~~Select A Hitch Guide | U-Haul Blog~~

To use the Never Miss system, you just place two rods on either side of the hitch guide wings (that's attached to the rear of your vehicle) and one

Access Free Back Up Trailer Hitch Guide

rod on the trailer.
As you're backing,
just keep the rear
rod aligned in the
middle of the other
two, and you'll be
dead perfect each
time. Sounds
simple in principle,
but does it work?
