Oh Dear Lord am I ever loving D.N. Hoxa's Winter Wayne series and now, in Bone Magic (Book 3) things just keep on ratcheting up for our poor heroine (so superbly drawn with her super enjoyable complexities, quirks and flaws). No time for setting down after finding her near dead love Julian on the floor of her office.

Ever since that witch Jane Dunham had broken every bone in my arm with her dark Hedge magic five months ago, my beads hadn't been the same, probably because my fingers had yet to heal completely. I conjured a healing spell on myself every two days and drank Amelia's disgusting tea every week, and it still hurt like hell—especially when it rained.

Bone Witch Publisher's
Summary My name is Winter
Wayne, and I'm a Bone witch
- minus the magic. I used to
work in the only place in
Manhattan that had use for a
witch with very little magic
- like me - until my boss
kicked me out over a job
gone bad (not my fault, I
swear). Pure boredom and the
lack of company got to my
head fast.
