

Trusting Sydney (Temptation Saga Book 6)

Now a major, prime-time six-part series Grantchester for ITV Sidney Chambers, the Vicar of Grantchester, is a thirty-two year old bachelor. Sidney is an unconventional clergyman and can go where the police cannot. Together with his roguish friend Inspector Geordie Keating, Sidney inquires into the suspect suicide of a Cambridge solicitor, a scandalous jewellery theft at a New Year's Eve dinner party, the unexplained death of a well-known jazz promoter and a shocking art forgery, the disclosure of which puts a close friend in danger. Sidney discovers that being a detective, like being a clergyman, means that you are never off duty... Sidney Chambers will be played by James Norton (Death Comes to Pemberley), and Robson Green (Reckless) will take on the role of Geordie Keating. Other cast members include Morven Christie (Twenty Twelve) as the beautiful heiress Amanda Kendall, while Tessa Peake-Jones (Only Fools and Horses) will play Sidney's housekeeper, and Kacey Ainsworth (Eastenders) is to join them as Geordie's wife.

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between thruths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

HGTV's Property Brothers meets The Marriage Bargain in this third volume in the Billionaire Builders series, an all-new, heart-wrenching, and sexy contemporary romance from New York Times bestselling author Jennifer Probst. Tristan Pierce left the family business to carve out a life of his own, but never forgot his passionate affair with the much younger, inexperienced Sydney Greene, or the hurtful breakup that tore him apart. When he’s forced to return home and face his past, will he be able to carve out a future, or will lies ruin his second chance at love? Sydney Greene loved Tristan her entire life but when he left, he took not only her heart, but her trust along with him. Now that they’re together again, it’s time they both face the biggest secret of all...

Editorial Reviews "This series is a MUST READ. " -United Indie Book Blog Synopsis Catie Bay has worshiped much older Chad McCray since she was a child. When she fumbles a seduction attempt after her graduation from high school, she flees to Europe, hoping she can forget her unrequited love. Four years later, Catie returns, now a beautiful, worldly woman, and Chad, the quintessential bachelor, takes notice. He’s still not looking for love, but he wouldn’t turn down a romp in the sack with sexy Catie. She’s no longer the lovesick girl next door, though, and sometimes a man doesn’t know what he wants until it’s too late.

Behavioral finance presented in this book is the second-generation of behavioral finance. The first generation, starting in the early 1980s, largely accepted standard finance’s notion of people’s wants as “rational” wants—restricted to the utilitarian benefits of high returns and low risk. That first generation commonly described people as “irrational”—succumbing to cognitive and emotional errors and misled on their way to their rational wants. The second generation describes people as normal. It begins by acknowledging the full range of people’s normal wants and their benefits—utilitarian, expressive, and emotional—distinguishes normal wants from errors, and offers guidance on using shortcuts and avoiding errors on the way to satisfying normal wants. People’s normal wants include financial security, nurturing children and families, gaining high social status, and staying true to values. People’s normal wants, even more than their cognitive and emotional shortcuts and errors, underlie answers to important questions of finance, including saving and spending, portfolio construction, asset pricing, and market efficiency.

Portals, bondmates, and a dragon world. I thought that my biggest problem was the unfinished bond between me and my irresistible older dragon mate, Ashe... but instead, we have an even bigger problem. We've done the impossible and crossed through a portal into the world of dragons – the same place where my mother's been trapped for the past fifteen years. With this lavender sky, orange sun, and a freaking planet hanging above us, it's clear that we're no longer on Earth. Our biggest problem is finding our way back... right? WRONG. There are deadly animals and wild dragons on this alien world, not to mention the Abraxas.... What readers are saying about this series... "The chemistry, the romance, the anger, the betrayal just wow!... in my top 5 reads!!" "Wonderfully written... impossible to put down." "Wow! Governance is a word that is increasingly heard and read in modern times, be it corporate governance, global governance, or investment governance. Investment governance, the central concern of this modest volume, refers to the effective employment of resources—people, policies, processes, and systems—by an individual or governing body (the fiduciary or agent) seeking to fulfil their fiduciary duty to a principal (or beneficiary) in addressing an underlying investment challenge. Effective investment governance is an enabler of good stewardship, and for this reason it should, in our view, be of interest to all fiduciaries, no matter the size of the pool of assets or the nature of the beneficiaries. To emphasize the importance of effective investment governance and to demonstrate its flexibility across organization type, we consider our investment governance process within three contexts: defined contribution (DC) plans, defined benefit (DB) plans, and endowments and foundations (E&Fs). Since the financial crisis of 2007–2008, the financial sector’s place in the economy and its methods and ethics have (rightly, in many cases) been under scrutiny. Coupled with this theme, the task of investment governance is of increasing importance due to the sheer weight of money, the retirement savings gap, demographic trends, regulation and activism, and rising standards of behavior based on higher expectations from those fiduciaries serve. These trends are at the same time related and self-reinforcing. Having explored the why of investment governance, we dedicate the remainder of the book to the question of how to bring it to bear as an essential component of good fiduciary practice. At this point, the reader might expect investment professionals to launch into a discussion about an investment process focused on the best way to capture returns. We resist this temptation. Instead, we contend that achieving outcomes on behalf of beneficiaries is as much about managing risks as it is about capturing returns—and we mean “risks” broadly construed, not just fluctuations in asset values.

The war may be officially over, but journalist Billie Walker’s search for a missing young German immigrant plunges her right back into the danger and drama she thought she’d left behind in Europe. A thrilling tale of courage and secrets set in glamorous post-war Sydney. Sydney, Australia, 1946. Though war correspondent Billie Walker is happy to finally be home, the heady post-war days are tarnished by the death of her father and the disappearance in Europe of her husband, Jack. To make matters worse, now that the war is over, the newspapers are sidelining her reporting talents to prioritize jobs for returning soldiers. But Billie is a survivor and she’s determined to take control of her own future. She reopens her late father’s business, a private investigation agency, and slowly, the women of Sydney come knocking. At first, Billie’s bread and butter is tailing cheating husbands. Then a young man, the son of European immigrants, goes missing, and Billie finds herself on a dangerous new trail that will lead to the highest levels of Sydney society as well as the city’s underworld. What is the young man’s connection to an exclusive dance club and a high-class auction house? When the people she questions start to turn up dead, Billie is thrown into the path of Detective Inspector Hank Cooper. Will he take her seriously or just get in her way? As the danger mounts and Billie realizes how much is at stake, it becomes clear that although the war was won, it is far from over.

Tytti Vertainen has a new job as Editor at the Tapiolinnä Times, but before she can unpack her pot plant, an islander comes to her in distress. A mysterious spiritual healer has arrived on the island and started to visit cancer patients. Rumour has it, she has been called there by a saint in a vision to heal the sick, but the patients have started to die and possibly not of natural causes. When the spiritual healer refuses to talk, Tytti’s lie detector begins to yo-yo. Who is this stranger and what does she really want? This is no normal case and Tytti will be forced to be as cunning as her adversary in order to find out what the hell is going on. Sleepy Island Lies is a novel set on the idyllic island of Tapiolinnä in the Finnish archipelago; a place where crime is not unheard of, but at least well hidden. A malign presence is threatening the sick and vulnerable. Will Tytti be the one to remedy it?

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." –The New York Times "Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank." –USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

The presence of speculative bubbles in capital markets (an important area of interest in financial history) is widely accepted across many circles. Talk of them is pervasive in the media and especially in the popular financial press. Bubbles are thought to be found primarily in the stock market, which is our main interest, although bubbles are said to occur in other markets. Bubbles go hand in hand with the notion that markets can be irrational. The academic community has a great interest in bubbles, and it has produced scholarly literature that is voluminous. For some economists, doing bubble research is like joining the vanguard of a Kuhnian paradigm shift in economic thinking. Not so fast. If bubbles did exist, they would pose a serious challenge to neoclassical finance. Bubbles would contradict the ideas that markets are rational or work in an informationally efficient manner. That's what makes the topic of bubbles interesting. This book reviews and evaluates the academic literature as well as some popular investment books on the possible existence of speculative bubbles in the stock market. The main question is whether there is convincing empirical evidence that bubbles exist. A second question is whether the theoretical concepts that have been advanced for bubbles make them plausible. The reader will discover that I am skeptical that bubbles actually exist. But I do not think I or anyone else will ever be able to conclusively prove that there has never been a bubble. From studying the literature and from reading history, I find that many famous purported bubbles reflect inaccurate history or mistakes in analysis or simply cannot be shown to have existed. In other instances, bubbles might have existed. But in each of those cases, there are credible rational explanations. And good evidence exists for the idea that even if bubbles do exist, they are not of great importance to understanding the stock market.

The Cowboy and the Cougar A hot time with a gorgeous young cowboy is just what the doctor ordered for forty-year-old Holly Taylor. But after a night of amazing passion, she leaves discreetly. Life has other plans for her at the moment. After the best sex of his life, single father Jack Sherwood isn’t ready to give up his mystery woman. When he runs into her several months later, he’s relentless in his pursuit, and he doesn’t care a whit about their eleven-year age difference. Holly’s life has taken a new course since her first meeting with Jack, and she’s convinced she’s not what he and his adorable son need. Can her new friends at The Cougar Club persuade her to stop running? Or will she lose the best thing to ever happen to her? Calendar Boy Forty-five- year-old erotic romance author Stacy Oppenheimer has always been an introvert, and her recent divorce has left her scared of her own shadow. But when her favorite cover model, Michael Moretti, corners her at a writers’ conference, she swallows her inhibitions for a moment and teases him a little. Michael Moretti, age thirty-six, knows his career as a cover model and exotic dancer is rapidly coming to an end due to his age. He has his own reasons for attending this conference—find an attractive older woman whom he can woo into keeping him in the lifestyle to which he’s become accustomed. Lovely Stacy fits his requirements nicely. With Michael’s help, Stacy begins to overcome her shyness and engages in some exciting activities both outside and inside the bedroom. But she’s nobody’s sugar mama, and she makes that clear to him when she finds out his ulterior motive. Too bad for Michael, who finds out he just might be in a little deeper than he thought.

BONUS: This edition contains an excerpt from Sydney Croff’s Taken by Fire. EXTREME HEAT. EXTREME HUNGER. A JUNGLE EDEN ABLAZE WITH TEMPTATION. Deep in the Brazilian rain forest, a team of Navy SEALs has been nearly wiped out by something sinister and superhuman, sending shock waves through the Agency for Covert Rare Operatives (ACRO). Now ACRO agents Sela Kahne and Marlena West head to the world’s most unforgiving jungle to find and kill a mythical monstrosity with a taste for human blood. But to succeed in their mission, they will need the help of two men, each hiding his own dark secret. Sela is an expert on cryptozoology with a sideline skill that could prove invaluable: When she makes love to a man, she engulfs his innermost thoughts. Teamed with Marlena, Sela makes contact with the lone SEAL survivor, Chance McCormack. Meanwhile, Logan Mills, the man who rescued Chance, leads his private company on a hunt that has nothing to do with saving lives. Soon, Sela will put her supernatural charms to work on Logan, determined to extract information about the creature they are seeking. But in this sweat-drenched realm of danger and deception, Logan is more than just a passive target. He has the power to lead a highly trained seducer into a jungle without any rules, without any limits—and with no end to the heat.

How to Read a Book

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land.

Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.

Suzy Denton thought she had it all: a great job as an event planner for Danvers International and a committed relationship to her high school sweetheart.... But now her life has gone to hell in a handbasket. Not only did she discover her fiancé cheating, but a recent corporate merger is making her job very difficult—mostly due to Grayson Merimon, wealthy CEO. Gray is a man who goes after what he wants. And, after their first meeting, he wants Suzy. Even though he looks like every fantasy she’s ever had, Suzy is wary of the powerful businessman. She likes her newfound independence, even if her best friend thinks it’s an excuse not to risk her heart again. Besides, she doesn’t think Gray could ever be interested in a relationship with someone like her. When he calls her bluff, Suzy agrees to one night together. But when circumstances continue to throw them together—and with Gray determined to show her that two opposites can be a perfect fit—Suzy realizes that she might just have found the one man who can give her what she’s always needed...

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney’s films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Quick-witted hustler Ghost is no stranger to living dangerously; survival has always been the name of the game. He’s just always gone it alone. Now he’s got the wrong people breathing down his neck, and the only way out demands placing his trust in the unlikeliest of heroes: Duncan Rook, a gruff cop whose ethics are as solid as his body. Cozying up to a criminal is hardly what Duncan’s reputation on the force needs—especially when that criminal is temptation personified. Ghost is Duncan’s polar opposite, and the last person he expected to fall for. So then why does every imaginable scenario for taking down their common enemy end with Ghost in his arms? She's a romantic at heart, living in the most unromantic of worlds . . . Nicknamed Sweet Abelli for her docile nature, Elena smiles on cue and has a charming response for everything. She's the favored daughter, the perfect mafia principessa . . . or was. Now, all she can see in the mirror's reflection is blood staining her hands like crimson paint. They say first impressions are everything . . . In the murky waters of New York's underworld, Elena's sister is arranged to marry Nicolas Russo. A Made Man, a boss, a cheat-even measured against mafia standards. His reputation stretches far and wide and is darker than his black suits and ties. After his and Elena's first encounter ends with an accidental glare on her part, she realizes he's just as rude as he is handsome. She doesn't like the man or anything he stands for, though that doesn't stop her heart from pattering like rain against glass when he's near, nor the shiver that ghosts down her spine at the sound of his voice. And he's always near. Telling her what to do. Making her feel hotter than any future brother-in-law should. Elena may be the Sweet Abelli on the outside, but she's beginning to learn she has a taste for the darkness, for rough hands, cigarettes, and whiskey-colored eyes. Having already escaped one scandal, however, she can hardly afford to be swept up in another. Besides, even if he were hers, everyone knows you don't fall in love with a Made Man . . . right? This is a standalone forbidden romance.

Jade Roberts's love for Talon Steel is the real deal, and she's more determined than ever to help him come to grips with whatever is haunting him. Holly lost her parents as a little girl; since then, her grandfather, who runs a winery, has been her sole guardian and making wine has become her life. Her efforts have paid off and her wines are receiving good reviews. When the high-end Chatsfield hotel chain offers a generous amount of money to make a deal with her, her grandfather is very happy about it, but she has a bad feeling. And her gut feeling turns out to be spot-on. Franco Chatsfield appears from nowhere, demanding she enter into a contract. She doesn't want to be associated with a family so steeped in gossip. She declines the offer, and yet his charm is starting to win her over!

From the New York Times-bestselling author of the Pucked series comes a romantic comedy about instant attraction, second chances, and not-so-little white lies.
