

All James Bond Movies Roger Moore

'Catching Bullets' is a love-letter to James Bond, Duran Duran title sequences and bolting down your tea quick enough to watch Roger Moore falling out of a plane without a parachute. Out of print for over forty years, The 007 Diaries introduces Roger Moore's James Bond Diary to a new generation of fans. To tie in with the release of his first James Bond film, Live and Let Die, Roger Moore agreed to keep a day-by-day diary throughout the film's production, which would be published just ahead of the premiere in July 1973. From his unveiling as the new 007 in 1972 through to his first scenes on location in New Orleans and his final shot in New York, Moore describes his whirlwind journey as cinema's most famous secret agent. Taking in the sights of Jamaica before returning to Pinewood Studios, Moore's razor wit and unique brand of humour is ever present. With tales from every location, including his encounters with his co-stars and key crew members, Moore offers the reader an unusually candid, amusing and hugely insightful behind-the-scenes look into the world's most successful film franchise.

The James Bond Franchise has been on TV for almost six decades. Whether you love the scene played by veteran actor Sean Connery, Roger Moore, Pierce Brosnan or the sexy Daniel Craig or the whole lot of others, you have to admit that they all delivered amazing cinematography and acting that made us want to be spies. And besides who wouldn't want to that popular line in all the movies, "the name is Bond, James Bond". While we marvel at extraordinary way, he played each part with such excellence, you must be wondering how good his diet was to give him enough strength to perform all those stunts we could never get enough of. Well you are in luck, below are some of James Bond's movies over the years with a list of ingredients to get you cooking. In a career that spans over seven decades, Roger Moore has been at the very heart of the show business scene. Of course, he's an actor and has starred in films that have made him famous the world over; but he's also a tremendous prankster, joker and raconteur - in fact, he's well known as one of the nicest guys in the business, and someone who has always been up for some fun. In this fabulous collection of true stories from his stellar career, Roger lifts the lid on the movie business, from Hollywood to Pinewood. It features outrageous tales from his own life and career as well as those told to him by a host of stars and filmmakers, including Tony Curtis, Sean Connery, Michael Caine, David Niven, Frank Sinatra, Gregory Peck, John Mills, Peter Sellers, Michael Winner, Cubby Broccoli and many more. Wonderfully entertaining and laugh-out-loud funny, Last Man Standing: Tales from Tinseltown is selection of tales from the world of the movies is vintage Moore at his very best.

Bond vs. Bond: Revised and Updated

Social Q's

Alphabetically-arranged entries provide information on cast members, characters, vehicles, gadgets, plots, villains, and locations for all the James Bond films.

Breaking Down Six Decades of James Bond Movies #1 New Release in Action & Adventure Movies & Video, and Movie Reference Hosts Mike Kalinowski and Brad Gilmore team up in this comprehensive examination of the longest running film series in the history of cinema. In Bond, James Bond, they explore the cinematic history of the James Bond collection to celebrate everything it got right and reflect on everything it got wrong. The complete cinematic biographies of James Bond. Since his initial portrayal by Sean Connery, James Bond has become a timeless icon worldwide. Now, comes the first-ever era-by-era breakdown of the much loved international spy—on and off the silver screen. Following the men who portrayed James Bond—Daniel Craig, Pierce Brosnan, Timothy Dalton, Roger Moore, and Sean Connery—readers will discover the characteristics that made him resonate, as well as the less glamorous relics that made him evolve. For fans of the Ian Fleming James Bond novels and movies. Cinephiles and fans can finally unscramble some of the best action movies of all time. Covering everything from cars to court cases, Bond, James Bond looks at the evolution of the 007 movies from all angles. Featuring bonus chapters on Bond women and musical scores, inside, you'll also find: • The origins of 007 in the early James Bond books • Off-screen politics, drama, and movements that shifted the series trajectory • The "other" James Bond, comic books, and animated series If you're looking for Father's Day gifts, gifts for men, or James Bond gifts—and enjoyed books like Some Kind of Hero, Nobody Does it Better, or Shaken—then you'll love Bond, James Bond.

The Bond movies remain the longest continually running film series in movie history. As the over 1 billion dollar worldwide take of last year's Skyfall showed, James Bond remains an iconic and beloved franchise. While there have been other actors that have taken on the coveted role of James Bond, one of the most renowned and beloved 007s, is the charming and charismatic Sir Roger Moore. To celebrate these films and their cultural heritage, Roger Moore has written a book that features all the Bond movies, along with a wonderfully witty account of his own involvement in them. From the girls to the villains, the cars to the cocktails, the gadgets, locations and everything else, this beautiful book is illustrated with hundreds of iconic images from all the films plus many previously unseen photos from the Bond archive. This is the ultimate James Bond book, written by the ultimate insider, with all the affection and good humor Moore brought to the role. It is the perfect gift for all fans of these much loved films

The Many Lives of James Bond offers the largest ever collection of original interviews with actors who have played Bond in different media, as well as in-depth interviews with many of the diverse artists who have contributed their talents to the making of James Bond movies, television shows, novels, radiodramas, comic books, theme park rides, and video games. These wide-ranging interviews provide a behind-the-scenes look at the artists' goals, the challenges they faced, and how they met them.

Connery. Lazenby. Moore. Dalton. Brosnan. Craig. Who is your favorite Bond? Whether you prefer Sean Connery to Roger Moore or Daniel Craig to Pierce Brosnan, you'll find every incarnation of the debonair spy in this unofficial comprehensive guide. Revised and updated, this paperback edition of *Bond vs. Bond* includes the 2020 movie *No Time to Die*, along with speculation about the future of Bond, James Bond. In *Bond vs. Bond*, author Paul Simpson delves into all the various ways Ian Fleming's iconic British Secret Service agent—code name 007—has been interpreted through the years, from the books and movies to the guns and gadgets. Discover the femme fatales who only appear in the movies but not the books; why Ian Fleming himself once described the Bond character as "ruthless and self-indulgent"; and much more. Loaded with interesting facts about the extraordinary history and continuing popularity of Bond, this is definitely a book that no fan should be without.

THE JAMES BOND MOVIES OF THE 1980s A survey of the series of James Bond films of the Eighties, which included *The Living Daylights*, *License To Kill*, *For Your Eyes Only* and *Octopussy* (as well as the Sean Connery film *Never Say Never Again*). The Bond movies have long been considered among the most popular and successful of British movies, and have also come to be regarded as a useful barometer of Western geopolitical attitudes throughout the series' long-running duration. This new book from Thomas A. Christie takes a look at all of the James Bond movies produced during the 1980s, and investigates the series' changing approach to its subject matter during this most socially turbulent of decades. Moving from the East-West tension plotlines of the later Roger Moore James Bond films (such as *A View To a Kill* and *Octopussy*), into a conscious deviation towards less conventional subject areas during the Timothy Dalton era (*License To Kill* and *The Living Daylights*), Bond's evolving role as a Cold War hero is examined in order to ascertain just how the character was adapted to meet the demands of rapidly changing world affairs. The Eighties saw a more nuanced approach to the Iron Curtain in comparison to earlier films in the James Bond series, with the films covering topics as wide-ranging as free-market capitalism and the home electronics boom, and the movie producers' ongoing efforts to ensure the cycle's continuing relevance to contemporary audiences are considered in detail. Drawing on statistical data and a wide range of research material, *The James Bond Movies of the Eighties* considers issues such as the films' cultural impact, the series' radical shifts in style, and its often subtle approach to issues of ideology both domestic and international. Assessing this multifaceted era of the Bond series, this book evaluates differences in contemporary critiques and asks to what extent these motion pictures succeeded in charting the seismic shifts in the global balance of power which took place during that eventful period of history. Fully illustrated, featuring film posters and stills from the movies (and toys and merchandizing). Bibliography and notes. 344pp. ISBN 9781861714855. Clothbound edition, in blue cloth embossed with gold letters, and a flyleaf cover. www.crmoon.com ABOUT THE AUTHOR: Thomas Christie is the author of *Liv Tyler, Star in Ascendance: Her First Decade in Film* (2007), *The Cinema of Richard Linklater* (2008), *John Hughes and Eighties Cinema* (2009), *Ferris Bueller's Day Off: Pocket Movie Guide* (2010) and *The Christmas Movie Book* (2011), all of which are published by Crescent Moon Publishing. There's no better time to rediscover James Bond. Sir Hugo Drax is a multi-millionaire tycoon and war hero, revered by the British public for his Moonraker missile defence programme. So why does he risk destroying his reputation and the future of the Moonraker programme by gambling millions of pounds at the card table, and is there something suspicious about his winning streak? As 'the best card-player in the service', Bond is called in to uncover the answers. But as 007 probes deeper into the activities at the Moonraker base, he discovers that there is more to the mysterious Drax his project than simply cheating at cards... 'Bond is a hero for all time'

Jeffrey Deaver

'a book you simply must read if you're a fan of movies, James Bond or Roger Moore' *Movies in Focus* 'Owen writes with wit, affection and poignancy . . . Highly recommended' *From Sweden with Love* 'a breezy, enjoyable read that takes few sittings to get through . . . The affection and energy with which *Raising an Eyebrow* has been written is intoxicating' *Entertainment Focus* Having taken on the role of Roger Moore's executive assistant in 2002, Gareth Owen became the righthand man to an icon, as well as his co-author, onstage co-star and confidant. Gareth was faithfully at Roger's side for fifteen years until his passing in 2017. In *Raising an Eyebrow*, Gareth Owen recounts his times with Roger Moore and gives a unique and rare insight into life with one of the world's most beloved actors. For all his celebrity, Roger Moore was quite reserved; in interviews he rarely spoke about himself, much preferring to tell fun tales about others. But his trusted sidekick was with him throughout his worldwide travels, his UK stage shows, his writing process and his book tours, and as he received his Knighthood. There were genuinely hilarious, heartfelt and extraordinary moments to be captured and Gareth Owen was there to share them all.

The World of 007

In this warm and engaging book, the late, great Sir Roger Moore reflects on life and ageing. Delivered, along with his own hand-drawn sketches, by the publisher shortly before he passed away, in *À Bientôt*, Roger looks back on his life - and gives it his trademark sideways glance, too. Not only charming and, most importantly, very human, his reflections on age and ageing encompass all aspects of this universal experience, from childhood and 'what might have been'; keeping abreast of the ever-changing times; senior moments, memory and getting to grips with the joys - and frustrations - of travel; work and play. Along with these he tells of the intense happiness - and some equally intense sad moments in life. Featuring his own sketches throughout, this book sees Roger at his most open and forthright. The true stories and situations he shares in this warm and intimate book reveal a 'Bond Unbound', the human being inside the action-adventure character that made him so famous the world over. Always upbeat and - as ever - endearingly self-effacing and unpretentious, in *À bientôt* he shares the joys he experienced every day along with the triumphs that life brings to us all at the most unexpected times.

A series of whimsical, briskly paced essays by the popular New York Times "Social Q's" columnist provides modern advice on navigating the moral waters, sharing recommendations for such everyday situations as texting on the bus to splitting a dinner check. By the author of *Bond On Bond*. Updated to include the road to Bond 25 For over 50 years, Albert R. Broccoli's Eon Productions has navigated the ups and downs of the film industry, enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series. Latterly, this family-run franchise has been crowned with box office gold and recognised by motion picture academies around the world. However, it has not always been smooth sailing. Changing financial regimes forced 007 to relocate to France and Mexico; changing fashions and politics led to box office disappointments; changing studio regimes and business disputes all but killed the franchise. And the rise of competing action heroes has constantly questioned its place in popular culture. But against all odds the filmmakers continue to wring new life from the series, and 2012's *Skyfall* saw both huge commercial success, crowning 007 as the undisputed king of the action genre. Now, with Daniel Craig back for a fifth turn as Ian Fleming's hero in October 2019, Bond's reign shows no signs of diminishing. *Some Kind of Hero* recounts this remarkable story, from its origins in the early 1950s through to the present day, and draws on over a hundred unpublished interviews with the cast and crew of this iconic series.

Bond On BondReflections on 50 years of James Bond MoviesLyons Press

The James Bond universe is greater than you might think. Even if you have seen all the movies and devoured Ian Fleming's books, there is much more to discover about 007. There is a fascinating galaxy of Bond adventures that have been "lost" or unmade, out-of-print, or forgotten by even the most dedicated Bond fan. Through his probing interviews with their creators in *The Lost Adventures of James Bond*, Mark Edlitz uncovers different scenarios for Timothy Dalton's abandoned third and fourth Bond movies, questions Toby Stephens about playing 007 on the radio, delves into the unproduced *Casino Royale* play,

and exposes the secret history of James Bond Jr, the animated series about 007's nephew. Edlitz also solves a long-standing Bond mystery, investigates the cheeky commercial which inserts Daniel Craig into a Roger Moore-style escapade, and reveals the story behind Sean Connery's lost Bond performance. These and other projects are revealed in this vastly entertaining and enlightening book. Using never-before-seen photographs, Edlitz uncovers a wealth of unexplored lore. The Lost Adventures of James Bond is a must for any Bond fan.

One of the most recognizable big-screen stars of the past half-century, Sir Roger Moore played the role of James Bond longer than any other actor. Beginning with the classic *Live and Let Die*, running through *Moonraker* and *A View to a Kill*, Moore brought his finely honed wit and wry charm to one of Hollywood's most beloved and long-lasting characters. Still, James Bond was only one in a lifetime of roles stretching back to Hollywood's studio era, and encompassing stardom in theater and television on both sides of the Atlantic. From *The Saint* to *Maverick*, Warner Brothers to MGM, Hollywood to London to extreme locations the world over, Roger Moore's story is one of the last of the classic Hollywood lives as yet untold. Until now. From the dying days of the studio system and the birth of television, to the quips of Noël Coward and David Niven, to the bedroom scenes and outtakes from the Bond movies, Moore has seen and heard it all. Nothing is left out—especially the naughty bits. The "special effects" by which James Bond unzipped a dress with a magnet; the spectacular risks in *The Spy Who Loved Me*'s opening scene; and Moore's preparation for facing down villains (he would imagine they all have halitosis): the stories in *My Word is My Bond* are priceless. Throughout his career, Moore hobnobbed with the glamorous and powerful, counting Elizabeth Taylor, Jane Seymour, and Cary Grant among his contemporaries and friends. Included are stories of a foul-mouthed Milton Berle, a surly Richard Burton, and a kindhearted Richard Kiel, infamous as Bond enemy Jaws. As much as it is Moore's own exceptional story, *My Word is My Bond* is a treasure trove of Hollywood history.

Wonderfully entertaining and laugh-out-loud fu

Roger George Moore was born in England on 14th October 1927. He was born to George Alfred Moore, who served in Police force, and Lillian Lily Pop. The turning point in his life was when his father started investigating a robbery at the house of film director Brian Desmond Hurst who then hired Roger Moore for the movie "Caesar and Cleopatra" (1945). This incident pave the events for the movie lovers to get gifted by his performance, after he inherited the title of 'James Bond' from another Bond legend - Sean Connery. Roger Moore was the actor who played the most number of James Bond movies. Roger passed away battling cancer at the age of 89, losing the title of the oldest actor who portrayed James Bond. This book 'Roger Moore Quotes: Words of a James Bond' is the biggest quotes collection of Roger Moore. Read this and recognize how the Bond was thinking outside the Bond character.
