William Selby. William Selby is a  
native Californian who has explored,  
researched, and worked in every corner  
of the Golden State. William has  
accumulated over 3 decades of  
experience teaching Geography and Earth  
Science at Santa Monica College. Since  
retiring from teaching, his lifelong  
love and extensive knowledge of the  
Golden State is reflected in the book  
as well as in his continued service to  
academia, geography and the State of  
California.
