

## Where's Wally? The Incredible Paper Chase

The reader is invited to find Waldo in the detailed illustrations of several crowded Hollywood movie sets.

Where's Waldo? In the spotlight . . . somewhere! Now that the rest of the scene has gone dark, finding him is a spectacular new challenge. Just when you thought you'd mastered the art of finding Waldo, along comes a whole new twist to tracking him down! In an innovative, all-paper design that simulates a traveling spotlight beam, each scene is completely dark until the savvy reader slides a wand underneath to "light up" a small section. The trick is to carefully move the magic slider around until the right spot is revealed. Each of the six classic nighttime scenes contains Waldo and four other favorite characters to find, along with bonus hidden content and additional games on every page. With an exciting new format that gives our wanderer the star treatment he deserves, The Spectacular Spotlight Search is a must-have for Waldo fans of all ages.

Waldo embarks on another incredible adventure, taking his sketchpad along to draw the wonderful things he sees, including soldiers on parade, clowns, messages in bottles and more.
