Warriors Of God: Richard The Lionheart And Saladin In The Third Crusade

The first instalment of the action-packed Bel Dame Apocrypha trilogy - perfect for fans of Becky Chambers and N. K. Jemisin Nyx is a bel dame, a bounty hunter paid to collect the heads of deserters – by almost any means necessary. ‘ Almost ’ proved to be the problem. Cast out and imprisoned for breaking one rule too many, Nyx and her crew of mercenaries are all about the money. But when a dubious government deal with an alien emissary goes awry, her name is at the top of the list for a covert recovery. While the centuries-long war rages on only one thing is certain: the world ’ s best chance for peace rests in the hands of its most ruthless killers. . . *** Make sure you've read the rest of the series: 1. God's War 2. Infidel 3. Rapture**

Acclaimed author James Reston, Jr.'s Warriors of God is the rich and engaging account of the Third Crusade (1187-1192), a conflict that would shape world history for centuries and which can still be felt in the Middle East and throughout the world today. James Reston, Jr. offers a gripping narrative of the epic battle that left Jerusalem in Muslim hands until the twentieth century, bringing an objective perspective to the gallantry, greed, and religious fervor that fueled the bloody clash between Christians and Muslims. As he recounts this rousing story, Reston brings to life the two legendary figures who led their armies against each other. He offers compelling portraits of Saladin, the wise and highly cultured leader who created a united empire, and Richard the Lionheart, the romantic personification of chivalry who emerges here in his full complexity and contradictions. From its riveting scenes of blood-soaked battles to its pageant of fascinating, larger-than-life characters, Warriors of God is essential history, history that helps us understand today's world.

The physical properties of ultrasound, particularly its highly directional beam behaviour, and its complex interactions with human tissues, have led to its becoming a vitally important tool in both investigative and interventional medicine, and one that still has much exciting potential. This new edition of a well-received book treats the phenomenon of ultrasound in the context of medical and biological applications, systematically discussing fundamental physical principles and concepts. Rather than focusing on earlier treatments, based largely on the simplifications of geometrical acoustics, this book examines concepts of wave acoustics, introducing them in the very first chapter. Practical implications of these concepts are explored, first the generation and nature of acoustic fields, and then their formal descriptions and measurement. Real tissues attenuate and scatter ultrasound in ways that have interesting relationships to their physical chemistry, and the book includes coverage of these topics. Physical Principles of Medical Ultrasonics also includes critical accounts and discussions of the wide variety of diagnostic and investigative applications of ultrasound that are now becoming available in medicine and biology. The book also encompasses the biophysics of ultrasound, its practical applications to therapeutic and surgical objectives, and its implications in questions of hazards to both patient and operator.

Published in English for the first time, and the only Arabic epic named for a woman, The Tale of Princess Fatima recounts the thrilling adventures of a legendary medieval warrior universally known throughout the Middle East and long overdue to join world literature's pantheon of female heroes. A Penguin Classic A fearsome, sword-slinging heroine who defeated countless men in stealth attacks on horseback, Dhat al-Himma, or Princess Fatima, was secretly given away at birth because she wasn't male, only to triumph as the most formidable warrior of her time. Known alternately as "she-wolf," "woman of high resolve," and "calamity of the soul," she lives on in this rousing narrative of female empowerment, in which she leads armies of more than seventy thousand men in clashes between rival tribes and between Muslims and Christians; reconciles with her father after taking him prisoner; and fends off her infatuated cousin, who challenges her to a battle for the right to marry her. Though her cousin suffers an ignominious defeat, he impregnates Fatima against her will and, when she gives birth to a Black son, disowns his own son, who also grows up to be a great warrior, eventually avenging his mother's honor. The epic culminates in a showdown between Fatima and another formidable warrior woman, and earns Fatima a place alongside the likes of Circe, Mulan, Wonder Woman, Katniss Everdeen and other powerful women.

The Knights Templar were the wealthiest, most powerful – and most secretive – of the military orders that flourished in the crusading era. Their story – encompassing as it does the greatest international conflict of the Middle Ages, a network of international finance, a swift rise in wealth and influence followed by a bloody and humiliating fall – has left a comet's tail of mystery that continues to fascinate and inspire historians, novelists and conspiracy theorists.

An analysis of the Hezbollah terrorist organization offers insight into the guerrilla forces and controversial military prowess that render them a more formidable group than al Qaeda, tracing their role in forcing Israel out of occupied Arab territories, their complicated relationship with Iran and what the Western world should understand about their operations.

King Richard the Lionheart has been crowned, and his loyal subject Robin Hood is preparing an army to take on the Third Crusade with Richard's forces to free the Holy Land from the grip of Saladin and his victorious Saracen army. In Sicily, en route to the Holy Land, the crusaders sack the town of Messina and Alan rescues and then falls in love with a beautiful Muslim slave-girl. But someone is trying to assassinate Robin - possibly the duo's old enemy Sir Richard Malbisse, who joins King Richard's army in Sicily and very soon has the royal ear as a favoured courtier. As Alan and Robin fight their way through the conquest of Cyprus, the siege of Acre and the climatic carnage of the battle of Arsuf near modern-day Tel Aviv, Alan discovers that Robin's motive for coming to the Holy Land is not as honourable as he had imagined...

This volume recreates the collision of the Christian holy wars and the Muslim jihad at the end of the twelfth century. A dual biography of the legendary Richard the Lionheart and the Sultan Saladin, iconic hero of the Islamic world, the author recounts the life of each man and reveals the passions of the times that brought them face-to-face in the final battle of the Third Crusade. Richard the Lionheart, commonly depicted as the romantic personification of chivalry, here emerges in his full complexity and contradictions as the author examines the dark side of Richard's role as the leader of the blood-soaked Crusades, and breaks new ground by openly discussing Richard's homosexuality. This work's portrait of Saladin brings to life the wise, highly cultured leader who realized an enduring Arab dream by united Egypt and Syria and whose conquest of Jerusalem not only sparked the Third Crusade but ignited the first jihad and turned Saladin into a hero of epic proportions. The author captures the fascinating clash of the two armies as they battled their way to the outskirts of Jerusalem. There, Saladin's brilliant maneuvers and Richard's sudden failure of nerve turned the tide.

Hades, god of the dead, welcomes readers on a dangerous tour of his underworld kingdom, filled with monsters, furies, giants, and vampire demons. Along the way, he reveals ancient death rites and sinister curses, tells hair-raising stories, and cracks jokes to die for. With his witty voice and ghoulish sense of humor, Hades is the perfect guide through this fresh and imaginative work of nonfiction that reads like a novel. Includes a glossary, bibliography, and index.

In his remarkable book, Jonathan Phillips explores the conflict of ideas, beliefs and cultures and shows both the contradictions and diversity of holy war. He draws on contemporary writings - on chronicles, songs, sermons, travel diaries and peace treaties - to throw a brilliant new light on people and events we thought we knew well. Although the notion of fighting for one's faith fell into disrepute in the Enlightenment, Phillips traces the crusading impulse from the bloody conquest of Jerusalem in the First Crusade and the titanic struggle between Richard the Lionheart and Saladin up to the present day - to George W. Bush's characterisation of the war on terrorism as a crusade.

In her first novel since The Quick and the Dead (a finalist for the Pulitzer Prize), the legendary writer takes us into an uncertain landscape after an environmental apocalypse, a world in which only the man-made has value, but some still wish to salvage the authentic. 'When the book was over, I missed the awful, cleansing darkness of its eyes upon me ' New Yorker Books of the Year 2021 'This is the apocalypse as reimagined by a committee headed by Dali, Kafka and Yorgos Lanthimos.' Observer Winner of the 2021 Kirkus Prize for Fiction Longlisted for the PEN/ Jean Stein Book Award Khristen is a teenager who, her mother believes, was marked for greatness as a baby when she died for a moment, then came back to life. After Khristen's boarding school for gifted teens closes its doors, and her mother disappears, she ranges across the dead landscape and finds a 'resort' on the shores of a mysterious, putrid lake the elderly residents there call 'Big Girl'. In a rotting honeycomb of rooms, these old ones plot actions to punish corporations and people they consider culpable in the destruction of the final scraps of nature's beauty. Rivetingly strange and delivered with Williams' searing, deadpan wit, Harrow is a tale of paradise lost and the reasons to try and recover something of it.

"Packs a punch worthy of the Thunderer himself. It rocks!" -- Joanne Harris, author of The Gospel of Loki "Holdt wows in her Norse mythology inspired debut an electrifying adventure" -- Publishers Weekly, starred review A dead man, walking between the worlds, foresees the end of the gods. A survivor searching for a weapon releases a demon from fiery Muspelheim. A village is slaughtered by Christians, and revenge must be taken. The bonds between the gods and Midgard are weakening. It is up to Hilda, Ragnar, their tribesmen Einer and Finn, the chief's wife Siv and Tyra, her adopted daughter, to fight to save the old ways from dying out, and to save their gods in the process. Following in the steps of Neil Gaiman & Joanne Harris, the author expertly weaves Norse myths and compelling characters into this fierce, magical epic fantasy.

The epic story of the battle for the Holy Land focuses on the two legendary figures at the center of the Third Crusade and explores the conflict that transformed the world during the late twelfth century and the roles of Richard the Lionheart, the English king and homosexual leader of the Crusaders, and Saladin, the visionary head of the Islamic forces. Reprint. 35,000 first printing.

This book recounts the stories of just some of the hundreds of peasant farmers from Southern Ethiopia who God called to take the Gospel message into previously inaccessible regions, to people so fierce they would not hesitate to kill an outsider. It is a brief record of some of their culture, the security of their families and who, with Bible and water bottle in hand and confidence in their saviour, took the message of Jesus Christ over the mountain ranges and beyond the rivers to those who had never heard of Him. Today, through the sacrifices and sufferings of men like these, there are thousands of churches throughout the mountains of Southern Ethiopia. These stories will shock encourage, challenge and provoke you to follow their example as gospel warriors.

In this compelling and influential work, Joseph Campbell scours the myths of the world to reveal the characteristics common to heroes from all cultures and periods.

WAY OF THE PEACEFUL WARRIOR has become one of the most beloved spiritual sagas of our time. Shared among friends and families, this million-copy word-of-mouth bestseller has inspired men and women of all ages in twenty languages worldwide. Despite his success, college student and world-champion athlete Dan Millman is haunted by a feeling that something is missing from his life. Awakened one night by dark dreams, he wanders into an all-night gas station, meets an old man named Socrates, and his world is changed forever. Guided by this eccentric old warrior, drawn to an elusive young woman named Joy, Dan begins a spiritual odyssey into realms of light and shadow, romance and mystery, toward a final confrontation that will deliver or destroy him. This classic tale, told with heart and humor, speaks to the peaceful warrior in each of us. Countless readers have been moved to laughter and tears - even moments of illumination - as they rediscover life's larger meaning and purpose. Journey with Dan on the peaceful warrior's path to unreasonable happiness. Find out for yourself why this book changes lives.

Editors Are Austin P. Evans And Frederick Barry. Records Of Civilization, Sources And Studies.

This book tells the story of the momentous campaign that led to the Muslim capture of Jerusalem in 1187, following the disastrous Crusader defeat at Hattin, where Saladin's troops destroyed the Christian army. These events resulted in the collapse of the kingdom of Jerusalem and sparked off the Third Crusade under Richard I. The authors also give detailed portraits of the two most intriguing warrior types involved in the conflict: the Knight Templar and the Saracen Faris. The authors reveal what it was really like to fight in the Crusades as they examine the motivation, training, weaponry and combat experiences of these formidable adversaries. Saladin's military successes and his unification of the Crusaders' Islamic enemies had effects that last to the present day in the idea of tawhid, unity, that is still invoked by Arab leaders.

Traces the victories of the kings and popes of Christendom against the seemingly invincible Vikings, Moors, and Hungarian Magyars, shaking the world and confirming the popular belief that history was about to end

Somalia is one of the world's most desolate, sun-scorched lands, inhabited by fierce and independent-minded tribesmen. It was here that Gerald Hanley spent the Second World War, charged with preventing bloodshed between feuding tribes at a remote out-station. Rations were scarce, pay infrequent and his detachment of native soldiers near-mutinous. In these extreme conditions seven British officers committed suicide, but Hanley describes the period as the 'most valuable time' of his life. With intense curiosity and open-mindedness, he explores the effects of loneliness. He comes to understand the Somalis' love of fighting and to admire their contempt for death. 'Of all the races of Africa,' he says, 'there cannot be one better to live among than the most difficult, the proudest, the bravest, the vainest, the most merciless, the friendliest: the Somalis.'

God Is a Warrior traces the development of the "divine warrior" motif through the Old and New Testaments, beginning with Israel's conflicts with her enemies and ending with Christ's victorious return in Revelation. Against the broader background of Ancient Near Eastern warrior mythology, Part I discusses Yahweh's warfare on behalf of ancient Israel, and prophecies of the coming Divine Deliverer. Part II looks at the New Testament's Divine Warrior, Jesus Christ, and his war against his spiritual enemies in the Synoptic Gospels, in Paul's letters, and in the final apocalyptic battle in the book of Revelation.

Gathers stories in which Mahatma Gandhi, Jane Austen, Albert Einstein, Saint Francis of Assisi, and others known for their peacefulness, are portrayed as warriors

Desert Lake is a book combining artistic, scientific and Indigenous views of a striking region of north-western Australia. Paruku is the place that white people call Lake Gregory. It is Walmajarri land, and its people live on their Country in the communities of Mulan and Billiluna. This is a story of water. When Sturt Creek flows from the north, it creates a massive inland Lake among the sandy deserts. Not only is Paruku of national significance for waterbirds, but it has also helped uncover the past climatic and human history of Australia. Paruku's cultural and environmental values inspire Indigenous and other artists, they define the place as an enduring home, and have led to its declaration as an Indigenous Protected Area. The Walmajarri people of Paruku understand themselves in relation to Country, a coherent whole linking the environment, the people and the Law that governs their lives. These understandings are encompassed by the Waljirri or Dreaming and expressed through the songs, imagery and narratives of enduring traditions. Desert Lake is embedded in this broader vision of Country and provides a rich visual and cross-cultural portrait of an extraordinary part of Australia.

From George R. R. Martin's Introduction to Warriors: "People have been telling stories about warriors for as long as they have been telling stories. Since Homer first sang the wrath of Achilles and the ancient Sumerians set down their tales of Gilgamesh, warriors, soldiers, and fighters have fascinated us; they are a part of every culture, every literary tradition, every genre. All Quiet on the Western Front, From Here to Eternity, and The Red Badge of Courage have become part of our literary canon, taught in classrooms all around the country and the world. Our contributors make up an all-star lineup of award-winning and bestselling writers, representing a dozen different publishers and as many genres. We asked each of them for the same thing—a story about a warrior. Some chose to write in the genre they're best known for. Some decided to try something different. You will find warriors of every shape, size, and color in these pages, warriors from every epoch of human history, from yesterday and today and tomorrow, and from worlds that never were. Some of the stories will make you sad, some will make you laugh, and many will keep you on the edge of your seat." The stories in the second mass market volume of this book are: Introduction: Stories of the Spinner Rack, by George R. R. Martin Seven Years from Home, by Naomi Novik Dirae, by Peter S. Beagle Ancient Ways, by S. M. Stirling The Scroll, by David Ball Recidivist, by Gardner Dozois Niniesland, by Howard Waldrop Out of the Dark, by David Weber Many of these writers are bestsellers. All of them are storytellers of the highest quality. Together they make a volume of unforgettable reading. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Princess and a Warrior? Yes! You can be a warrior in God's army while also being a princess in God's royal family. Princess Warriors is the second book in the Glory to Glory Sisterhood series. Discussed in organic detail: Fear of the Lord and Spiritual Warfare, which equip women to victoriously battle for their lives, family, destiny, church, community, and nation. Princess Warriors builds upon the first book, God's Sorority, and trains you for spiritual warfare by starting with "The Fear of the Lord," which teaches you how to master sin and walk in holiness. You will learn all the basics of spiritual warfare, including how to: Hear Holy Spirit during spiritual warfare. Use the Keys of the Kingdom. Take hold of your God-given destiny. Possess a warrior mentality. Live an assertive role in prayer, declaring, and prophesying. Join with other women as Princess Warriors from God. Look for the next two books in the series: At His Feet, deals with strongholds set up by satan to keep women in bondage; and Destiny, which empowers women to become big sisters in God's Sorority—reproducers of the seed of Jesus Christ, bringing Heaven down to earth.

An engaging biography that offers a new perspective on one of the most influential figures of the Crusades In 1187, Saladin marched triumphantly into Jerusalem, ending decades of struggle against the Christians and reclaiming the holy city for Islam. Four years later he fought off the armies of the Third Crusade, which were commanded by Europe's leading monarchs. A fierce warrior and savvy diplomat, Saladin's unparalleled courtesy, justice, generosity, and mercy were revered by both his fellow Muslims and his Christian rivals such as Richard the Lionheart. Combining thorough research with vivid storytelling, Jonathan Phillips offers a fresh and captivating look at the triumphs, failures, and contradictions of one of the Crusades' most unique figures. Bringing the vibrant world of the twelfth century to life, this book also explores Saladin's complicated legacy, examining the ways Saladin has been invoked in the modern age by Arab and Muslim leaders ranging from Nasser in Egypt, Asad in Syria, and Saddam Hussein in Iraq to Osama bin Laden, as well as his huge appeal across popular culture in books, drama, and music.

The medieval code of chivalry demanded that warrior elites demonstrate fierce courage in battle, display prowess with weaponry, and avenge any strike against their honor. They were also required to be devout Christians. How, then, could knights pledge fealty to the Prince of Peace, who enjoined the faithful to turn the other cheek rather than seek vengeance and who taught that the meek, rather than glorious fighters in tournaments, shall inherit the earth? By what logic and language was knighthood valorized? In Holy Warriors, Richard Kaeuper argues that while some clerics sanctified violence in defense of the Holy Church, others were sorely troubled by chivalric practices in everyday life. As elite laity, knights had theological ideas of their own. Soundly pious yet independent, knights proclaimed the validity of their bloody profession by selectively appropriating religious ideals. Their ideology emphasized meritorious suffering on campaign and in battle even as their violence enriched them and established their dominance. In a world of divinely ordained social orders, theirs was blessed, though many sensitive souls worried about the ultimate price of rapine and destruction. Kaeuper examines how these paradoxical chivalric ideals were spread in a vast corpus of literature from exempla and chansons de geste to romance. Through these works, both clerics and lay military elites claimed God's blessing for knighthood while avoiding the contradictions inherent in their fusion of chivalry with a religion that looked back to the Sermon on the Mount for its ethical foundation.

None can stand before them for they are THE MIGHTY WARRIORS!

'White handles hefty quantities of research effortlessly, combining multiple biographies with a broader overview of the period. His energetic, anecdote-laden prose will have you hooked all the way from Orwell to le Carré' Sunday Times, Books of the Year 'Cold Warriors reads like a thriller . . . ambitious, intelligent, searching history' The Times In this age of 24-hour news coverage, where rallying cries are made on Twitter and wars are waged in cyberspace as much as on the ground, the idea of a novel as a weapon that can wield any power feels almost preposterous. The Cold War was a time when destruction was merely the press of a button away, but when the real battle between East and West was over the minds and hearts of their people. In this arena the pen really was mightier than the sword. This is a gripping, richly-opposition; how writers played a pivotal role (sometimes consciously, often not) in the conflict; and how literature became something that was worth fighting and dying for. With a cast that includes George Orwell, Arthur Koestler, Graham Greene, Boris Pasternak, Andrei Sinyavsky, Mary McCarthy and John le Carré, and taking the reader from Spain to America to England and to Russia, this is narrative history at its most enthralling and most pertinent - pertinent because even if on the face of it there is a huge difference between 140 characters and 100,000 words, at the heart of both is the power of stories to change the fate of nations.

Examines the life and struggles of Galileo and discusses his many contributions in such areas as scientific research, physics, and astronomy.

Jordan Peterson's work as a clinical psychologist has reshaped the modern understanding of personality, and now he has become one of the world's most popular public thinkers, with his lectures on topics ranging from the Bible to romantic relationships drawing tens of millions of viewers. In an era of polarizing politics, echo chambers and trigger warnings, his startling message about the value of personal responsibility and the dangers of ideology has resonated around the world. In this book, he combines ancient wisdom with decades of experience to provide twelve profound and challenging principles for how to live a meaningful life, from setting your house in order before criticising others to comparing yourself to who you were yesterday, not someone else today. Gripping, thought-provoking and deeply rewarding, 12 Rules for Life offers an antidote to the chaos in our lives: eternal truths applied to our modern problems.

A bestselling historian recounts the epic clash that ended the Renaissance and pushed Islam to the gates of Vienna In Warriors of God and Dogs of God, James Reston, Jr., brought two epochal events in the struggle between Islam and Christendom to readers eager to understand the roots of the present-day conflict. With his unwavering eye for detail, Reston now weaves a captivating narrative that examines a pivotal period in that centuries- long war, which found Europe at its most vulnerable and Islam on the attack. This saga of colliding worlds is propelled by two astonishing young sovereigns-the Holy Roman Emperor Charles V and the Turkish sultan Suleyman the Magnificent-and is supported by a wide range of larger-than-life characters, who lend this meticulously researched history a novel's worth of suspense and brio.
