I created this pregnancy journal so expecting mamas could have a place to document every stage of their pregnancy. When I was pregnant with my first, Payson, I was so excited to start a pregnancy journal for her. When I got it I was disappointed in the questions & the overwhelming space to have to fill in. I wanted to create a simple, beautiful book that I'd want to display in my home & keep for my little ones so that they could look back on it forever. This book is all the thoughts and feelings I've had throughout my second pregnancy and it's everything I wish I had with my first. I hope you love it, find inspiration in it, & celebrate your pregnancy long after you have your sweet baby. -Mackenzie Lunt
