The Self-portraits: v. 4 ...

This collection is dedicated to the painted works of Rembrandt. It presents a vast amount of meticulous research on Rembrandt's paintings covering the early years until his later years, and with a special focus on his self-portraits and small-scale history paintings. The main aim of this project was to isolate Rembrandt's own works from the great volume of Rembrandt-like paintings, produced by his many pupils and followers, sometimes with the involvement of the master
