required you to take essential computer skills exam when you show up for the interview? The quiz below covers the basics of what you are most likely to be asked. Give it a try and all the best in your upcoming interview. Note: It has questions based on Windows 7 and older.

Quiz: Basic Computer Skills Assessment - ProProfs Quiz
Basic computer knowledge questions are

Get Free Basic Computer Test Questions And Answers

questions relating to the standard uses of computers. These questions, which tend to deal with simple tasks and functions of a computer, reveal a lot about a person's familiarity, or fluency, with a computer. As these questions are not intuitive by nature, a person with no computer experience won't be able to simply fudge their answers.
