serves as arbiters for approaches, it turns out the pull of tradition (or the truly impressive parental guilt trip that comes with it) is strong enough to bring Emmy back. She's determined to do her familial duty; spend some quality time with her best friend, Linden Thorn; and get back to her real life in Chicago. On her first night home, Emmy runs into Talia Avramov—an all-around badass adept in the darker magical arts—who is fresh off a bad breakup . . . with Gareth Blackmoore. Talia had let herself be charmed, only to discover that Gareth was also seeing Linden—unbeknownst to either of them. And now she and Linden want revenge. Only one question stands: Is Emmy in? But most concerning of all: Why can't she stop thinking about the terrifyingly competent, devastatingly gorgeous, wickedly charming Talia Avramov?
