

Bhagwan The God That Failed

A fascinating look at Hindu gurus with significant followings in the United States. *Gurus in America* provides an excellent introduction to the guru phenomenon in the United States, with in-depth analyses of nine important Hindu gurus—Adi Da, Ammachi, Mayi Chidvilasananda, Gurani Anjali, Maharishi Mahesh Yogi, Osho, Ramana Maharshi, Sai Baba, and Swami Bhaktivedanta. All of these gurus have attracted significant followings in the U.S. and nearly all have lived here for considerable periods of time. The book's contributors discuss the characteristics of each guru's teachings, the history of each movement, and the particular construction of Hinduism each guru offers. Contributors also address the religious and cultural interaction, translation, and transplantation that occurs when gurus offer their teachings in America. This is a fascinating guide that will elucidate an important element in America's diverse and ever-changing spiritual landscape.

Thomas A. Forsthoefel is Associate Professor of Religious Studies at Mercyhurst College. He is the author of *Knowing Beyond Knowledge: Epistemologies of Religious Experience in Classical and Modern Advaita*. At Claremont McKenna College, Cynthia Ann Humes is Chief Technology Officer and Director of Information Technology Services and Associate Professor of Philosophy and Religious Studies. She is coeditor (with Bradley R. Hertel) of *Living Banaras: Hindu Religion in Cultural Context*, also published by SUNY Press.

A memoir of formative years spent on a series of

Get Free Bhagwan The God That Failed

communes: A “wonderful account of a frankly ghastly childhood . . . Hilarious and heartbreaking” (Daily Mail). At the age of six, Tim Guest was taken by his mother to a commune modeled on the teachings of the notorious Indian guru Bhagwan Shree Rajneesh. The Bhagwan preached an eclectic doctrine of Eastern mysticism, chaotic therapy, and sexual freedom, and enjoyed inhaling laughing gas, preaching from a dentist's chair, and collecting Rolls Royces. Tim and his mother were given Sanskrit names, dressed entirely in orange, and encouraged to surrender themselves into their new family. While his mother worked tirelessly for the cause, Tim—or Yogesh, as he was now called—lived a life of well-meaning but woefully misguided neglect in various communes in England, Oregon, India, and Germany. In 1985 the movement collapsed amid allegations of mass poisonings, attempted murder, and tax evasion, and Yogesh was once again Tim. In this extraordinary memoir, Tim Guest chronicles the heartbreaking experience of being left alone on earth while his mother hunted heaven. “An intelligent, wry, openhearted memoir of surviving a childhood and a cultural phenomenon that were both extraordinary.” —Booklist (starred review)

A MASTERPIECE of illuminative writing, *Spiritual Enlightenment: The Damnedest Thing* is mandatory reading for anyone following a spiritual path. Part exposé and part how-to manual, this is the first book to explain why failure seems to be the rule in the search for enlightenment, and how the rule can be broken. :: Book One of Jed McKenna's *Enlightenment Trilogy*. Contains Bonus Material.

This classic work and crucial document of the Cold

The book provides personal account and experiences of the author who visited devasthanam. They should work interest and devotion among the readers and reverence of the deity. The book deals with eternal questions like Is there God? If there is, how does He look? Have you seen Him? Or the seekers of truth who ask, How much of faith one should repose in God to earn His Support for Human endeavors? This book, perhaps has answers for such question.

Osho: The Buddha For the Future, serendipitously arrives in the wake of the explosive release of the Netflix documentary series, 'Wild Wild Country.' Author Maneesha James witnessed first hand, and kept a meticulous record of the

Get Free Bhagwan The God That Failed

creation of Osho's communes and the evolution of his work as they unfolded. This, the first volume of a trilogy, opens at the ashram in Pune, India, in the early '70's. The reader follows this phase through Osho's public discourses on many of the ancient masters, the early experimentations with meditation techniques in which the author was personally involved, Osho's unique partnering of meditation with therapy, the introduction of 'Zorba the Buddha' and 'The Psychology of the Buddhas,' his energy work, and much more. Along with her own observations and experiences, Maneesha's interviews with numerous key players cast a whole new understanding on the remarkable years of Rajneeshpuram in Oregon. Her account fills in the gaping omissions in the Netflix docuseries - providing an, intimate, in-depth understanding of what it was like to be a modern-day seeker in a contemporary mystery school designed to help realize a daring new vision for humanity, espoused by an iconoclastic spiritual master. In addition, for those willing and able to look below the hype, the inside story behind the political machinations - both on the part of the commune administrator and the US government - makes for a

Get Free Bhagwan The God That Failed

riveting read. Osho: The Buddha For the Future provides a valuable testimony to a spiritual master far ahead of his time, and is a remarkable record of the efforts of the most powerful government in the world to silence him.

The fascinating inside story of the battle for Antelope, Oregon, and the fall of Bhagwan Shree Rajneesh, portraying the events that ultimately strangled his cult and looking at the possibilities of his rising again.

This is a curated collection of Krassner's satirical writing and reporting that serves both as a look back on his career and as a memoir. One of his most infamous works, "The Parts That Were Left Out of the Kennedy Book," made outrageous claims that some people thought were true. He reports from a swingers' event and a conspiracy convention - and from the trial of Dan White for the murders of San Francisco Mayor George Moscone and Supervisor Harvey Milk during which Krassner coined the term "the Twinkie defense." He also includes anecdotes about encountering celebrities such as Lenny Bruce, Johnnie Cochran, Ram Dass, Larry Flynt, Squeaky Fromme, Dick Gregory, Charles Manson, and Robin Williams - and that time he took an acid trip with

What to Do when Your Guru Sues You

"When the odds were stacked against us, and there have been many times when the great experiment we call America could have and should have failed, did God intervene to save us?" That question, posed by authors Chris and Ted Stewart, is the foundation for this remarkable book. And the examples they cite provide compelling evidence that the hand of Providence has indeed preserved the United States of America on multiple occasions. Skillfully weaving story vignettes with historical explanations, they examine seven instances that illustrate God's protecting care. Never, at any of these critical junctures, was a positive outcome certain or even likely. Yet America prevailed. Why? "No man is perfect," write the authors. "And neither is any nation. Yet, despite our weakness, we are still, as Abraham Lincoln said, the best nation ever given to man. Despite our faults, this nation is still the last, best hope of earth." In short, God still cares what happens here. This reassuring message is a bright light in a world that longs for such hope.

BhagwanThe God that FailedSt Martins Press

Rudyard Kipling, winner of the Nobel Prize in literature in 1907, has long been considered an important and vibrant, even controversial, storyteller and poet. *The Wish House and Other Stories* is a collection of Kipling's finest works,

Get Free Bhagwan The God That Failed

including the stories "In the House of Suddhoo," "The Disturber of Traffic," and "The Eye of Allah," the poems "The Runners," "The Return of the Children," and "The Last Ode," and his famous story about Afghanistan, "The Man Who Would Be King." Each piece was selected by poet and scholar Craig Raine, who writes in his Preface, "We need to think about Kipling. He is our greatest short-story writer, but one whose achievement is more complex and surprising than even his admirers recognize."

Many modern scholars say Shiva linga is a phallic symbol. Most devotees disagree. Who is right? To make sense of a mythological image one has to align the language heard [stories] with the language performed [rituals], and the language seen [symbols]. This book also looks at the sexual metaphors.

The author recounts his association with MSIA, and argues that his guru was a confidence man who programmed his followers to obey him implicitly

An insider reveals the secrets of the cult founded by Bhagwan Shree Rajneesh in the early seventies, candidly recounting all aspects of the movement as well as exposing many details about Bhagwan's life "The Mystique of Enlightenment" by U. G.

Krishnamurti. Published by Good Press. Good Press publishes a wide range of titles that encompasses

every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

This deluxe hardcover editions contains both Volume I and II of *The Heart of Listening*. Milne, a third generation Scottish osteopath, begins by explaining the visionary approach to healing, and how it may be applied to the realm of craniosacral work. He explains the importance of meditation, centering, and the cultivation of heartfulness in the development of compassionate practice. Milne introduces the reader to the story of visionary work—its genesis, evolution, philosophy, and practice—and explains how a grounding in meditation, sensitive touch, and intuitive perception can lead to a remarkable unfoldment in skill development. In the second volume, Milne details the anatomy, physiology, energetics, and techniques that are the essential core of visionary craniosacral work. His particular genius lies in his ability to weave a delicate tapestry of narrative, poetry, and scientific fact into a fascinating and insightful exposition of the visionary healing arts.

Sex Matters

When I Saw Tirupati Balaji Rajneeshpuram Because Normal Isn't Working The Authorized Biography of Ma Anand Sheela The Silent Explosion Adieu to God

Irrepressible, honest, bold and charming, very few can claim to have lived life on their own terms as Ma Anand Sheela has. Yet controversy continues to follow her. Whether it is her portrayal in *Wild Wild Country* or the Osho International Foundation's take on the Netflix series, a wide spectrum of opinions has cloaked for too long the real Sheela Birnstiel. In the 1980s, she was the personal secretary of Bhagwan Shree Rajneesh and managed the Rajneesh commune in Wasco County, Oregon, USA. She was eventually sentenced to prison, served her time and walked out in three years. Today, she runs homes for the disabled and the elderly in Switzerland. Almost three decades later, she is still in love with Bhagwan and his teachings. From rebuilding her life from scratch in Switzerland to an interview with Karan Johar on her grand return to India, she

Get Free Bhagwan The God That Failed

is adored and vilified by the world at the same time. In her memoirs, *By My Own Rules*, Ma Anand Sheela bares all—her life, her lessons, her beliefs, her inspiration and what makes her live life on her own terms.

Vishnu, the odd-job man in a Bombay apartment block, lies dying on the staircase landing. Around him the lives of the apartment dwellers unfold — the warring housewives on the first floor, the lovesick teenagers on the second, and the widower, alone and quietly grieving at the top of the building. In a fevered state Vishnu looks back on his love affair with the seductive Padmini and comedy becomes tragedy as his life draws to a close.

Adieu to God examines atheism from a psychological perspective and reveals how religious phenomena and beliefs are psychological rather than supernatural in origin. Answers the psychological question of why, in the face of overwhelming scientific evidence to the contrary, do religions continue to prosper? Looks at atheism and religion using a fair and balanced approach based on the latest work in psychology,

Get Free Bhagwan The God That Failed

sociology, anthropology, psychiatry and medicine Acknowledges the many psychological benefits of religion while still questioning the validity of its supernatural belief systems and providing atheist alternatives to a fulfilling life

As science integrates the in-depth knowledge of the physical world accumulated over the past three centuries, it will be channeled into a new and exciting line of inquiry that acknowledges the expanded reality of consciousness as a creative force in the universe and the spiritual creative power embodied in our own minds. This book summarizes the thoughts of an inquisitive, but open-minded, scientist. What I present here is a theory that looks promising, not scientific proof. It should not be surprising, however, if some of what I propose coincides with theories propounded by others who claim a more intimate relationship with the Almighty. After all, if I am on the right track, and if they are, it would be worrisome if we were not, ultimately, in agreement. All I ask is

Get Free Bhagwan The God That Failed

that you seriously consider the logic of my theory, especially if it challenges you to question what you were taught - in Sunday school, in catechism or, dare I say, in physics class. I offer this book, not as a theological treatise, but as a short, readable exposition of a worldview that can bring sense and purpose into individual lives, and tolerance and peace to a planet whose future is in serious jeopardy - in large part because of the irrational dogmatism of both religion and science. If I am correct, we are literally all one being (God) in many individual forms. Why, then, would we continue to harm one another?

largest bioterror attack in American history and spending thirty-nine months in prison, Ma Anand Sheela's life is one that fascinates and intrigues. But who is the woman beyond the persona of the commune leader? What is Sheela like behind the sensational 'tough titties' avatar? Manbeena Sandhu followed the Osho movement for two decades before her journey finally led her to Sheela. *Nothing to Lose* is a no-holds-barred account of Sheela's life, her intense relationship with Bhagwan, and the riveting story of what actually happened behind the closed doors of the cult's ashram.

Discourses of a religious leader.

Originally published as a single volume, *The Heart of Listening* has been re-issued as two separate volumes because of public demand for a more concise, portable edition. Milne, a third generation Scottish osteopath, begins by explaining the visionary approach to healing, and how it may be applied to the realm of craniosacral work. In the second volume, Milne details the anatomy, physiology, energetics, and techniques that are the essential core of visionary craniosacral work. His particular genius lies in his ability to weave a delicate tapestry of narrative, poetry, and scientific fact into a fascinating and insightful exposition of the visionary healing arts.

“When people describe my lifestyle or family as weird, I find comfort,” writes author Craig Groeschel. Who then shares a Christ-centered philosophy, on everything from money to scheduling to purity, to help you break out of the normal rut and live according to the rhythms of God’s grace and truth of his word. Normal people are stressed, overwhelmed, and exhausted. Many of their relationships are, at best, strained and, in most cases, just surviving. Even though we live in one of the most prosperous places on earth, normal is still living

Get Free Bhagwan The God That Failed

paycheck to paycheck and never getting ahead. In our oversexed world, lust, premarital sex, guilt, and shame are far more common than purity, virginity, and a healthy married sex life. And when it comes to God, the majority believe in him, but the teachings of scripture rarely make it into their everyday lives. Simply put, normal isn't working. Groeschel's WEIRD views will help you break free from the norm to lead a radically abnormal (and endlessly more fulfilling) life.

Seven Miracles That Saved America

The Mystique of Enlightenment

A Novel

The World of Gurus

Inside the Cult of Bhagwan and Its Failed American Utopia

OSHO: The Buddha for the Future

The Heart of Listening, Volume 1

"Russell King has written the most definitive account of this grand American saga.

Rajneeshpuram is rich storytelling."

—Chapman and Maclain Way, directors of Wild Wild Country In 1981, ambitious young Ma Anand Sheela transported the Indian guru Bhagwan Shree Rajneesh to the United States to fulfill his dream of creating a utopia for his thousands of disciples. Four years later, the incendiary Rajneeshpuram commune in Oregon collapsed under the weight of audacious criminal conspiracies hatched in its inner sanctum, including the largest bioterrorism attack in US history, an unprecedented election fraud scheme, and

multiple attempted murders. Rajneeshpuram explores how this extraordinary spiritual community, featured in the Netflix docuseries Wild Wild Country, went so wrong. Drawing from extensive interviews with former disciples and an exhaustive review of commune records, government and police files, and archival materials, author Russell King probes the charismatic power that Bhagwan (later known as Osho) and Sheela exercised over the community and the turbulent legal and political environment that left commune leaders ready to deceive, poison, and even murder to preserve their home and their master. Rajneeshpuram is a fresh examination of the Rajneesh story, using newly available information and interviews with high-ranking disciples who have never before shared their stories. Understand the life and teachings of Osho, one of the twentieth century's most unusual gurus and philosophers, in Autobiography of a Spiritually Incorrect Mystic. In 1990, Osho prepared for his departure from the body that had served him for fifty-nine years—in the words of his attending physician—“as calmly as though he were packing for a weekend in the country.” Who was this man, known as the Sex Guru, the “self-appointed

bhagwan” (Rajneesh), the Rolls-Royce Guru, the Rich Man’s Guru, and simply the Master? Drawn from nearly five thousand hours of Osho’s recorded talks, this is the story of his youth and education, his life as a professor of philosophy and years of travel teaching the importance of meditation, and the true legacy he sought to leave behind: a religion-less religion centered on individual awareness and responsibility and the teaching of “Zorba the Buddha,” a celebration of the whole human being. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

‘Bhagwan is God, and...the disciples of God cannot be made to submit to any of the laws established for ordinary human beings. To attain our goal, everything is permitted.’ -

Kristina Koppel, Rajneesh disciple arrested for international drug smuggling One of the most controversial spiritual leaders to have emerged from India in the twentieth century, godman Bhagwan Shree Rajneesh, also known as Osho, amassed thousands of followers from across the world in the 1970s, preaching a mix of free love and mysticism from his ashram in Pune. When tensions between him and then Prime Minister Indira Gandhi came to a head, Rajneesh was forced to move his followers to Oregon in the United States, where his disciples toiled day and night to build the fanciful city of Rajneeshpuram, complete with its own police and fire departments, schools, malls, townhouses, as well as an airstrip and a reservoir. But as the 'Rajneeshes' began to invade the surrounding towns, locals registered vehement protests, causing the Oregon state government to intervene and call into question the legitimacy of Rajneeshpuram. What followed was a bizarre series of events, with the cult being accused of launching the first campaign of bio-terrorism in the history of the United States, poisoning 751 people in the town of The Dalles, Oregon. Here is the astonishing story of the happenings, from beginning to end,

told in real-time dispatches from reporters on the ground.

'Disguised as a young Dinka woman, God came at dusk to a refugee camp in the North Dafur region of Sudan. He wore a flimsy cotton dress, battered leather sandals, hoop earrings, and a length of black-and-white beads around his neck.' So begins Ron Currie Jr's blasphemous and heretical debut novel. God -- or Sora, as she's called -- has come to earth to experience its conflicts first hand, but of course, adopting a human form also means assuming human frailty and mortality, and when God is killed in action, so to speak, the nations of the world are stripped of all they once thought certain, everything they once held dear. Waves of panic, civil unrest and mass suicide sweep the globe -- but those who have survived the initial shock are subsequently even more shocked to find that life goes on. Somehow. And then, of course, they are faced with the dilemma of how -- precisely -- to carry on living this new, God-less life of theirs; the question of who (or what) to believe in now God is dead. Like the holy grail of fiction, God is Dead is a debut novel that is truly -- and terrifyingly -- original. Both fantastic (in all senses of the word) and hypnotic, it promises to be the

book of 2007 and beyond.

From Sex to Superconsciousness

Shiva to Shankara

The Story of My Life with Bhagwan Rajneesh : a Memoir

Life 102

Don't Kill Him!

Psychologist Cass Seltzer's book, The Variety of Religious Illusion, has become a surprise runaway bestseller.

Dubbed 'the atheist with a soul', Cass's sudden celebrity has upended his life and brought back the ghosts of his past. Over the course of one week, Cass's theories about

our need to keep faith are borne out in ways he could never have imagined. 36 Arguments for the Existence of

God is a stunningly original novel, which explores the varieties of the human religious experience in a story of

obsession, consuming love, and divine genius. By turns hilarious, moving and devilishly clever, Goldstein's novel is an exhilarating romance of heart and mind.

One of the greatest spiritual thinkers of the twentieth century explores the physical and emotional intimacies of men and women in Sex Matters: Sex to

Superconsciousness. Sex matters to us all. The Osho approach to sex begins with an understanding of how important love is in our lives, while at the same time acknowledges that the journey into love cannot exclude

our innate biological energies. With this perspective, it becomes clear that the tendency for religions, and for society in general, to associate sex with sin and morality has been a great misfortune. Sex Matters begins by deconstructing the layers of sexual repression that the condemnation of sex has inflicted on humans. Throughout the book—in response to questions about everything from jealousy to premature ejaculation, the role of intimacy and the differences between men and women—Osho proposes a vision that embraces sex as a fundamental gift from nature. We learn how orgasm offers a glimpse of timelessness, thoughtlessness, and pure awareness—biology’s way of pointing toward the consciousness that helps us to understand ourselves. Finally, we are presented with a clear choice: a repressed sexuality that leads to pornography, perversion, and a stunted humanity or a playful, respectful, and relaxed innocence that supports us in becoming fulfilled and whole, as nature intended. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Spiritual Enlightenment:: The Damnedest Thing

The Rise and Fall of Bhagwan Shree Rajneesh

Osho Never Born Never Died. Only visited this Planet Earth between December 11, 1931-January 19, 1990. As this final inscription suggests, Osho Rajneesh was a paradox: an individual with no claims to being an

Get Free Bhagwan The God That Failed

individual a Master with thousands of disciples who refused to be a Master. He has variously been seen as the god that failed ,the most dangerous man since Jesus Christ and the Buddha for the future .This book brings together some of the best short writings in English on Osho and neo-Sannyasa. Some of the pieces are celebratory, some inquisitive but uncommitted, some scholarly, and some frankly sceptical. The book is divided into four parts, dealing with Osho himself, his Community, Meditation and Therapy, and the Decline and Renewal of his movement, with a postscript on the present commune. Together the papers provide a full picture of a complex man and a vibrant, if turbulent, religious movement.

SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize–winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright ' s *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India ' s caste society. “ This is the authentic voice of the Third World, like you've never heard it before ” (John Burdett, *Bangkok* 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China ' s impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death*

Get Free Bhagwan The God That Failed

of Vishnu and Bangkok 8 in ambition, scope, The White Tiger is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.
