Animal Protection Laws of Singapore and Malaysia - cat ...
Law 18 of 2009 includes a brief section on animal welfare, by which four provisions create the framework of protection for animals. Article 66(1) creates a duty of care in requiring that measures are taken in the interest of animal welfare in relation to the reasonable treatment and tender care of animals, in relation to listed activities including capture, husbandry, slaughter and transport.

Indonesia | World Animal Protection
Abstract. Singapore has fairly powerful animal protection laws. In practice, however, these laws are only powerful to the extent that they are actually enforced. In Singapore, the low number of prosecutions for animal cruelty is a cause for serious concern. While there can be a myriad of reasons for this phenomenon, this paper argues that one primary cause is the insufficient understanding of what amounts, or may amount, to cruelty at law.
