Seminar paper from the year 2016 in the subject American Studies - Literature, grade: 1,0, University of Kassel (Anglistik/Amerikanistik Literaturwissenschaft), course: Visions of India, language: English, abstract: The guiding question of this paper is how Balram justifies his criminal acts and on which moral concept he bases his decisions. In the course of this paper, I will attempt to show that the protagonist is a gritty anti-hero who does not act in accordance to dharma and reinvents his own concept of morality. The first chapter will give a brief explanation of dharma, one of the four purushartas, a significant concept in Indian philosophy, especially in Hinduism when talking about morality. "Dharma is inextricably linked with the ethos of India and the entire personal, social, ecological, and spiritual life is guided by it for ultimate liberation" (Mathew, 2015:131). In the following chapter, the criminal acts committed by the protagonist and the circumstances and reasons leading to it will be analyzed in terms of morality, taking the concept of dharma into consideration. This chapter underlies the difficulty of how to cope with the paradox issue of the protagonist being a murderer and a victim at the same time. Subsequently, the strategies employed by the protagonist to justify his immoral acts will be discussed in detail, attempting to find out how Balram distinguishes between right and wrong. Firstly, the depiction of other humans in the novel will be examined since the narrator strategically portrays them as being immoral and corrupt in order to comparatively put himself on a higher level. Secondly, his heroic self-image will be analyzed, considering his name 'the white tiger'. The third subchapter will focus on how the protagonist employs the metaphor of the rooster coop as a justification for the murder, taking the consequences of the murder into account and discussing Balram's ultimate aims.

World Bank literature is more than a concept -- it is a provocation, a call to arms. It is intended to prompt questions about each word, to probe globalization, political economy, and the role of literary and cultural studies. As asserted in this major work, it signals a radical rewriting of academic debates, a rigorous analysis of the World Bank and the International Monetary Fund (IMF), and a consideration of literature that deals with new global realities. Made more relevant than ever by momentous antiglobalization demonstrations in Seattle and Genoa, World Bank Literature brings together essays by a distinguished group of economists, cultural and literary critics, social scientists, and public policy analysts to ask how to understand the influence of the World Bank/IMF on global economic power relations and cultural production. The authors attack this question in myriad ways, examining World Bank/IMF documents as literature; their impact on developing nations; the relationship between literature and globalization; the connection between the academy and the global economy; and the emergence of coalitions confronting the new power. World Bank Literature shows, above all, the multifarious and sometimes nefarious ways that abstract academic debates play themselves out concretely in social policy and cultural mores that reinforce traditional power structures.

Her journey begins with a disaster when she is thrown from a boat into crocodile-infested waters. Rescue comes in the form of a young, illiterate fisherman, Fokir. Although they have no language between them, they are powerfully drawn to each other, sharing an uncanny instinct for the ways of the sea. The Mistakes I Never Forget

Utopia and the Village in South Asian Literatures

Shifting the postcolonial focus away from the city and towards the village, this book examines the rural as a trope in twentieth-century South Asian literatures to propose a new literary history based on notions of utopia, dystopia, and heterotopia and how these ideas have circulated in the literary and the cultural imaginaries of the subcontinent.

About the Book : - Winner of the Man Booker Prize 2008 Meet Balam Halwai, the 'white tiger': servant, philosopher, entrepreneur, murderer Born in a village in the dark heart of India, the son of a rickshaw puller, Balam is taken out of school and put to work in a teashop. As he crushes coal and wipes tables, he nurses a dream of escape. His big chance comes when a rich landlord hires him as a chauffeur for his son, daughter-in-law, and their two Pomeranian dogs. From behind the wheels of a Honda, Balam sees Delhi and begins to see how the Tiger might escape his cage. For surely any successful man must spill a little blood on his way to the top' The White Tiger is a tale of two Indias. Balam's journey from the darkness of village life to the light of entrepreneurial success is utterly amoral, brilliantly irreverent, deeply endearing and altogether unforgettable.

The present book offers varied interpretations of the novel by eminent Indian critics and is a welcome addition to the fast-growing corpus of Indian English fiction.

The fourteen spellbinding stories in Michelle Ross's second collection invite readers into the shadows of social-media perfectionism and the relentless cult of motherhood. A recovering alcoholic navigates the social landscape of a toddler playdate; a mother of two camps out in a van to secure her son's spot at a prestigious kindergarten; a young girl forces her friends to play an elaborate, unwinnable game. With unflinching honesty and vivid, lyric prose, Ross explores the familial ties that bind us together-or, sometimes, tear us apart.

Ask any Bombaywallah about Vishram Society - Tower A of the Vishram Co-operative Housing Society - and you will be told that it is unimpeachably pucca. Despite its location close to the airport,

under the flight path of 747s and bordered by slums, it has been pucca for some fifty years. But Bombay has changed in half a century - not least its name - and the world in which Tower A was first built is giving way to a new city; a Mumbai of development and new money; of wealthy Indians returning with fortunes made abroad. When real estate developer Dharmen Shah offers to buy out the residents of Vishram Society, planning to use the site to build a luxury apartment complex, his offer is more than generous. Initially, though, not everyone wants to leave; many of the residents have lived in Vishram for years, many of them are no longer young. But none can benefit from the offer unless all agree to sell. As tensions rise among the once civil neighbours, one by one those who oppose the offer give way to the majority, until only one man stands in Shah's way: Masterji, a retired schoolteacher, once the most respected man in the building. Shah is a dangerous man to refuse, but as the demolition deadline looms, Masterji's neighbours - friends who have become enemies, acquaintances turned co-conspirators - may stop at nothing to score their payday. A suspense-filled story of money and power, luxury and deprivation; a rich tapestry peopled by unforgettable characters, not least of which is Bombay itself, Last Man in Tower opens up the hearts and minds of the inhabitants of a great city - ordinary people pushed to their limits in a place that knows none.

" I don't like killing, but I'm good at it. Murder isn't so bad from a distance, just shapes popping up in my scope. Close-up work though a garrotte around a target's neck or a knife in their heart it's not for me. Too much empathy, that's my problem. Usually. But not today. Today is different . . . The year is 1955 and something is very wrong with the world. It is fourteen years since Churchill died and the Second World War ended. In occupied Europe, Britain fights a cold war against a nuclear-armed Nazi Germany. In Berlin the Gestapo is on the trail of a beautiful young resistance fighter, and the head of the SS is plotting to dispose of an ailing Adolf Hitler and restart the war against Britain and her empire. Meanwhile, in a secret bunker hidden deep beneath the German countryside, scientists are experimenting with a force far beyond their understanding. Into this arena steps a nameless British assassin, on the run from a sinister cabal within his own government, and planning a private war against the Nazis. And now the fate of the world rests on a single kill in the morning . . ."

In his compelling new work of fiction, Aravind Adiga has imagined the small Indian city of Kittur, an everytown nestling on the coast south of Goa and north of Calicut. Through the myriad and distinctive voices of its inhabitants, an entire Indian world comes vividly and unforgettably to life. From a middle-aged Communist to an Islamic terrorist; from the young children of a Tamil building-site worker to a privileged and alienated schoolboy; from an idealistic journalist to a Brahmin housemaid, Adiga has produced a microcosm of Indian life in the 80s, the years between the assassinations of Indira Gandhi and her son Rajiv. Muslim, Christian and Hindu, high-caste and low-caste, rich and poor: all of Indian life - the 'sorrowful parade of humanity' - is here. Journeying through Kittur's streets and schoolyards, bedrooms and businesses, its inner workings and outer limits, Adiga conjures a remarkable fictional landscape. Sizzling with acid observations, and textured with wicked humour and gentle humanity, Between the Assassinations is a triumph of voice and imagination.

From the bestselling, Booker Prize-winning author of The White Tiger, Aravind Adiga, comes the story of an undocumented immigrant who becomes the only witness to a crime and must face an impossible moral dilemma. 'Alive with empathy, indignation and the sharp satiric reportage at which Aravind Adiga excels, this novel grippingly extends his concern for deprivation and injustice.' - Sunday Times 'Books of the Year' Shortlisted for the Miles Franklin Award Danny – formerly Dhananjaya Rajaratnam – is an undocumented Sri Lankan immigrant. Denied refugee status, working as a cleaner and living out of a grocery storeroom in Sydney, for four years he has been trying to create a new identity for himself, finally coming as close as he ever has to living a normal life. One morning, Danny learns that his client Radha Thomas has been murdered. A jacket was left at the scene, which he believes belongs to another client, a doctor with whom Radha was having an affair. Suddenly Danny is confronted with a choice: Come forward as a witness and risk being deported? Or say nothing, and let justice go undone? Over the course of a single ordinary, yet extraordinary day, he must wrestle with his conscience and decide if a person without rights nevertheless has responsibilities . . .

Suspenseful, propulsive, and full of Aravind Adiga's signature wit and magic, Amnesty is both a timeless moral struggle and a universal story with particular urgency today. '[Adiga] is a startlingly fine observer . . . You come to this novel for its author's authority, wit and feeling on the subject of immigrants' lives.' - New York Times

The "courageous and clarion" Booker Prize-winner "continues her analysis and documentation of the disastrous consequences of unchecked global capitalism" (Booklist). From the poisoned rivers, barren wells, and clear-cut forests, to the hundreds of thousands of farmers who have committed suicide to escape punishing debt, to the hundreds of millions of people who live on less than two dollars a day, there are ghosts nearly everywhere you look in India. India is a nation of 1.2 billion, but the country's one hundred richest people own assets equivalent to one-fourth of India's gross domestic product. Capitalism: A Ghost Story examines the dark side of democracy in contemporary India and shows how the demands of globalized capitalism have subjugated billions of people to the highest and most intense forms of racism and exploitation. "A highly readable and characteristically trenchant mapping of early-twenty-first-century India's impassioned love affair with money, technology, weaponry and the 'privatization of everything,' and—because these must not be impeded no matter what—generous doses of state violence." —The Nation "A vehement broadside against capitalism in general and American cultural imperialism in particular . . . an impassioned manifesto." —Kirkus Reviews "Roy's central concern is the effect on her own country, and she shows how Indian politics have taken on the same model, leading to the ghosts of her book's title: 250,000 farmers have committed suicide, 800 million impoverished and dispossessed Indians, environmental destruction, colonial-like rule in Kashmir, and brutal treatment of activists and journalists. In this dark tale, Roy gives rays of hope that illuminate cracks in the nightmare she evokes." —Publishers Weekly

SOON TO BE A MAJOR MOTION PICTURE *The stunning Booker Prize–winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright’s *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India’s caste society. “This is the authentic voice of the Third World, like you’ve never heard it before” (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China’s impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.*

Unlock your eco-friendly superpower in this revolutionary call to action, and create a daily practice of sustainability to protect the environment.

As it enters its sixtieth year of independence, India stands on the threshold of superpower status. Yet India is strikingly different from all other global colossi. While it is the world's most populous democracy and enjoys the benefits of its internationally competitive high-tech and software industries, India also contends with extremes of poverty, inequality, and political and religious violence. This accessible and vividly written book presents a new interpretation of India's history, focusing particular attention on the impact of British imperialism on Independent India. Maria Misra begins with the rebellion against the British in 1857 and tracks the country's advance to the present day. India's extremes persist, the author argues, because its politics rest upon a peculiar foundation in which traditional ideas of hierarchy, difference, and privilege coexist to a remarkable degree with modern notions of equality and democracy. The challenge of India's leaders today, as in the last sixty years, is to weave together the disparate threads of the nation's ancient culture, colonial legacy, and modern experience.

Meet Balram Halwai, the 'White Tiger': servant, philosopher, entrepreneur, murderer. Balram was born in a backwater village on the River Ganges, the son of a rickshaw-puller. He works in a teashop, crushing coal and wiping tables, but nurses a dream escape. When he learns that a rich village landlord needs a chauffeur, he takes his opportunity, and is soon on his way to Delhi at the wheel of a Honda. Amid today's India's cockroaches and call-centres, its 36,000,004 gods, slums, shopping malls, and crippling traffic jams, Balram learns of a new morality at the heart of a new India. Driven by desire to better himself, he comes to see how the Tiger might escape his cage . . . through murder.
