*Delta VFD040C43E. The VFD-C2000 series is a high performance FOC (Field Oriented Control) AC drive. This drive is extremely versatile with a real built-in PLC, numerous control options, over 300 parameters, predesigned application features, and a large LCD HMI keypad. These features coupled with input voltages of 230/460vac and a HP range of 1-800 make the C2000 a product for markets around the globe.*
