Brain on Fire Summary - eNotes.com

Brain on Fire is a 2016 biographical drama film directed and written by Irish filmmaker Gerard Barrett. The film is based on Susannah Cahalan's memoir Brain on Fire: My Month of Madness and stars Chloë Grace Moretz, Jenny Slate, Thomas Mann, Tyler Perry, Carrie-Anne Moss, and Richard Armitage. The film follows a New York Post writer who begins to suffer a mysterious illness. After being evaluated extensively by many doctors, she was diagnosed to be psychotic. She would have been committed ...

Brain on Fire (film) - Wikipedia

Brain on Fire Quotes Showing 1-30 of 72 "Sometimes, Just when we need them, life wraps metaphors up in little bows for us. When you think all is lost, the things you need the most return unexpectedly." - Susannah Cahalan, Brain on Fire: My Month of Madness

Brain on Fire Quotes by Susannah Cahalan - Goodreads

Brain on Fire is Susannah's story of her terrifying descent into madness and the desperate hunt for a diagnosis, as, after dozens of tests and scans, baffled doctors concluded she should be confined in a psychiatric ward. It is also the story of how one brilliant man, Syria-born Dr Najar, finally proved - using a simple pen and paper - that Susannah's psychotic behaviour was caused by a rare autoimmune disease attacking her brain.
