Amazon.com: A Mom's Guide To School Fundraising eBook

Parenting during the pandemic has been tough enough up to this point, but now many parents are being forced to make difficult decisions about how their child will attend school in the fall. Some states and local districts are opening the doors for students to return full-time, while others are doing phased re-openings, hybrid plans, or continuing distance learning from the spring.

COVID Back To School Guide For Divorced Parents — Moms

The Busy Mom 's Guide to Volunteering in School, by Beth Weinhouse. Easy ways every parent can volunteer and get involved in your child's school, even if you only have 5 minutes to spare. If you're like most moms, you probably wish there were more hours in the day. By the time you take care of your family, your job, and your house, there's not much time left to see your friends, let alone head up a committee to improve something at your kid's school.
