Vincent van Gogh is considered one of the world's greatest painters, his work having had a huge and far-reaching influence on 20th-century art as well as remaining visually and emotionally powerful to this day. In a letter to his sister Wilhemina, van Gogh wrote: 'Often it seems to me night is even more richly coloured than day.' In this night painting, the sky is Prussian blue, ultramarine and cobalt, with sparkling yellow gaslights and stars. The spot depicted is in Arles, close to the Yellow House he famously rented. THE FINAL WORD. As William Morris said, Have nothing in your houses that you do not know to be useful, or believe to be beautiful.

Explores the major themes of van Gogh's paintings and his life, as well as his ties to the Impressionist movements and Art Nouveau, devoting special attention to his painting "Starry Night."

Here are six of his finest paintings, including a famous self-portrait and a memorable still life of irises. All have been finely reproduced in full color, ready to share with friends on any occasion. Original Dover (1991) publication.

These are perfect for personal use and make a dazzling gift. This example features Koloman Moser's Art Nouveau Fashion. The Wiener Werkstätte was a group of artists, craftsmen and designers, founded by Koloman Moser and Josef Hoffman in Austria in the early 1900s. This fashion image depicts a woman wearing fabric with Moser's Bergfalter (Mountain Butterfly) design.

William Goldman's modern fantasy classic is a simple, exceptional story about quests—for riches, revenge, power, and, of course, true love—that's thrilling and timeless. Anyone who lived through the 1980s may find it impossible—inconceivable, even—to equate *The Princess Bride* with anything other than the sweet, celluloid romance of Westley and Buttercup, but the film is only a fraction of the ingenious storytelling you'll find in these pages. Rich in character and satire, the novel is set in 1941 and framed cleverly as an “abridged” retelling of a centuries-old tale set in the fabled country of Florin that's home to “Beasts of all natures and descriptions. Pain. Death. Brave men. Coward men. Strongest men. Chases. Escapes. Lies. Truths. Passions.”

A Christmas Carol is a novella by Charles Dickens about Ebenezer Scrooge, an old man, who is well-known for his miserly ways. On Christmas Eve, Scrooge is visited by a series of ghosts, starting with his old business partner, Jacob Marley. The three spirits which follow, the Ghosts of Christmas Past, Christmas Present and Christmas Yet to Come, show Scrooge how his mean behaviour has affected those around him. At the end of the story he is relieved to discover that there is still time for him to change and we see him transformed into a generous and kind-hearted human being.

The Diary of a Young Girl, also known as The Diary of Anne Frank, is a book of the writings from the Dutch language diary kept by Anne Frank while In 1942, with zis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fasciting commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

Saucy, rude and vulgar—the 31 Carry On films remain an important part of the history of British cinematic and low brow comedy. In this book, Gerrard discusses the Carry On roots in the music halls of the Victorians and the saucy seaside postcards of Donald McGill. Made in post-war Britain, these films reflect a remarkable period of social change as the British Empire faded and a nation learned to laugh at itself. Nothing was sacred to the Carry On team. James Bond and Cleopatra were mercilessly lampooned, Miss World competitions and toilet factories came in for a cinematic pasting, while Sid James's laugh, Barbara Windsor's wiggle, Kenneth Williams's flared nostrils and Charles Hawtrey's "Oh, hello!" became synonymous with laughter, merriment and fun. Gerrard's work examines the Carry On films as part of a wider canvas linking both their heritage and tradition to the contextual world they mirrored. The Carry On Films is an essential read for Carry On fans the country through.
