BSA Gold Star B32 348cc - PDF Download - The Classic ...

The single cylinder 350cc four stroke engine initially had a rigid frame and telescopic forks, the first for BSA. A rugged and reliable bike it was joined by a

Competition variant a year later, the B32, which boasted a high-level exhaust system, 21" front wheel, additional chromium plating, a crankcase shield and lowered gearing.

BSA B32 Competition Trials | Anthony Godin

Engine number: ZB32A 3162 BSA's rugged, workaday B31 was manufactured from 1945 to the end of 1959, its overhead-valve engine providing the basis for the renowned Gold Star sports roadster.

Classic Motorcycle | BSA B32 Competition trials 1950 350cc ...

BSA DB32 Gold Star 350cc This bike has been known to the BSA Goldstar owners Club for many years. left the BSA factory in April 1957 as a Road Racer and arrived in Singapore at the Cycle and Carriage Company where we believe it was raced. Then frame number appears to have changed in the 1960`s when its current frame... 514 26th Oct 2020

BSA Classic Cars b32 For Sale | Car and Classic

This early B32 Competition Model was despatched from the factory to Copes of Dudley on 8th June 1949. An accompanying BSA Owners' Club letter notes that the engine (fitted with the Gold Star-type alloy top end) is not original to the frame and that the serial number appears to have been re-stamped, concluding that the machine appears to be 'modified but to

original spec’.

The V5c is in my name and I also have a dating certificate from the Vintage Motorcycle Club stating it left the BSA works in 1946 as a B32. the engine is not the original and is a 1950 B32 engine. The bike has free road tax and is now MOT exempt although it passed last year with no problems at all.

BSA B32 Competition Excellent Condition and Ready to Ride

After the war, the all alloy 348 cc B32 and 499 cc B34 Gold Star were released, with a very large list of optional components. Once ordered the bike was assembled by hand, and the engine bench tested. They were 20 lb (9.1 kg) lighter than the comparable cast iron barrel and head B series single.
