

100 Blank, Extra Large, Tear-Out Canvases Give You More Space to Brainstorm and Strategize Millions of people use the Business Model Canvas and the Value Proposition Canvas to clearly understand customers, create better products, and grow businesses. This supplement to the bestselling books, Business Model Generation and Value Proposition Design gives you more space to scribble, brainstorm, and move sticky notes—with 50 blank, extra-large, tear-out Business Model Canvases (15" x 11" or 38cm x 28cm) and 50 blank, extra-large, tear-out Value Proposition Canvases (15" x 11" or 38cm x 28cm). The large format makes it easier to keep the creative ideas flowing, be inspired, and share your work with others. In addition to the 100 blank canvases, the two sample "learning canvases" provide trigger questions to help you learn to use each box in the canvas and jump-start progress. Whether you're chasing down a game-changing business model or working to evaluate and refresh an old one, the highly visual, spacious design makes it easy to use the powerful centerpiece tool in Business Model Generation to lead your product, brand, or company into the next stage of growth. If you need space to think hard about your value proposition, the 50 blank Value Proposition Canvases will help you create products and services that perfectly match your customers' needs and desires. When business conversations become mired in hunches and intuitions, or you're haunted by that expensive new product launch that flopped, these canvases offer a quick way to raise the collective intelligence of your team. Tear out a blank canvas and design a powerful visual business model or value proposition based on the global bestsellers Business Model Generation and Value Proposition Design. These transformational business tools have proven themselves at all types of companies, from start-ups to such large organizations as MasterCard, 3M, Coca Cola, GE, Fujitsu, LEGO, and Philips.

Why are some products a hit while others never see the light of day? While there's no foolproof way to tell what will succeed and what won't, every product has a chance as long as it's supported by research, careful planning, and hard work. -Written by successful product manager Marc Abraham, My Product Management Toolkit is a comprehensive guide to developing a physical or digital product that consumers love. Here's a sample of what you'll find within these pages: Strategies for determining what customers want-even when they don't know themselves Clear suggestions for developing both physical and digital products Effective methods to constantly iterate a product or feature Containing wisdom from Abraham's popular blog, this book explores product management from every angle, including consumer analysis, personnel management, and product evolution. Whether you're developing a product for a small start-up or a multinational corporation, this book will prove invaluable.

Business Model Generation is a handbook for visionaries, game changers, and challengers striving to defy outmoded business models and design tomorrow's enterprises. If your organization needs to adapt to harsh new realities, but you don't yet have a strategy that will get you out in front of your competitors, you need Business Model Generation. Co-created by 470 "Business Model Canvas" practitioners from 45 countries, the book features a beautiful, highly visual, 4-color design that takes powerful strategic ideas and tools, and makes them easy to implement in your organization. It explains the most common Business Model patterns, based on concepts from leading business thinkers, and helps you reinterpret them for your own context. You will learn how to systematically understand, design, and implement a game-changing business model—or analyze and renovate an old one. Along the way, you'll understand at a much deeper level your customers, distribution channels, partners, revenue streams, costs, and your core value proposition. Business Model Generation features practical innovation techniques used today by leading consultants and companies worldwide, including 3M, Ericsson, Capgemini, Deloitte, and others. Designed for doers, it is for those ready to abandon outmoded thinking and embrace new models of value creation: for executives, consultants, entrepreneurs, and leaders of all organizations. If you're ready to change the rules, you belong to "the business model generation!"

The long-awaited follow-up to the international bestsellers, Business Model Generation and Value Proposition Design Alex Osterwalder and Yves Pigneur's Business Model Canvas changed the way the world creates and plans new business models. It has been used by corporations and startups and consultants around the world and is taught in hundreds of universities. After years of researching how the world's best companies develop, test, and scale new business models, the authors have produced their definitive work. The Invincible Company explains what every organization can learn from the business models of the world's most exciting companies. The book explains how companies such as Amazon, IKEA, Airbnb, Microsoft, and Logitech, have been able to create immensely successful businesses and disrupt entire industries. At the core of these successes are not just great products and services, but profitable, innovative business models—and the ability to improve existing business models while consistently launching new ones. The Invincible Company presents practical new tools for measuring, managing, and accelerating innovation, and strategies for reducing risk when launching new business models. Serving as a blueprint for your growth strategy, The Invincible Company explains how to constantly stay ahead of your competition. In-depth chapters explain how to create new growth engines, change how products and services are created and delivered, extract maximum profit from each type of business model, and much more. New tools—such as the Business Model Portfolio Map, Innovation Metrics, Innovation Strategy Framework, and the Culture Map—enable readers to understand how to design invincible companies. The Invincible Company: ? Helps large and small companies build their growth strategy and manage their core simultaneously ? Explains the world's best modern and historic business models ? Am Anfang war die Idee und sie befand sich im Kopf eines Schweizers: Alexander Osterwalder entwickelt ein Modell zur Geschäftsmodellinnovation. Ebenso sperrig wie der Begriff waren bisherige Publikationen zum Thema. Doch die Idee in Osterwalders Kopf ist eine revolutionäre und pflügt das Feld der Geschäftsmodellinnovation vollkommen um: Was, wenn man sein Geschäftskonzept einfach visualisieren könnte? Skizzieren, kleben, malen - ganz wie ein Künstler! Zusammen mit 470 hellen Köpfen aus aller Welt feilt Osterwalder weiter an seiner Idee, bis sie schließlich als Business Model Canvas das Licht der Welt erblickt. Heute bringt sie sogar Unternehmen wie Deloitte, Capgemini und 3M bei, wie man eheme Regeln bricht, wenn man im Wettbewerb neue Maßstäbe setzen will. Successful Strategies for Products that Win
