at stadiums, including a show at Shea Stadium to a world record crowd of 55,600 on 15th 1965.

~~A Brief History of The Beatles~~

The Beatles continued their solo careers throughout the '80s, but their releases became frequent, and their commercial success gradually diminished as listeners without first-hand memories of the combo created their own idols. The popularity of the Beatles, however, is eternal. In part, this is because the group's 1970 split effectively short-circuited the predicted artistic decline; the body of work that was preserved was uniformly strong.

~~The Beatles | Biography & History | AllMusic~~

One of the most important documentaries on rock music ever published, this is EMI Records' official diary-format history of every Beatles recording session. Researched from hundreds of unreleased Abbey Road archive tapes, featuring thousands of previously unpublished studio documents and interviews with many of the key recording personnel. The book is filled with 350 colour and black-and ...
