A troubled Scottish rugby player who doesn't play by the rules. A vivacious man-eater who's given up on love. When it comes to Lachlan and Kayla, opposites don't just attract - they explode. From the New York Times, Wall Street Journal and USA Today Bestselling author of The Pact and The Offer, comes The Play, a standalone spinoff and contemporary romance about taking chances and rescuing hearts. Kayla Moore has always been comfortable with her feisty, maneating reputation. At least it was fine until she hit her thirties and saw her best friends Stephanie and Nicola settle down with Linden and Bram McGregor, leaving Kayla to be the odd one out. Tired of being the third wheel with nothing but one-night stands and dead-end dates in San Francisco, Kayla decides to take a vow of celibacy and put men on the backburner. That is until she lays her eyes on Linden and Bram's cousin, hot Scot Lachlan McGregor. Lachlan is her sexual fantasy come to life - tall, tatted, and built like a Mack truck. With a steely gaze and successful rugby career back in Edinburgh, he's the kind of man that makes her want to throw her vow right out the window. But Lachlan's quiet and intense demeanor makes him a hard man to get to know, let alone get close to. It isn't until the two of them are thrown together one long, unforgettable night that Kayla realizes there is so much more to this brooding macho man than what meets the eye. But even with sparks flying between the two, Lachlan can't stay in America forever. Now, Kayla has to decide whether to uproot her whole life and chance it all on someone she barely knows or risk getting burned once again. Sometimes love is a game that just needs to be played. Danika hasn't had an easy life. Being insanely attracted to bad boys has never helped make it easier. One look at Tristan, and every brain cell she possessed went up in smoke. This man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose. Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. Bad Things is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the Up in the Air trilogy. This book is intended for ages 18 and up.

A Libertine...Jeremy Greymont certainly qualifies. 'Sex rough and women loose' is his credo—one he's always taken very seriously, with no deference whatsoever to the society into which he's been born. He's been perfectly content milling along through life on an existence of courtesans and fine Scotch whisky...that is until his grandfather lets him know he's out of time, and his station in life comes with duties attached. Jeremy must produce an heir—posthaste. Lucky for him, the lovely Georgina is the perfect answer to his predicament and intrigues him like no other woman before her. Jeremy can't wait to make her his lady, and begin working on creating that heir he needs so badly. He's even willing to tone down his preference for the wild romps he's always enjoyed in the bed chamber, just for her sake. There will be plenty of time to teach his innocent bride all about that after the wedding, right? No, not even close. Georgina's demons trump Jeremy's in so many ways. A brutal assault has left her wounded and vowing she can be wife to no man—not even Jeremy Greymont. What is a libertine to do?“Georgina...I am so entangled in thoughts of you I could not find my way out if ever I desired.” JEREMY GREYMONT

The day I turned fifteen years old I knew I loved James Blakney. There was a look in his eye that told me he’d finally noticed I existed in a realm beyond best-friend’s-much-younger-off-limits-don’t-even-think-about-it-little-sister. Call it womanly intuition, despite the fact I was barely qualified for being an actual woman at just fifteen—and only in the biological sense—but still, I knew I loved him. What I never expected from him was a proposal of marriage nearly eight years later. I know it’s not supposed to be a real marriage, but James is certainly making it feel that way. He’s also hiding something from me. But I’ve hidden the truth from him as well. Lies. So many filthy lies. –Winter Blackstone
