~~By Andrew Hanson, March 10, 2016: The period 1894 to 1921 is generally regarded by historians as the pioneer period of Adventist mission work in southern Africa. In 1894 Solusi Mission, the first outreach to native Africans, was established and by 1920, when the white South African Union Conference became the Southern African Union Conference of the African Division with 11 native missions, the Adventist ministry among native peoples was considered established.~~
