In this “ brave and heartbreaking novel that digs its claws into you and doesn ’ t let go, long after you ’ ve finished it ” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can ’ t stop thinking about her first love. Lily hasn ’ t always had it easy, but that ’ s never stopped her from working hard for the life she wants. She ’ s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily ’ s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He ’ s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn ’ t hurt. Lily can ’ t get him out of her head. But Ryle ’ s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “ no dating ” rule, she can ’ t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “ a glorious and touching read, a forever keeper. The kind of book that gets handed down ” (USA TODAY).

"Readers will be guided scripturally through the fundamentals of how effective prayer works, inspired towards a closer, more intimate relationship with God, and shown how to develop specific prayer strategies for each area of life"--Amazon.com.

'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true. Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

“ A well-told, powerful story. Backderf is quite skilled in using comics to tell this tale of a truly weird and sinister 1970s adolescent world.â€? —R. Crumb NATIONAL BESTSELLER Named a BEST OF 2012 by Time, The Village Voice, A.V. Club, comiXology, Boing Boing, Publishers Weekly, MTV Geek, and more! “ ASTOUNDING.â€? —Lev Grossman, Time You only think you know this story. In 1991, Jeffrey Dahmer—the most notorious serial killer since Jack the Ripper—seared himself into the American consciousness. To the public, Dahmer was a monster who committed unthinkable atrocities. To Derf Backderf, Dahmer was a much more complex figure: a high school friend with whom he had shared classrooms, hallways, and car rides. In *My Friend Dahmer*, a haunting and original graphic novel, writer-artist Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche—a shy kid, a teenage alcoholic, and a goofball who never quite fit in with his classmates. With profound insight, what emerges is a Jeffrey Dahmer that few ever really knew, and readers will never forget. This new paperback edition will coincide with the release of the movie adaptation of *My Friend Dahmer* and will include additional bonus content from the author archives.

Of Crimes and Punishments

The Elite (The Selection, Book 2)

Harry Potter: The Complete Collection (1-7)

The classic tribute to hope from the Holocaust

George Orwell's *Nineteen Eighty-Four* is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

Ranging from the age of slavery to contemporary injustices, this groundbreaking history of race, gender and class inequality by the radical political activist Angela Davis offers an alternative view of female struggles for liberation. Tracing the intertwined histories of the abolitionist and women's suffrage movements, Davis examines the racism and class prejudice inherent in so much of white feminism, and in doing so brings to light new pioneering heroines, from field slaves to mill workers, who fought back and refused to accept the lives into which they were born. 'The power of her historical insights and the sweetness of her dream cannot be denied' *The New York Times*

The Selection gets fierce as rivals stake their claim on the Prince. Six girls, one life-changing prize...

This classic story of amazing faith in shocking circumstances has been updated for a new generation. Its message remains urgent and relevant: thousands of Christians are still persecuted and tortured around the world today, suffering solely for their belief in Jesus Christ. Richard Wurmbrand endured months of solitary confinement, years of periodic physical torture, constant suffering from hunger and cold, the anguish of brainwashing and mental cruelty. His captors lied to his wife, saying he was dead. Yet he went on to tell the West the truth about Christianity behind the Iron Curtain. Millions of people have been touched by this story, and thirty years after its first publication it is now updated with a new foreword by Rob Frost, a picture section and details of the final years of Wurmbrand's life.

My Hairiest Adventure (Goosebumps #26)

Nineteen Eighty-Four

The Deathly Hallows

Journey to the Centre of the Earth

Lines may divide us, but hope will unite us. Nine year old Bruno knows nothing of the Final Solution and the Holocaust. He's oblivious to the appalling cruelties being inflicted on the people of Europe by his country. All he knows is that he has moved from Berlin to a desolate area where he has no one to play with. Until he meets Shmuel. Shmuel lives in a strange parallel existence on the other side of the adjoining wire fence, where everyone wears a uniform of striped pyjamas. Despite the wire fence separating them, the two boys become best friends. As they grow closer, Bruno starts to learn the terrible truth that lies beyond the fence, and what life is like for his friend. John Boyne's classic novel explores the friendship and loss of innocence of Bruno and Shmuel, during one of the worst points in history.

"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

Rick Riordan's Norse hero faces his greatest challenge yet in the final instalment of the series. Loki the trickster god is free from his chains. Now he's readying Naglfar, the Ship of the Dead, armed with a host of giants and zombies, to sail against the Norse gods and begin the final battle of Ragnarok. It's up to Magnus Chase and his friends to stop Loki's plans, but to do so they will have to sail across the oceans of Midgard, Jotunheim and Niflheim in a desperate race to reach Naglfar before it's ready to sail on Midsummer's Day. Along the way, they will face angry sea gods, hostile giants, and an evil fire-breathing dragon who happens to be a former acquaintance. But Magnus's biggest challenge will be facing his own inner demons. To defeat Loki, Magnus will need to use words, not force. This will require finding a magical elixir so deadly that it will either make Magnus Chase powerful enough to out-talk the silver-tongued Loki, or destroy Magnus utterly.

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story.

At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In Midnight Sun, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. Describes the case of a young woman suffering from anxiety attacks, explains how hypnosis revealed her memories of past lives, and discusses the usefulness of regression therapy

There are few living international figures who fascinate the world more than Fidel Castro. He is at once an infamous historical figure, a modern-day politician and one of the last of his kind. From the leader of a revolution to one who has been accused of dictatorship, exploiting the power of his position to become one of the wealthiest leaders in the world, Fidel Castro's life away from the public eye has remained largely unscrutinised. Despite the world's longstanding desire to know more, biographers have thus far barely scratched the surface of Castro's life and reign. No one with any real knowledge or intimacy of Castro has ever been able to come forward to tell their story - partly because so few people can claim that distinction, and partly because the few who can would never make it out of Cuba. At long last, though, at the end of Castro's life, someone has. Juan Sanchez, former personal chaperone to Castro and, later, fugitive from the vindictive regime, offers a shocking exposure of the man to whom he was devoted for seventeen years - a man whose secret life is entirely different from the facade he presents to the people of Cuba.

A Little Boy's Astounding Story of His Trip to Heaven and Back

My Friend Dahmer (Movie Tie-In Edition)
From Basic Training to Targeted Strategies
The Hidden World of Cuba's Greatest Leader

Larry Boyd just found the coolest thing in the trash. It's an old bottle of INSTA-TAN. "Rub on a dark suntan in minute" - that's what the label says. So Larry and his friends do. But nothing much happens. Until Larry notices the hair. Dark spiky hair growing on his hands and face. Really gross shiny hair. Hair that keeps growing back even after he shaves it off... #1 New York Times best-seller with more than 11 million copies sold and Amazon's #17 best-selling book of all time. Heaven Is for Real was the best-selling non-fiction book of 2011 as reported by Nielsen's Bookscan, and was developed as a major motion picture by Sony in 2014. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how "really, really big" God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in Heaven Changes Everything: The Rest of Our Story. Heaven Is for Real also is available in Spanish, El cielo es real.

Lara Jean's letter-writing days aren't over in this follow-up to the bestselling *To All the Boys I've Loved Before* and *P.S. I Still Love You*. Soon to be a major motion picture coming to Netflix in 2021—the first two movies in the series are streaming now! Lara Jean is having the best senior year a girl could ever hope for. She is head over heels in love with her boyfriend, Peter; her dad's finally getting remarried to their next door neighbor, Ms. Rothschild; and Margot's coming home for the summer just in time for the wedding. But change is looming on the horizon. And while Lara Jean is having fun and keeping busy helping plan her father's wedding, she can't ignore the big life decisions she has to make. Most pressingly, where she wants to go to college and what that means for her relationship with Peter. She watched her sister Margot go through these growing pains. Now Lara Jean's the one who'll be graduating high school and leaving for college and leaving her family—and possibly the boy she loves—behind. When your heart and your head are saying two different things, which one should you listen to?

Teodorico Raposo, the novel's lascivious anti-hero is a master of deceit; one minute feigning devotion in front of his rich, pious aunt, in order to inherit her money, the next indulging in debauchery. Spurred on by the desire to please his aunt, and in order to get away from his unfaithful mistress, he embarks on a journey to the Holy Land in search of a holy relic. The resulting fiasco is a masterpiece of comic irony as religious bigotry and personal greed are mercilessly ridiculed.

Suspicion and fear blow through the wizarding world as news of the Dark Lord's attack on the Ministry of Magic spreads. Harry has not told anyone about the future predicted by the prophecy in the Department of Mysteries, nor how deeply what happened to Sirius Black affected him. He's desperate for Professor Dumbledore to arrive and take him away from the Dursley's - but Hogwarts may not be the safe haven from Voldemort's Dark Forces that it once was. In his sixth year, the names Black, Malfoy, Lestrangle and Snape will haunt Harry with shades of trust and treachery as he discovers the secret behind the mysterious Half-Blood Prince - and Dumbledore prepares him to face his own terrifying destiny. These adult editions with glorious jacket art by Andrew Davidson are now available in hardback for the first time.

From the New York Times bestselling author of *The Giver of Stars*, discover the love story that captured over 20 million hearts in *Me Before You*, *After You*, and *Still Me*. Louisa Clark arrives in New York ready to start a new life, confident that she can embrace this new adventure and keep her relationship with Ambulance Sam alive across several thousand miles. She steps into the world of the superrich, working for Leonard Gopnik and his much younger second wife, Agnes. Lou is determined to get the most out of the

experience and throws herself into her new job and New York life. As she begins to mix in New York high society, Lou meets Joshua Ryan, a man who brings with him a whisper of her past. Before long, Lou finds herself torn between Fifth Avenue where she works and the treasure-filled vintage clothing store where she actually feels at home. And when matters come to a head, she has to ask herself: Who is Louisa Clark? And how do you find the courage to follow your heart—wherever that may lead? Funny, romantic, and poignant, *Still Me* follows Lou as she discovers who she is and who she was always meant to be—and learns to live boldly in her brave new world.

Journey to the Centre of the Earth has been consistently praised for its style and its vision of the world. It explores the prehistory of the globe, but can also be read as a psychological quest, for the journey itself is as important as arrival or discovery. Professor Lidenbrock and his nephew Axel travel across Iceland, and then down through an extinct crater towards a sunless sea where they enter a living past and are confronted with the origins of man. A classic of nineteenth-century French literature, the novel's distinctive combination of realism and Romanticism has marked figures as diverse as Sartre and Tournier, Mark Twain and Conan Doyle. This new translation of the complete text is faithful to the lyricism, verve, and humour of the original. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

A Game of Thrones (A Song of Ice and Fire, Book 1)

"Book two of the *After* series--the Internet sensation with millions of readers. Tessa didn't plan on meeting H. during her freshman year of college. But now that she has, her life will never be the same same"-- Following another deeply troubled year at Hogwarts, described in *Harry Potter and the Half-Blood Prince*, at the end of which Dumbledore is killed by the ever-deceptive Severus Snape, Harry begins the final volume of the series in hiding. When the spell that has kept him safe until his seventeenth birthday expires, he and his helpers are immediately attacked by Voldemort, suffering casualties. Unable to return to Hogwarts, Harry is forced to go on the run with Ron and Hermione, hunting desperately for the "horcruxes" that contain fragments of Voldemort's soul and thus maintain his invulnerability. The search for the horcruxes is complicated when Harry learns of the existence of another set of magical objects--the "deathly hallows"--which might also be vital to the settlement of the final battle. Voldemort is unable to give his complete attention to the quest to kill Harry because he is searching for one of the hallows: an undefeatable wand. Uncertain as to whether to give priority to the remaining horcruxes or the hallows, Harry continues to evade death, albeit narrowly, until he is forced to return to Hogwarts in order to complete his search. The castle housing Hogwarts Academy then becomes the last fortress holding out against Voldemort's rise to power, subject to intensive siege and violent bombardment. The remnants of Dumbledore's Army and the Order of the Phoenix mount a heroic defense of Hogwarts in the attempt to win Harry enough time to finish his quest, suffering heavy casualties in the process. The conflict reaches the limit of desperation when it becomes evident that Harry harbors one of the fragments of Voldemort's soul in his own flesh. It appears that Harry cannot kill his enemy without sacrificing himself in the process, but that sacrifice might also make Voldemort invincible.

Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication--they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control--even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five

feet apart really be so dangerous if it stops their hearts from breaking too?

RETURN TO THE WORLD OF THE BRIDGERTONS . . . A generation before the Bridgertons, there were the Rokesbys . . . Everyone expects Billie Bridgerton to marry one of the Rokesby brothers, and she's not opposed: their families have been neighbours for centuries. There is only one Rokesby Billie absolutely cannot tolerate: George. He may be the eldest, and heir to the earldom, but he's arrogant, annoying and she's certain he detests her. Which is perfectly convenient, as she can't stand the sight of him, either. But when Billie and George are quite literally thrown together, a whole new sort of sparks begin to fly. And when these lifelong adversaries finally kiss, they just might discover that the one person they can't abide is the one person they can't live without . . . Return to the world of the Bridgertons with this first book in a dazzlingly witty prequel series from Sunday Times bestselling author Julia Quinn, featuring the ancestors of the Bridgertons you know and love. Fix You

FIX YOU is a gorgeous romantic read about how nothing can keep two people apart if they are made for each other. Spanning two continents and twenty years this is a romance to melt your heart. Perfect for fans of Dani Atkins, Paige Toon and Giovanna Fletcher. Can the one who broke your heart be the one to heal it? On New Year's Eve, 1999, Hanna and Richard meet. She is a born and bred Londoner with plans for a career in journalism. He is the son of a wealthy New Yorker and destined for Wall Street. As Hanna and Richard go back to their own worlds they keep in touch, and when Hanna has her heart broken it's Richard she turns to. They reunite and fall deeply, madly in love. But they can't possibly imagine the ways their love will be tested. Fifteen years after they first meet, neither can bear to hear the other's name spoken. Then one day Hanna walks into Richard's office and reveals a shocking secret. Richard must decide if he can forgive her. And both need to choose whether to take a second chance on happiness, or if their love is beyond repair?

'Has the power to move hearts and change minds' Guardian 'Tremendously uplifting and a novel of all-too-rare power' Sunday Express 'An amazing book . . . I absolutely loved it. I cried my eyes out' Tom Fletcher Read the award-winning, multi-million copy bestselling phenomenon that is WONDER. 'My name is August. I won't describe what I look like. Whatever you're thinking, it's probably worse.' Auggie wants to be an ordinary ten-year-old. He does ordinary things - eating ice cream, playing on his Xbox. He feels ordinary - inside. But ordinary kids don't make other ordinary kids run away screaming in playgrounds. Ordinary kids aren't stared at wherever they go. Born with a terrible facial abnormality, Auggie has been home-schooled by his parents his whole life. Now, for the first time, he's being sent to a real school - and he's dreading it. All he wants is to be accepted - but can he convince his new classmates that he's just like them, underneath it all? A funny, frank, astonishingly moving debut - and a true global phenomenon - to read in one sitting, pass on to others, and remember long after the final page.

Why Many Bad Things Happen to Good People... The Problem Are you one of the many victims of an unbroken curse? Today, countless Christians throughout the world are plagued by unexplained poverty, calamities, and a variety of adverse circumstances. Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events. Usually, they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families. Some of the Causes Hatred and jealousy Trespassing on the devil's territory Handling unholy things Inherited curses Breaking vows to God The Solution The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to recognize, prevent, and break every type of curse.

HBO's hit series A GAME OF THRONES is based on George R. R. Martin's internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age. A GAME OF THRONES is the first volume in the series.

Harry Potter and the Chamber of Secrets

A Novel

After We Collided

After his daughter's murder, a grieving father confronts God with desperate questions -- and finds unexpected answers -- in this riveting and deeply moving #1 NYT bestseller. When Mackenzie Allen Phillips's youngest daughter Missy is abducted during a family vacation, he remains hopeful that she'll return home. But then, he discovers evidence that she may have been brutally murdered in an abandoned shack deep in the Oregon wilderness. Four years later, in this midst of his great sadness, Mack receives a suspicious note that's supposedly from God, inviting him back to that shack for a weekend. Against his better judgment, he arrives on a wintry afternoon and walks back into his darkest nightmare. What he finds there will change his life forever.
