And may I be humble, Oh Father, To receive the favor of Your Presence Ever tuned to be communicated through me. Andrea M Jerozal is a woman of faith whose travels and experiences have led her to hear many life stories and tales of the heart, both at home and abroad. Consequently, she has learned that there is wisdom and beauty to be shared from the spiritual transformation and growth that emerges from suffering and living life with others. While lyrically weaving in her own joys and heartbreaks, Andrea shares simple, relatable verse that explores the triumphs and struggles that accompany reconciling the relationship of life with that of devoted faith. Within a platform that invites personal reflection, her poems bridge the natural and the sacred while helping believers and seekers connect to God in joy, lament, faith, and awe. Included is space to contemplate or meditate on applicable scripture and document feelings and personal prayers. Life In Psalm is an original collection of modern-day psalms guiding engaged readers to link the dots between life experiences and faith in God.

A Psalm for Us is Reyna "Biddy" Mays's soulful collection of prose, self-affirmations, spoken word poems, and short stories exploring questions of faith and self.

**This study identifies and describes the basic building blocks of a biblical psalm: the levels of colon, verse, strophe and stanza. In this study eleven psalms have been chosen with stanzas that are clearly demarcated by the presence of refrains. Seven of these are analysed thoroughly (Psalms 42-43, 46, 49, 56, 57, 59) and another four more briefly (Psalms 39, 67, 80, 99). This is a timely and closely argued statement of the importance of integrating structure and content in one's interpretation of a psalm.**

**In A Psalm for the Wild-Built, Hugo Award-winner Becky Chambers's delightful new Monk & Robot series gives us hope for the future. It's been centuries since the robots of Panga gained self-awareness and laid down their tools; centuries since they wandered, en masse, into the wilderness, never to be seen again; centuries since they faded into myth and urban legend. One day, the life of a tea monk is upended by the arrival of a robot, there to honor the old promise of checking in. The robot cannot go back until the question of "what do people need?" is answered. But the answer to that question depends on who you ask, and how. They're going to need to ask it a lot. Becky Chambers's new series asks: in a world where people have what they want, does having more matter? Brown. Perfect for fans of Tomi Adeyemi, Renée Ahdieh, and Sabaa Tahir. Karina lost everything after a violent coup left her without her kingdom or her throne. Now the most wanted person in Sonande, her only hope of reclaiming what is rightfully hers lies in a divine power hidden in the long-lost city of her ancestors. Meanwhile, the resurrection of Karina's sister has spiraled the world into chaos, with disaster after disaster threatening the hard-won peace Malik has found as Farid's apprentice. When they discover that Karina herself is the key to restoring balance, Malik must use his magic to lure her back to their side. But how do you regain the trust of someone you once tried to kill? As the fabric holding Sonande together begins to tear, Malik and Karina once again find themselves torn between their duties and their desires. And when the fate of everything hangs on a single, horrifying choice, they each must decide what they value most—a power that could transform the world, or a love that could transform their lives.*

A Psalm of Life, and Other Poems

A psalm of life, fourth verse. Holograph signed.

No American writer of the nineteenth century was more universally enjoyed and admired than Henry Wadsworth Longfellow. His works were extraordinary bestsellers for their era, achieving fame both here and abroad. Now, for the first time in over twenty-five years, The Library of America offers a full-scale literary portrait of America's greatest popular poet. Here are the poems that created an American mythology: Evangeline in the forest primeval, Hiawatha by the shores of Gitche Gumee, the midnight ride of Paul Revere, the wreck of the Hesperus, the village blacksmith under the spreading chestnut tree, the strange courtship of Miles Standish, the maiden Priscilla and the hesitant John Alden; verses like “A Psalm of Life” and “The Children’s Hour,” whose phrases and characters have become part of the culture. Here as well, along with the public antislavery poems, are the sparer, darker lyrics—“The Fire of Drift-Wood,” “Mezzo Cammin,” “Snow-Flakes,” and many others—that show a more austere aspect of Longfellow’s poetic gift. Erudite and fluent in many languages, Longfellow was endlessly fascinated with the byways of history and the curiosities of legend. As a verse storyteller he had no peer, whether in the great book-length narratives such as Evangeline and The Song of Hiawatha (both included in full) or the stories collected in Tales of a Wayside Inn (reprinted here in a generous selection). His many poems on literary themes, such as his moving homages to Dante and Chaucer, his verse translations from Lope de Vega, Heinrich Heine, and Michelangelo, and his ambitious verse dramas, notably The New England Tragedies (also complete), are remarkable in their range and ambition. As a special feature, this volume restores to print Longfellow’s novel Kavanagh, a study of small-town life and literary ambition that was praised by Emerson as an important contribution to the development of American fiction. A selection of essays rounds out of the volume and provides testimony of Longfellow’s concern with creating an American national literature. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation’s literary heritage by publishing, and keeping permanently in print, America’s best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

*Examines the contrast between truth and illusion in the teachings of modern esoteric philosophy, and points to a bright future. The author discusses the probationary struggle taking place in the soul of the movement founded by Helena Blavatsky. Consists of 28 chapters in three parts.*

Ever felt glad, sad, or mad and didn't quite know how to talk to God about it? How long since you have used something other than a "happy" psalm in corporate worship? A Psalm-Shaped Life explores how these ancient prayer-songs give us a vision of God and voice to respond to God in all of life, in its joys and sorrows. Psalms of all kinds have shaped the life of God's people for three thousand years. They can and should do so today, also. Reading and praying the Psalms individually and together puts us in a long line of men and women who have poured out their hearts to God using these ancient texts and have been shaped in doing so. A Psalm Shaped Life is a plea for regular and informed immersion in the Psalms, both individually and as a community.

I’ll Give You the Sun meets True Detective in this brilliant YA debut about saints, sisters, and learning to let go. Tess da Costa is a saint—a hand-to-god, miracle-producing saint. At least that’s what the people in her hometown of New Avon, Massachusetts, seem to believe. And when Tess suddenly and tragically passes away, her small city begins feverishly petitioning the Pope to make Tess’s sainthood official. Tess’s mother is ecstatic over the fervor, while her sister Callie, the one who knew Tess best, is disgusted—overcome with the feeling that her sister is being stolen from her all over again. The fervor for Tess’s sainthood only grows when Ana Langone, a local girl who’s been missing for six months, is found alive at the foot of one of Tess’s shrines. It’s the final straw for Callie. With the help of Tess’s secret boyfriend Danny, Callie’s determined to prove that Tess was something far more important than a saint; she was her sister, her best friend and a girl in love with a boy. But Callie’s investigation uncovers much more than she bargained for—a hidden diary, old family secrets, and even the disturbing truth behind Ana’s kidnapping. Told in alternating perspectives, A Psalm for Lost Girls is at once funny, creepy and soulful—an impressive debut from a rising literary star.

In the first biography of Longfellow in almost fifty years, Charles C. Calhoun seeks to solve a mystery: Why has one of America's most famous writers fallen into oblivion? His answer to this question takes us through a life story that reads like a Victorian family saga and reveals the man who introduced Americans to the literatures of other countries while creating a gallery of American icons - among them Paul Revere, John and Priscilla Alden, Miles Standish, the Village Blacksmith, Hiawatha, and Evangeline.
