Abstract. The central problem in the study of addiction is to explain why people repeatedly behave in ways they know are bad for them. For much of the previous century and until the present day, the majority of scientific and medical attempts to solve this problem were couched in terms of involuntary behavior; if people behave in ways they do not want,

Where To Download Addiction And Choice Rethinking The Relationship

then this must be because the behavior is beyond their control and outside the realm of choice.

...

Two polarised views of addiction, and the seemingly endless dispute between them, go way back. The 'moral' view, emerging from pre-industrial times, is that what we would now call addictive behaviour

Where To Download Addiction And Choice Rethinking The Relationship

represents a free choice, similar to all the other apparently autonomous choices people make every day and are fully responsible for.

Rethinking addiction | The Psychologist

This chapter is a contribution to a volume, *Addiction and Choice*, edited by Nick Heather and Gabriel Segal that is forthcoming from Oxford University Press. Some claim that addiction is a chronic and relapsing brain disease; others claim that it is a product of choice; yet others think that addictions have both disease and choice aspects. Which of

these views holds sway in a particular domain enormously influences how that domain treats addictions.

"Addiction, Choice and Criminal Law" by Stephen J. Morse

There has been an increasing recognition in recent literature on addiction that restricting possible conceptions of it to either of these extreme positions is unhelpful and is retarding progress on understanding the nature of addiction and what could be done about it.0This book contains a range
