

receiving only tuning and minor adaptations in order to stay eligible. Therefore, manufacturers must produce (at least) an agreed number of the models for sale so that their superbike can enter these competitions. Generally profile, appearance and frame must stay the same, although wheels, brakes, suspensions and swingarm may vary. But for look and feel, your ride can get very close. So, for instance, you, too, like the great Max Biaggi, can ride bikes such as the Aprilia RSV4 1000 or the Factory model, the successor to the Aprilia RSV1000R, on which he became Superbike World Champion in 2010 and 2012 respectively.

The Definitive Visual History

"Les époques s'emparaient de nos volontés. Des siècles avaient passé. Nous avions connu l'éternité de la jeunesse. Tout le reste n'était qu'illusion. Je filais dans la nuit sur une moto ultra-rapide par l'avenue du Parc, en direction du mont Royal. Je voyais des lueurs dans les arbres. Elles nous avaient rejoints, peu à peu, depuis le temps que nous les observions, les appelant presque à y croire, les recherchant à travers le temps, depuis le fond des âges..." Des lueurs étranges cachées dans les arbres apparaissent de façon récurrente, mais que sont-elles ? Le signe d'un changement ? D'une nouvelle ère à l'heure de la colonisation de Mars ? Suite directe du voyage entamé avec On marchait au petit jour, le nouvel opus de Frédéric Delalot nous renvoie quelque part, dans quelque avenir cybernétique, des années quatre-vingt au crépuscule du XXIe siècle, convoquant tour à tour Paris et Montréal, nostalgie et flashs futuristes. Un univers poétique et singulier qui interroge la place de l'être dans le temps et l'espace.

A superb collection of over 300 mean machines Packed with motorcycles, from vintage bikes to the latest BMW, Yamaha and Honda superbikes, Hot Bikes is a revved-up collection that will delight bikers and motorbike enthusiasts alike. Enjoy a selection of the most important motorcycles handpicked by Bike magazine editor Hugo Wilson.
