With Keira finding death on her door, she is suddenly plunged into a world of the unknown and has to face it alone... Or does she? Soon this new life is filled with heartache, with shadowed followers and cryptic messages that only promises to lead her deeper into the world of the supernatural like never before. For Keira, even taking a breath without the other half of her soul is painful. So when given the choice to either accept what life the fates have decided she live, or to force that life behind her and accept the dangerous journey ahead, the answer is easy... She will fight to save the man she loves. But this fight includes Heaven and Hell in search of the truth, a truth that will either set her heart free or be destroyed on the other side. Are the fates really to be trusted?

From the author of "Spellbound, From the Mist" and "The Enchanted Land" comes the story of an artist and the ruler of a lost world who find love despite the secrets conspiring to keep them apart. "One of the stalwarts of futuristic romance!"--"Romantic Times".

The end of days might be over for our newlyweds, but the dark nights are closing in, and what lies waiting in the shadows is what even nightmares are afraid of. Because the King of Hell is back, and now he has a new bride to keep hidden from the world below... A world that shows no mercy, right along with one of their rulers. Could it really be that Draven is keeping secrets from Keira? And if so, how is she ever to reach him when he is hiding in plain sight? A Demon King has finally returned home, and this time... There isn't an Angel in sight.

The plan was simple, step into Hell, find some infected roots, try my hand at fixing them, and then it was well done, Amelia, you saved the day! But I didn't bargain on a few factors set against me, the most obvious being that this... well this was Hell. And in this realm of Hell there were rules, there was a hierarchy, and as for me, I was at the bottom of it. A dangerous place to be, especially when the man at the top was known as a tyrant king. A heartless, cold and ruthless ruler. Oh, and one more thing... he just so happened to be my boyfriend. And he was... furious with me.

Which meant I now had a choice to make. Let the Beast destroy all the realms or find myself a date. Because now the fate of the world rested upon my shoulders. Relied on me to find the one mortal vessel strong enough to contain the Beast, by merging their souls as one. There was just one problem with this. I had made a Beast fall in love with me. And now... Now, I just hoped I had the same luck with Adam... The man I just fell madly in love with.

Time. Truth. Life. 'There is weakness in all when lies are told but the strength in each is what we must behold.' didn't intend for it to happen this way. But then again, I never did. No, it was what others had intended for me that was the problem and this had all started yet again with a witch and a double cross. We had made it to the portal, only a trip back to Lucius' Kingdom wasn't on the cards. Because now we were to face a new enemy, one with a handsome face, a killer smile and a land full of Dragons! Now we had once again been pushed down the rabbit hole, and this was as far from Wonderland as you can get! For we were not in Kansas Hell anymore. No, this was the Elemental Realm of Fae and here, there was one ruler who knew I was coming. In fact... He was counting on it.

"Don't do it, Annika," he taunted. His eyes were no longer bright and charming but dark and intense, yet they still twinkled. He was tempting, but was he harmful?Aspiring rock star Annika Brisby thinks she knows where her life is going until she steps through a broken portal that leaves her stranded in a realm of fairies, vampires, and other mythical beings. Unable to return until it's repaired, she's rescued by wood nymphs who believe her sudden arrival is no accident.After being taken in by a prominent family of elves, Annika finds herself struggling to resist the seductive spell of their youngest son,Talvi. Equal parts arrogant and alluring, the notorious heartbreaker seems like the perfect distraction for her homesickness. Her new friends warn her that she'll probably regret ever laying eyes on him, and what begins as a casual fling quickly burns too hot to handle. By the time Annika learns the consequences of their forbidden trysts, Talvi's already under her skin and dangerously close to her heart. But on the journey home she discovers that there's a mountain of secrets that he's not telling her, and Annika can't help wondering who's really in danger.You'll enjoy this edgy & dark blend of New Adult Romantic Fantasy and Paranormal Romance if you're a fan of Laurell K. Hamilton, Kresley Cole, Donna Grant, Charlaine Harris, Karen Marie Moning, Jeanine Frost, J.R. Ward and Lynsay Sands.

I knew the moment my soul burned. I knew the moment the Wraith of Fire had touched me. And now... Was it really so hard for the Heavens to produce some white light? But no, not even just a warm glow at the end of some graffitied tunnel and as for Pearly Gates, well they

wouldn't be opening for me any time soon! Because I wasn't where I was supposed to be. And I could forget all my jokes about falling into Wonderland and Oz and seeing any of those fuzzy fellas from Narnia, because no amount of wishing that my life was a fairy tale would make it so. Not when I was caught in this nightmare world. One where I was to be terrorised by its ruler for an eternity. A tyrant King that wanted a new game to play. One I had no chance of winning. Not when it was my heart, that was on the line.

It all started with that night. The night I made my biggest mistake. The night I entered their world. The day I snuck into the infamous Devil's Ring Fight Club. I had followed my cousin Amelia, who turned out not to be quite as innocent as I first believed. In fact, it turned out she didn't live in the same world as I did... Not at all. I knew this the moment I entered his kingdom. My world changed the moment he found me. He gave me a warning that night. He told me if he ever found me again then next time, he wouldn't be so quick in letting me escape him. His little Red Riding Hood. It was a threat I took seriously as it was only my dreams that took me back to that place. That took me back to him. That was until they came for me. The Hell Hounds that infiltrated my peaceful world and started the hunt. And there was only one man I knew that had the power to stop them. And my price to pay, was the promise he made me. That if he ever found me in his demonic fight club again... He was keeping me. Meaning I only had two choices left, to become the hunted or to make a deal with Hell's greatest Hunter... Her naive little heart destroyed after one painful night, when she sneaked into his Gothic nightclub, Transfusion. Seven years ago, he humiliated her, casting her aside and telling her just what he thought about her little obsession with him. Then he saved her life. Well, now he is back and this time he is out for blood, and all she can hope for is that it isn't hers that's on the menu. Because she is just your typical, ordinary, everyday girl who works and lives in London. Even if she is trying to make it on her own without the safety of her family. However, growing up knowing of the supernatural world and being human definitely has its draw backs. Especially when a certain Vampire King has her in mind for a date, and his dominant and forceful ways are sending her re-ignited obsession with him into overdrive. But he does like her... doesn't he?

After facing her nightmares head on, Keira soon finds her troubles have only just begun, and if she thought mortals were dangerous, then being hunted by the world's most powerful beings will spin her further into a web of supernatural destruction. The controlling man that follows her every move isn't the man she's dating, but the man that's hunting her. belongs to only one man... Dominic Draven. Will the fight for their love be enough to survive the new world she is forced to live in? And more importantly, can she survive being with the King of the Afterlife?!

Afterlife, just a place for an unhappy King to call home or soon to become a beacon of hope when a new waitress falls at his feet? The Gothic nightclub is about to welcome a new guest and this time it is one he can't control. As for Dominic Draven, the King of all Supernatural life, handling just one little Mortal named Keira, should be no problem for him...right?Wrong! As she is his Chosen One and not meant to be ruled by a domineering, overbearing, arrogant boss who is determined to keep her at arm's length. High-speed chases, running from Hellhounds, fighting witches, opening boxes that threaten the entire Vampire race, and stabbing bitches with my shoes. But hey, at least I get to wear a pretty dress on my date. Now all I can hope for is that it isn't one where people end up shooting at us again. That would be nice. And all this was because I fell in love with a Vampire King... A Vampire King, who claimed me.
