lated from other parts of the world and thus periph-eral to world history. Third, Africans were defined as childlike—not fully mature (as opposed to Europe-ans). Such a characterization was a critical element in the paternalistic justification of European authority, first in the context of slavery and later in the imposi-tion of colonial rule.

Introduction: Africa’s Role in World History

In 1936, 2 Battalion was raised once again in anticipation of World War II and when war finally broke out in 1939 a third battalion was formed. The 1st Transvaal Scottish took part in the Allied offensive during the East African Campaign in order to take Italian East Africa (modern day Ethiopia and parts of Somalia).
