The novel of manners. To make fiction out
of the observation of social behaviour is
sometimes regarded as less worthy than to
produce novels that excavate the human
mind. And yet the social gestures known as
manners, however superficial they appear
to be, are indices of a collective soul
and merit the close attention of the
novelist and reader alike. The works of

The fantasy of manners is a subgenre of fantasy literature that also partakes of the nature of a comedy of manners (though it is not necessarily humorous). Such works generally take place in an urban setting and within the confines of a fairly elaborate, and almost always hierarchical, social structure. The term was first used in print by science fiction critic Donald G. Keller in an article ...
