On July 9, 1755, British and colonial troops under the command of General Edward Braddock suffered a crushing defeat to French and Native American enemy forces in Ohio Country. Known as the Battle of the Monongahela, the loss altered the trajectory of the Seven Years' War in America, escalating the fighting and shifting the balance of power.

**Braddock's Defeat—The Battle of the Monongahela and the**
Braddock's defeat powerfully escalated what had been a colonial conflict between Britain and France into a global struggle for supremacy known as the Seven Years' War (1756-1763). What began as some minor frontier skirmishes would end with the British conquest of New France and lay the groundwork for American Independence.

**Braddock's Defeat—The Battle of Monongahela and the Road**
The Braddock expedition, also called Braddock's campaign or Braddock's Defeat, was a failed British military expedition which attempted to capture the French Fort Duquesne in the summer of 1755, during the French and Indian War. It was defeated at the Battle of the Monongahela on July 9, and the survivors retreated. The expedition takes its name from General Edward Braddock, who led the British forces and died in the effort. Braddock's defeat was a major setback for the British in the early stag

**Braddock's Defeat—The Battle of the Monongahela and the**
On July 9, 1755, British and colonial troops under the command of General Edward Braddock suffered a crushing defeat to French and Native American enemy forces. The Battle of the Monongahela altered the trajectory of the Seven Years' War in America, greatly escalating the war and inexorably defining its military and political character.

**Braddock's Defeat—The Battle of the Monongahela and the**
Advertisement. Braddock's Defeat is a low complexity conflict simulation of the French and Indian War battle that ended the British expedition to capture French Fort Duquesne. Not an ambush, as is popularly thought, the battle was actually a meeting engagement. The French in Fort Duquesne, told by scouts that a large British force with guns was approaching, sent elements of the Duquesne garrison on a preemptive strike.

**Braddock's Defeat—The Battle of Monongahela | Board Game**
Braddock's Defeat, 1755: French and Indian War. A British disaster in the French and Indian War propelled the rise of a young American colonel, George Washington. In May 1755, British Major General Edward Braddock met with the American inventor, writer and former Philadelphia printer Benjamin Franklin in Frederick town, Maryland.

**Braddock's Defeat—1755: French and Indian War**
Braddock's Defeat was easily the most consequential battle in North America before 1775. British contemporaries were utterly shocked by this unprecedented defeat of a conventional British army by an irregular army largely composed of American Indian warriors.

**Braddock's Defeat—The Battle of the Monongahela and the**
As the first major battle of the French and Indian War, the Battle of the Monongahela, remembered as Braddock's Defeat, ended in a shocking loss for the British Army and accelerated the conflict into a global war.

**Braddock's Defeat—Museum of the American Revolution**
The Battle of the Monongahela (also known as the Battle of Braddock's Field and the Battle of the Wilderness) took place on 9 July 1755, at the beginning of the French and Indian War, at Braddock's Field in what is now Braddock, Pennsylvania, 10 miles (16 km) east of Pittsburgh. A British force under General Edward Braddock, moving to take Fort Duquesne, was defeated by a force of French and Canadian troops under Captain Daniel Liénard de Beaujeu with its American Indian allies.

**Battle of the Monongahela—Wikipedia**
Disorganization and fear seized the British. In the smoke of the battle, fighting an unseen enemy, and with many British officers killed early on, discipline all but ended. The Battle lasted three hours. Finally, as Braddock was carried from the field severely wounded, the surviving British fled.

**The Braddock Campaign—Fort Necessity National**
BRADDOCK'S DEFEAT is an invaluable addition to any library of military history."--Bernard Cornwell, author of WATERLOO. The History of Four Days, Three Armies, and Three Battles "David Preston has offered what will probably be the final word on one of the most important battles in North American history.
