*A Perpetual Menace: Nuclear Weapons and International Order By William Walker It seems likely that humanity will be stuck in the nuclear age for some time to come. But will we survive it?*

**A Perpetual Menace: Nuclear Weapons and International ...**  
*A Perpetual Menace: Nuclear Weapons and International Order. By William Walker. Routledge, 2011, 256 pp. William Walker is a rare find: a humanist and elegant writer conversant with technical detail, as well as a specialist in nuclear proliferation who is intrigued by the subject of how power has been applied to create, maintain, and shape nuclear order.*

**Building a Nuclear Order | Arms Control Association**  
*Abstract: Nuclear weapon states historically have attached great secrecy to their nuclear weapon and fissile material production programs and stockpiles. Even before the atomic bomb had been fully developed, Niels Bohr was among the first to warn that such policies would fuel fears, handicap informed debate and decision-making, and drive arms races. As he put [...]*
