Tell Me a Lie

When Love Is a Lie

Currently a critical and box office sensation, Sam Shepard's newest play is amasterpiece of poetic and theatrical brilliance that looks unerringly at loveand family in the American West. Copyright © Libri GmbH. All rights reserved.

The next gripping suspense thriller from Julie Corbin, Whispers of a Scandal, is available to pre-order now! Teacher versus pupil. It's your word against hers . . . As a school nurse, Anna Pierce is a well-respected and trusted member of the community. So when she is accused of hitting a pupil, the reaction is one of shock and disbelief. The pupil is Tori Carmichael – Anna's mentee and a troubled child known for bending the truth. With her career and reputation on the line, Anna is determined to clear her name. But before she can, the worst happens: Tori is found dead. Suspicion mounts against Anna, who says she didn't do it. But if she isn't the killer, there is someone out there who is . . . Delivering a dark and twisting plot and asking the reader 'What would you do?', this is gripping suspense for fans of Big Little Lies and The Rumour. Readers are gripped by A Lie For A Lie 'Full of secrets, twists, and unexpected answers. I was hooked.' 'Absolutely amazing book! It was the perfect thriller!' 'I cannot recommend it highly enough – a fabulous read.' 'An extremely well written, utterly riveting thriller that had me totally captivated from the very first page. 'A gripping tale of deception, manipulation and judgements that keeps the reader guessing and frantically turning the pages.' 'Julie Corbin works her magic . . . I was gripped by every single page.' 'I'll definitely be recommending it to my other book lover friends. Can't wait to read more by Julie Corbin!' 'A gripping story from the very beginning. Julie Corbin is a new author to add to my "favourite authors" list.'

This comprehensive analysis traces Sam Shepard's career from his experimental one-act plays of the 1960s to the 1994 play Simpatico. Curse of the Starving Class, Buried Child, True West, Fool for Love and A Lie of the Mind are all examined in depth. Concentrating on his playwriting, this book charts Shepard's various developments and shifts of direction, and the changing contexts in which his work appeared. Engaging, informative, and insightful, The Theatre of Sam Shepard is the definitive source on the works of this innovative and original writer.

A Lie For A Lie

All True Not a Lie in It

The Rise and Fall of Neil Woodford and the Fate of Middle England's Money

States of Crisis

Staging the Rage

“[A] richly atmospheric tale. You can imagine Hitchcock curling up with this one.” —USA Today Author Hallie Ephron's fast paced and disturbingly creepy Never Tell a Lie is a page-turning thrill ride that maestro Alfred Hitchcock would have been proud to call his own. A descent into gripping suburban terror, this stunner by the Ellen Nehr Award-winning mystery reviewer for the Boston Globe has been called “a snaky, unsettling tale of psychological suspense” by the Seattle Times. Fans of Mary Higgins Clark, Harlan Coben, and classic gothic mystery will adore this supremely suspenseful and consistently surprising story of a yard sale gone terribly wrong.

'This book should be sold with a bottle of blood-pressure pills. Walker's depiction is meticulous and unsparing' The Times 'Vital financial journalism with heart' Emma Barnett, BBC The definitive account of the Neil Woodford scandal from the award-winning FT journalist who first broke the story. This is the gripping tale of Britain's top investor's fall from grace and the shattering consequences. The proud owner of a sprawling £14m estate in the Cotswolds, boasting a stable of eventing horses, a fleet of supercars and neighbouring the royal family, Neil Woodford was the most celebrated and successful British investor of his generation. He spent years beating the market; betting against the dot com bubble in the 1990s and the banks before the financial crash in 2008, making blockbuster returns for his investors and earning himself a reputation of 'the man who made Middle England rich'. As famous for his fleet of fast cars and ostentatious mansions, he was the rockstar fund manager that had the lifestyle to match. But, in 2019, after a stream of poorly-judged investments, Woodford's asset management company collapsed, trapping hundreds of thousands of rainy-day savers in his flagship fund and hanging £3.6bn in the balance. In Built on a Lie, Financial Times reporter Owen Walker reveals the disastrous failings of Woodford, the greed and opulence at the heart of his operation, the flaws of an industry in thrall to its star performers and the dangers of limited regulation. With exclusive access to Woodford's inner circle, Walker will reveal the full, jaw-dropping story of Europe's biggest investment scandal in a decade.

Three Truths and a Lie

Arion Press Announces A Lie of the Mind

Or, Meg, Jo, Beth and Amy

Two Truths and a Lie is the first book in a fascinating new series that presents some of the most crazy-but-true stories about the living world as well as a handful of stories that are too crazy to be true—and asks readers to separate facts from the fakes! Did you know that there is a fungus that can control the mind of an ant and make it do its bidding? Would you believe there is such a thing as a corpse flower—a ten-foot-tall plant with a blossom that smells like a zombie? How about a species of octopus that doesn't live in water but rather lurks in trees in the Pacific Northwest? Every story in this book is strange and astounding. But not all of them are real. Just like the old game in this book's title, two out of every three stories are completely true and one is an outright lie. Can you guess which? It's not going to be easy. Some false stories are based on truth, and some of the true stories are just plain unbelievable. And they're all accompanied by dozens of photos, maps, and illustrations. Amaze yourself and trick your friends as you sort out the fakes from the facts! Acclaimed authors Ammi-Joan Paquette and Laurie Ann Thompson have teamed up to create a series of sneaky stories about the natural world designed to amaze, disgust, and occasionally bamboozle you.

When does sorrow turn to shame? When does love become labor? When does chancebecome choice? And when does fact become fiction?

A YA thriller described as The Curious Incident of the Dog in the Night-Time meets John le Carré, about a teen math prodigy with an extreme anxiety disorder who finds himself caught in a web of lies and conspiracies after an assassination attempt on his mother. Seventeen-year-old Peter Blankman is a math genius. He also suffers from devastating panic attacks. Pete gets through each day with the help of his mother—a famous scientist—and his beloved twin sister, Bel. But when his mom is nearly assassinated in front of his eyes and Bel disappears, Pete finds himself on the run. Dragged into a world where state and family secrets intertwine, Pete must use his extraordinary analytical skills to find his missing sister and track down the people who attacked his mother. But his greatest battle will be with the enemy inside: the constant terror that threatens to overwhelm him. Weaving between Pete's past and present, This Story Is a Lie is a testimony from a protagonist who is brilliant, broken and trying to be brave.

The One Inside

Never Tell a Lie

A Creative Thesis in Directing

Smarter Than A Lie

[Now includes a 14-page excerpt from Zari Ballard's new book Stop Spinning, Start Breathing] When our committed relationship involves a narcissistic partner or someone with a narcissistic personality disorder, it is inevitable that the experience, at some point, will take a very dark turn. Pathological liars, chronic cheaters, and masters at passive-aggressive punishments (i.e. the silent treatment), narcissists follow a specific relationship agenda where every deceptive move is deliberately calculated to confuse and abuse the people who love them.

And, as crazy as it appears, those who love the narcissist will stick it out, thinking they can fix this person or love them out of their bad behavior...but the truth is that neither is possible. Narcissists, psychopaths, and sociopaths can never be fixed - not with love, therapy, and not with any magic pill. I know...because I stumbled down this very path for twelve long years. Do the behaviors of your partner continually cause you to feel suspicious? Are you subjected to silent treatments and other forms of controlling punishments? Do you find yourself choosing to overlook these behaviors rather than face a confrontation? Does your partner appear to create chaos just to keep you feeling anxious and insecure? Are you obsessed with trying to figure it all out? Answering "yes" to any of the above indicates that you may be involved with a narcissistic partner...a person without a conscience...a pretender...someone who is manipulating your life to suit his own purpose. You may even feel an agonizing codependency - not only to the narcissist but to the drama itself - and this, too, is an intention of the narcissist's pathological relationship agenda. When Love Is a Lie is a personal, non-clinical narrative that exposes the typical manipulative behavioral patterns of narcissistic partners. Based on my own 12-year experience, this book deliberately offers no excuses for narcissism (medical or otherwise) nor does it encourage readers to cut a narcissistic partner any slack whatsoever. This book is about the reality of the situation, about why we become codependent to the drama, and, most importantly, what we can do about all of it to save our own lives. Learn how/why a lover or partner with a narcissistic personality... can never have - or even pretend to have - the love-worthy human qualities (the undeniable truths!) that make up the beauty of life. can - and probably has - deliberately and methodically managed down your relationship expectations so that you expect less and he gets away with more will use the Silent Treatment and similar demoralizing methods of control to punish those who dare to call him out on questionable behaviors will create chaos even during "good" times as a tactic for keeping you in a constant state of codependent anxiety will juggle many relationships at once and often for years with no one being the wiser...not even you lieis even when the truth is a better story Realizing the truth about your narcissistic partner is never easy but it's not the end of the world. Use this book to separate yourself from the narcissistic drama once and for all. **Scroll to the top to order** **Click image at top to Look Inside this book**

The Truth is a Lie will remove the blindfold that's crippled you for far too long and integrate real life situations to effectively demonstrate how these scenarios present themselves in all our lives. In The Wizard of Oz, Dorothy, the Cowardly Lion, the Scarecrow, and the Tin Man learn that the wizard behind the curtain is controlling all the myth and magic in Oz. The wizard does not want to be revealed. He wants to stay in control, and for the illusion of a perfect and harmonious world to continue. Follow my journey in The Truth is a Lie as I pull back the curtain and show that your Land of Oz is a place where your perception is not reality. Every day we live in conflict. We say that we want the curtain pulled back to reveal the truth, but our nature prefers to keep us in the dark, not allowing us to see who we truly are. In many instances, we simultaneously fear and despise the person we know is directly behind that lightly threaded fabric. We want nothing to do with the truth because the lie that we have been living for so long has become our reality. Imagine a wrecking ball destroying the infrastructure of all that we have been manipulated to believe. This Land of Oz was created by those in power: the government, educators, parents, and authority figures to control society and manipulate the minds of the less fortunate and powerless to create the illusion of a perfect world, and more importantly, protect the lives of those controlling us. Imagine a boxer, as soon as the bell rings, coming at you. He hits you with a haymaker to knock you off balance. As soon as we are born, our bell rings, and we are hit with the reality of the world that has already been created for us. The Land of Oz that has been created for you has your own wizard pulling the strings and brainwashing you to believe only what they want you to believe. People need to be shaken in a dramatic fashion to get them out of their conditioned apathy. We are so entrenched in the way we think that only a catastrophic event or soulfully truthful revelation can rewire the hardware. This conditioning has internally and emotionally tied us up in knots. We're afraid to reveal ourselves to people, afraid to speak out or to act in a way that truly reflects how we think and feel, and we're afraid to admit that at heart we are all self-serving and self-indulgent beings. Even Mother Teresa acknowledged that she felt guilty about how good it made her feel to help other people. This fear has been ingrained in us, causing us to lead the life that others demand of us, which was their intention from the beginning. Throughout our journey, my goal will be to get you to pull back the curtain in your Land of Oz and reveal your world as it really is, not as you and others have conditioned you to believe that it is.

The first work of long fiction from the Pulitzer Prize-winning playwright—a tour de force of memory, mystery, death, and life. This searing, extraordinarily evocative narrative opens with a man in his house at dawn, surrounded by aspens, coyotes cackling in the distance as he quietly navigates the distance between present and past. More and more, memory is overtaking him: in his mind he sees himself in a movie-set trailer, his young face staring back at him in a mirror surrounded by light bulbs. In his dreams and in visions he sees his late father—sometimes in miniature, sometimes flying planes, sometimes at war. By turns, he sees the bygone America of his childhood: the farmland and the feedlots, the railyards and the diners—and, most hauntingly, his father's young girlfriend, with whom he also became involved, setting into motion a tragedy that has stayed with him. His complex interiority is filtered through views of mountains and deserts as he drives across the country, propelled by jazz, benzedrine, rock and roll, and a restlessness born out of exile. The rhythms of theater, the language of poetry, and a flinty humor combine in this stunning meditation on the nature of experience, at once celebratory, surreal, poignant, and unforgettable.

A Novel of Suspense

The Truth Is a Lie: The Complete Psychological and Motivational Journey to Personal Transformation Through Conscience Thought, Relationshi

The Theatre of Sam Shepard

The Web of Misogyny in Modern Drama

Sam Shepard's A Lie of the Mind

The story of pioneer Daniel Boone's life, told in his voice—a tall tale like no other, startling, funny, poignant, romantic and brawling—set during the American Revolutionary War Here is Daniel Boone as you've never seen him: debut novelist Alix Hawley presents Boone's life, from his childhood in a Quaker colony, through two stints captured by Indians as he attempted to settle Kentucky, the death of a son at the hands of the same Indians and the rescue of a daughter. The prose rivals Hilary Mantel's and Peter Carey's, conveying that sense of being inside the head of a storied historical figure about which much nonsense is spoken while also feeling completely contemporary. Boone was a fabulous hunter and explorer, and a “white Indian,” perhaps happiest when he found a place as the captive, adopted son of a chief who was trying to prevent the white settlement of Kentucky. Hawley takes us intimately into the life-and-death survival of people pushing away from security and into Indian lands, despite sense and treaties, just before and into the War of Independence. The love story between Boone and his wife, Rebecca, is rich and tangled, but mostly it's Boone who fascinates, pushing into places where he imagines he can create a new “clean” world, only to find death and trouble and complication. He is a fabulous character, unrivaled in North American literature, and a prime candidate for the tall tale. The storytelling is taut and expert, the descriptions rich and powerful, the prose full of feeling, but Boone is what drives this outstanding debut.

THE STORY: The scene is a stark motel room at the edge of the Mojave Desert. May, a disheveled young woman, sits dejectedly on a rumpled bed while Eddie, a rough-spoken rodeo performer, crouches in a corner fiddling with his riding gear. When he at We are all taught, early in life, that it is bad to lie. But nobody warns us that some people will ignore this rule—to their benefit, and our detriment. While most of us live by the same moral code, we aren't armed with the tools to deal with the liars who do not. Rather, our brains are hardwired to make it more likely we will believe liars, and fall prey to manipulators. A truth bias makes our brains default to believing everything we hear as true; a trust bias makes our brains default to trusting people; and an authority bias makes our brains more likely to trust people in positions of power, even if we have information that contradicts what that powerful person is saying. In this new book, nationally-recognized workplace researcher Dr. Arn N. Reeves delves into the world of liars, the lies they tell, and the ways in which each of us can be smarter than the lies we encounter, especially in professional environments and public spaces. Among the questions Dr. Reeves addresses in the book: Why do liars lie? Why do they get away with lying? Why do the people around liars enable them, even when they know they are lying? Why is it so hard, and unsatisfying, to confront a liar? How can we fight back against liars and the lies they tell—and how can we win? Smarter Than A Lie will help you understand why liars lie, why their lies are effective, why they tend to be surrounded by enablers, and the most effective strategies the rest of us—the ones who still believe it's wrong to tell a lie—can use to counteract liars and overcome their lies.

True West

Buried Child

Two Truths and a Lie: It's Alive!

A Lie of the Mind by Sam Shepard

From the author of The Aftermath comes the story of a whirlwind friendship--and the dark secrets lurking beneath it. After a tumultuous marriage, Mary Wilson is happy in her uncomplicated life, focusing on her twelve-year-old son. She's always been content with her little family--but then she finds an old postcard that throws her whole past into question... When an invitation arrives for her high school reunion, Mary jumps at the chance of a distraction from the shock discovery, and meeting her old classmate April feels like a gift. Despite barely remembering April, Mary throws herself into the new friendship and finds her previously quiet social life reinvigorated. But as the bonds between them are forged, Mary finds herself drawn further and further into April's life and marriage, increasingly fearing that everything is not as perfect as it seems. Is her own painful past clouding her judgement, or is Mary right to suspect that the people she trusts most are the ones with the most to hide?

People say that when you have a life-altering experience, your brain takes a picture, and that snapshot stays forever in your memory to retrieve again. And again, and again. Kendra Sullivan loves taking pictures. But when a photograph reveals something unexpected, she sets out to investigate the situation. Before long, Kendra is torn between destroying her family as she's known it and keeping a very dark secret that might ultimately destroy her. This emotionally charged young adult mystery pushes the boundaries between truth and deception and explores the consequences of uncovering life-changing information. A Christy Ottaviano Book

From the New York Times–bestselling author of the Pucked series comes a romantic comedy about instant attraction, second chances, and not-so-little white lies.

THE STORY: Set in the netherworld of thoroughbred racing, SIMPATICO explores themes of memory, loyalty and restitution. When Lyle, a successful horse breeder in Kentucky, receives a desperate phone call from Vinnie, a troubled barfly living in Sout

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

This study is divided into four sections, whose general topics trace various manifestations of misogyny in nineteenthand twentieth-century drama. Recent attempts to dismantle and expose relations between gender and spectacle receive attention in a volume that suggests exciting possibilities for a revision of theater.

Simpatico

A Director's Approach to Sam Shepard's "A Lie of the Mind"

The Play by Sam Shepard Illustrated by Stan Washburn

Brian Fox is desperate for cash. When his business falls into debt, he turns yet again to his rock star brother. Only this time, his brother refuses to throw money at the problem...he intends to solve it. Enter Vivian Davenport, business fixer extraordinaire, supreme professional, and Brian's new boss. Brian has always called the shots, but now he's the one taking orders. When the tiny lie that Vivian is his new girlfriend slips out, he's forced to play the role of doting boyfriend to a woman he can't stand. It started as a lie, but what happens if it turns into the truth? It Started with a Lie is the first book in the Truth and Lies duet.

THE STORY: Involves two desperate families connected by the marriage of the son of one (Jake) to the daughter of the other (Beth). As the play begins Beth, brain-damaged from a savage beating that Jake has given her, is being tended by her parents,

A newly revised edition of an American classic, Sam Shepard's Pulitzer Prize-winning *Buried Child* is as fierce and unforgettable as it was when it was first produced in 1978. A scene of madness greets Vince and his girlfriend as they arrive at the squalid farmhouse of Vince's hard-drinking grandparents, who seem to have no idea who he is. Nor does his father, Tilden, a hulking former All-American footballer, or his uncle, who has lost one of his legs to a chain saw. Only the memory of an unwanted child, buried in an undisclosed location, can hope to deliver this family from its sin.

Winning Against Liars Without Losing Your Mind

Little Women

A lie of the mind

It Started with a Lie

A lie of the mind ; States of shock ; Simpatico

A moving, unforgettable memoir of two lost men: a father and his child. He had his final heart attack in the Silver Band Club in Corby, somewhere between the bar and the cigarette machine. A foundling; a fantasist; a morose, threatening drinker who was quick with his hands, he hadn't seen his son for years. John Burnside's extraordinary story of this failed relationship is a beautifully written evocation of a lost and damaged world of childhood and the constants of his father's world: men defined by the drink they could take and the pain they could stand, men shaped by their guilt and machismo. A Lie About My Father is about forgiving but not forgetting, about examining the way men are made and how they fall apart, about understanding that in order to have a good son you must have a good father. Saltire Scottish Book of the Year and the Scottish Arts Council Non-Fiction Book of the Year.

If you died alone, would anyone find you? When Investigative Journalist Andrea Kellner finds the body of a woman propped up in a chair in the basement of an abandoned home, she has no idea how the discovery will change her world. Who is the woman? How did she die? And why was her body left undiscovered for so long? A small wrist tattoo reveals the dead woman as someone close to those Andrea loves. But is the young woman's drug history an explanation for her death or a clue to something far more sinister? And can Andrea uncover the truth before others suffer the same fate?
