There is a great deal of information on the native peoples of the United States, which exists largely in national publications. Since much of Native American history occurred before statehood, there is a need for information on Native Americans of the region to fully understand the history and culture of the native peoples that occupied Illinois and the surrounding areas. The first section contains an overview of early history of the state and region. The second section contains an A to Z dictionary of tribal articles and biographies of noteworthy Native Americans that have contributed to the history of Illinois. The third section contains several selections from the classic book, A Century of Dishonor, which details the history of broken promises made to the tribes throughout the country during the early history of America. The fourth section offers the publishers opinion on the government dealings with the Native Americans, in addition to a summation of government tactics that were used to achieve the suppression of the Native Americans.

Per generazioni, quattro Clan di gatti selvatici hanno condiviso la foresta rispettando il codice guerriero dei loro antenati e cacciando ognuno nel proprio territorio. Tuttavia, il feroce Clan della Tenebra minaccia di estendere il proprio dominio, costringendo il Clan del Tuono ad affrontare una battaglia per la sopravvivenza senza esclusione di colpi. Nel frattempo Ruggine, un micio d'appartamento, ha deciso di abbandonare le comodità della vita coi Bipedi, diventando così una recluta del Clan del Tuono col nome di ZampadiFuoco. E proprio un'antica profezia aveva annunciato che «solo il fuoco può salvare il Clan»...

The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, Bury My Heart at Wounded Knee generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, Bury My Heart at Wounded Knee inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

The 1st ed. includes an index to v. 28-36 of St. Nicholas.

According to the Bible, ancient Israel's neighbors worshipped a wide variety of gods. In recent years, scholars have sought a better understanding of this early polytheistic milieu and its relation to the God of Israel. Drawing on ancient Ugaritic texts and looking closely at Ugaritic deities, Mark Smith examines the meaning of "divinity" in the ancient near East and considers how this concept applies to Yahweh.

From Chris Claremont, the writer of The Uncanny X-Men, Excalibur and Fantastic Four, and John Bolton, artist of Man-Bat, Shame: Conception, and Books of Magic, comes a fantasy classic, fully remastered, fully restored, and collected together for the first time ever! Complete with previously-unseen art and features, this sumptuous volume gathers three tales of the beautiful, star-haired swordswoman, Marada the She-Wolf. Ablaze in blood-soaked battle and insidious sorcery, unearthly desires, terror, and evil, this is the ultimate vision of the ultimate fighting fantasy female! Descended from Caesar, and preceded by her legendary reputation, Marada the She-Wolf, follow Marada's adventures across the Roman Empire. Together with her magical accomplice Princess Arianrhod, they battle evil demons, wizards, witches, and unearthly terror!

"You will let us pass!" Bluestar hissed. Fireheart froze as he saw his reader flexing her claws and raising her hackles, ready to attack

This book is a celebration of The Henry Moore Foundation's collection--the most important and comprehensive single group of Moore's drawings, graphics, and sculpture. More than 300 of Moore's acclaimed works are reproduced in full color, and extensive captions are provided by distinguished sculptors, art critics, and art historians, many of whom knew and worked with Moore. Their fresh insights and personal anecdotes provide a detailed and compelling analysis of Moore's artistry. David Mitchinson's introductory essay traces the formation of The Henry Moore Foundation's collection, a fascinating story that has never been told before. He explains Moore's somewhat haphazard way of working, the confused ownership between the Foundation and its trading company, the strengths and weaknesses of the Collection itself, and the evolution of the Foundation's property at Perry Green in Hertfordshire. With a foreword by Sir Alan Bowness, Celebrating Moore will be a welcome addition to the study and appreciation of Henry Moore for years to come. From the Foreword: "Henry Moore talked well and liked talking about sculpture, but he rarely gave any verbal explanation of his own works. That was for others to do: He was the man who had made the piece and put it out in the world. This is the form that the catalogue takes--twenty-five sculptors, art historians, critics, curators, and film makers write about sculptures and drawings that particularly interest them."

When the Twolegs destroy the warrior Clans' forest home, Graystripe—second in command of ThunderClan—is captured trying to help his comrades escape! Trapped in the pampered life of a kittypet, Graystripe has all the food and shelter he needs from his affectionate Twoleg family, but this is not the way he wants to live. The forest is calling him, and he never stops longing to go home. When he makes friends with a feisty kittypet named Millie, she encourages him to go in search of his lost friends. But will Graystripe ever find his way back to the Clan?

Into the Wild

A cumulation of the annual indexes of the Horn Book magazine from 1924 through 1989.

The #1 bestselling Warriors series continues with the thrilling conclusion to the epic Broken Code story arc. When fear reigns supreme, only hope can save the Clans. The impostor's reign of terror has brought the Clans to the brink of destruction, and now, every warrior—living and dead—must unite to defeat him before he delivers his final blow. To ensure their future and protect their past, StarClan, the Dignitaries, and the five Clans must band together to turn back the tide of darkness—before the impostor's fury destroys them all. Packed with action and intrigue, this sixth Warriors series unfolds after the events of *Shadows*.

An epic stand-alone adventure in Erin Hunter's #1 nationally bestselling Warriors series! Set just after the events of *Warriors #6: The Darkest Hour*, this Super Edition follows the ThunderClan leader on a quest to uncover a long-forgotten truth. It is a time of peace between the warrior Clans, and all four are thriving. Then Firestar, leader of ThunderClan, discovers a terrible secret: the warrior ancestors have lied to him. Firestar must embark on a perilous journey to right their wrong—and nothing will ever be the same again. Join the legion of fans who have discovered the epic adventures, fierce battles, and thrilling fantasy world of the mega-bestselling Warriors series. This stand-alone entry is perfect for new readers and dedicated fans alike.

Join the legion of fans who have made Erin Hunter's Warriors series a #1 national bestseller—with new editions featuring a striking new look! Epic adventures. Fierce warrior cats. A thrilling fantasy world. It all begins here with Warriors #1: Into the Wild. For generations, four Clans of wild cats have shared the forest according to the laws laid down by their ancestors. But the warrior code is threatened, and the ThunderClan cats are in grave danger. The sinister ShadowClan grows stronger every day. Noble warriors are dying—and some deaths are more mysterious than others. In the midst of this turmoil appears an ordinary housecat named Rusty...who may turn out to be the bravest warrior of them all. Supports the Common Core State Standards

The Ugaritic Baal Cycle, Volume II provides a new edition, translation and commentary on the third and fourth tablets of the Baal Cycle, the most important religious text found at Ugarit. Along the Ohio, Tennessee, and Mississippi Rivers, the archaeological remains of earthen pyramids, plazas, large communities, and works of art and artifacts testify to Native American civilizations that thrived there between 3000 B.C. and A.D. 1500. This fascinating book presents exciting new information on the art and cultures of these ancient peoples and features hundreds of gorgeous photographs of important artworks, artifacts, and ritual objects excavated from Amerindian archaeological sites. Drawing on excavation findings and extensive research, the contributors to the book document a succession of distinct ancient populations in the pre-Columbian world of the American Midwest and Southeast. A team of interdisciplinary scholars examines the connections between archaeological remains of different regions and the themes, forms, and rituals that continue in specific tribes of today. The book also includes the personal reflections of contemporary Native Americans who discuss their perspectives on the significance of the fascinating and beautiful prehistoric artifacts as well as their own cultural practices today.

Indigenous and Atlantic Slaveries in New France

Horn Book Index, 1924-1989

Catalog of an itinerant exhibition shown in Gela and Syracuse, Italy, and in Rhodes, Greece, in 2004.

In the seventeenth and eighteenth centuries, French colonists and their Native allies participated in a slave trade that spanned half of North America, carrying thousands of Native Americans into bondage in the Great Lakes, Canada, and the Caribbean. In Bonds of Alliance, Brett Rushforth reveals the dynamics of this system from its origins to the end of French colonial rule. Balancing a vast geographic and chronological scope with careful attention to the lives of enslaved individuals, this book gives voice to those who lived through the ordeal of slavery and, along the way, shaped French and Native societies. Rather than telling a simple story of colonial domination and Native victimization, Rushforth argues that Indian slavery in New France emerged at the nexus of two very different forms of slavery: one indigenous to North America and the other rooted in the Atlantic world. The alliances that bound French and Natives together forced a century-long negotiation over the nature of slavery and its place in early American society. Neither fully Indian nor entirely French, slavery in New France drew upon and transformed indigenous and Atlantic cultures in complex and surprising ways. Based on thousands of French and Algonquian-language manuscripts archived in Canada, France, the United States and the Caribbean, Bonds of Alliance bridges the divide between continental and Atlantic approaches to early American history. By discovering unexpected connections between distant peoples and places, Rushforth sheds new light on a wide range of subjects, including intercultural diplomacy, colonial law, gender and sexuality, and the history of race.

As prophesized, a young house cat becomes an apprentice warrior in a clan of wild cats, where he faces many dangers and treachery both within and outside of his new clan.
