"In prose as painterly and evocative as Chagall's own dazzling brushstrokes, Gloria Goldreich finely evokes one of the most significant masters of modern art through the discerning eyes of [his] loyally protective daughter."—"Cynthia Ozick, award-winning author of Foreign Bodies
Beautiful Ida Chagall, the only daughter of Marc Chagall, is blossoming in the Paris art world beyond her father's controlling gaze. But her newfound independence is short-lived. In Nazi-occupied Paris, Chagall's status as a Jewish artist has made them all targets, yet his devotion to his art blinds him to their danger. When Ida falls in love and Chagall angrily paints an empty wedding chair (The Bridal Chair) in response, she faces an impossible choice: Does she fight to forge her own path outside her father's shadow, or abandon her ambitions to save Chagall from his enemies and himself? Brimming with historic personalities from Europe, America and Israel, The Bridal Chair is a stunning portrait of love, fortitude, and the sharp divide between art and real life. "Only Gloria Goldreich could write a novel so grounded in historical truths yet so exuberantly imaginative. The Bridal Chair is Goldreich at her best, with a mesmerizing plot, elegant images, and a remarkable heroine who...will remain with you long after the last page."—Francine Klagsburn, Jewish Week columnist and acclaimed author of Voices of Wisdom

BIRTHDAY GIRLS is Annabel Giles' sparkingly compulsive debut. Set on six different birthdays, and dealing with six different women who are all connected to each other, though they don't all realise it, the story opens with Scarlett, on her 10th birthday, and closes with Constance, on her 60th birthday. Funny, tragic and engrossing, BIRTHDAY GIRLS is a must-read book from a major new voice in women's fiction.

Annabel Williams is a leading exponent of today's more contemporary, relaxed and ever-popular wedding and portrait style. In this, her illuminating and personal guide to photography, Annabel addresses not only the technical aspects of the craft, but also reveals new and innovative ways of working and marketing your photographs. Rather than a traditional 'boys' toys' photography book on gadgets, lights and filters, Annabel introduces methods of working which give the photographer unprecedented freedom to produce commercially successful, natural-looking pictures. The Annabel Williams Book of Wedding and Portrait Photography reveals how to cover all aspects of a wedding or compose a portrait in a modern style that will appeal to every generation.

Traces the evolution of the wedding dress from the past to the present day - Gives insight into the bridal fashions and romantic values of previous generations and people in various cultures._____

THE STORY OF THE SAVOY HOTEL'S FOUNDERS, THROUGH A CENTURY OF LUXURY. "For The Gondoliers-themed birthday dinner, the hotel obligingly flooded the courtyard to conjure the Grand Canal of Venice. Dinner was served on a silk-lined floating gondola, real swans were swimming in the water, and as a final flourish, a baby elephant borrowed from London Zoo pulled a five-foot high birthday cake."
In three generations, the D'Oyly Carte family pioneered the luxury hotel and the modern theatre, propelled Gilbert and Sullivan to lasting stardom, made Oscar Wilde a transatlantic celebrity, inspired a P. G. Wodehouse series, and popularised early jazz, electric lights and Art Deco. Following the history of the iconic Savoy Hotel through three generations of the D'Oyly Carte family, The Secret Life of the Savoy revives an extraordinary cultural legacy. 'A real triumph, beautifully written, with many wonderful stories of the Savoy.' - Lady Anne Glenconner, author of Lady in Waiting
'An elegantly crafted, yet spritely and sparkling book, perfectly befitting its subject. Williams uses group biography to beautifully illuminate some of London's greatest hotel and theatre landmarks.'
Ophelia Field, author of The Favourite
'A thoroughly entertaining account of some of London's most treasured history, with its beloved The Savoy at the heart of a fascinating and delightful plot. Bravo to Olivia Williams and her fantastically colourful cast of characters.' - Lady Kinvara Balfour, director and producer
'A cracking good read and a fascinating story that - amazingly - has not been told before.'
Fiona Duncan, the Telegraph
'This is a fascinating story, and it could not be better told. Elegant, great fun, and with a finely-judged personal touch: much like the Savoy hotel itself.' - Laura Thompson, bestselling author of Agatha Christie and The Mitford Sisters

Hands-On Fun in the Kitchen for Under 4s

From the prize-winning author of Supper Club comes a wickedly funny and slyly poignant new satire on modern life. For fans of Sally Rooney, Ottessa Moshfegh, and Convenience Store Woman, Ingrid works on a gargantuan luxury cruise liner where she spends her days reorganizing the gift shop shelves and waiting for long-term guests to drop dead in the aisles. On her days off, she disembarks from the ship, wasting the hours aimlessly following tourists around, drinking the local alcohol, and buying clothes she never intends to wear again. It's not a bad life. At least, it distracts her from thinking about the other life—the other person—she left behind five years ago. That is, until the other ship is selected by the ship's enigmatic captain and (ill-informed) wabi sabi devotee, Keith, for his mentorship program. Encouraging her to reflect on past mistakes and her desperation to remain lost at sea, Keith pushes Ingrid further than she ever thought possible. But as her friendships and professional life onboard steadily fall apart, Ingrid must ask herself: how do you know when you have to go? Utterly original, mischievous, and thought-provoking, The Odyssey is a merciless takedown of consumer capitalism and our anxious, ill-fated quests to find something to believe in. It's a voyage that will lead our heroine all the way home, though she will do almost anything to avoid getting there.

A magnificent biography of one of the most protean creative forces in American entertainment history, a life of dazzling highs and vertiginous plunges—some of the worst largely unknown until now—by the acclaimed author of Pictures at a Revolution and Five Came Back
Mike Nichols burst onto the scene as a wunderkind; while still in his twenties, he was half of a hit improv duo with Elaine May that was the talk of the country. Next he directed four consecutive hit plays, won back-to-back Tonys, ushered in a new era of Hollywood moviemaking with Who's Afraid of Virginia Woolf?, and followed it with The Graduate, which won him an Oscar and became the third-highest-grossing movie ever. At thirty-five, he lived in a three-story Central Park West penthouse, drove a Rolls-Royce, collected Arabian horses, and counted Jacqueline Kennedy, Elizabeth Taylor, Leonard Bernstein, and Richard Avedon as friends. Where he arrived is even more astonishing given where he had begun: born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he was sent along with his younger brother to America on a ship in 1939. The young immigrant boy caught very few breaks. He was bullied and ostracized—an allergic reaction had rendered him permanently hairless—and his father died when he was just twelve, leaving his mother alone and overwhelmed. The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe—the acute powers of observation that first made him famous; the nourishment he drew from his creative partnerships, most enduringly with May; his unquenchable drive; his hunger for security and status; and the depressions and self-medications that brought him to terrible lows. It would take decades for him to come to grips with his demons. In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood, Mark Harris explores, with brilliantly vivid detail and insight, the life, work, struggle, and passion of an artist and man in constant motion. Among the 250 people Harris interviewed: Elaine May, Meryl Streep, Stephen Sondheim, Robert Redford, Glenn Close, Tom Hanks, Candice Bergen, Emma Thompson, Annette Bening, Natalie Portman, Julia Roberts, Lorne Michaels, and Gloria Steinem. Mark Harris gives an intimate and evenhanded accounting of success and failure alike; the portrait is not always flattering, but its ultimate impact is to present the full story of one of the most richly interesting, complicated, and consequential figures the worlds of theater and motion pictures have ever seen. It is a triumph of the biographer's art.
