

## Call Me Ted Turner

*I Am Not Sidney Poitier is an irresistible comic novel from the master storyteller Percival Everett, and an irreverent take on race, class, and identity in America I was, in life, to be a gambler, a risk-taker, a swashbuckler, a knight. I accepted, then and there, my place in the world. I was a fighter of windmills. I was a chaser of whales. I was Not Sidney Poitier. Not Sidney Poitier is an amiable young man in an absurd country. The sudden death of his mother orphans him at age eleven, leaving him with an unfortunate name, an uncanny resemblance to the famous actor, and, perhaps more fortunate, a staggering number of shares in the Turner Broadcasting Corporation. Percival Everett's hilarious new novel follows Not Sidney's tumultuous life, as the social hierarchy scrambles to balance his skin color with his fabulous wealth. Maturing under the less-than watchful eye of his adopted foster father, Ted Turner, Not gets arrested in rural Georgia for driving while*

black, sparks a dinnertable explosion at the home of his manipulative girlfriend, and sleuths a murder case in Smut Eye, Alabama, all while navigating the recurrent communication problem: "What's your name?" a kid would ask. "Not Sidney," I would say. "Okay, then what is it?"

Discusses the issues of geomagnetism, including why the Earth's magnetic north differs from its geographic north, how animals use geomagnetism for migration purposes, and the source of the magnetic field.

'There are always regrets in life, among them things we've done that we wish we could take back and erase. I have significant ones that will haunt me forever and which I hope I have been brave enough to confront in this book'

Jane Fonda in the preface to *My Life So Far*. Now in her 60s, Fonda looks back over her life but also forward to the future. With unflinching honesty she addresses, amongst other things, her tragic and tortured relationships with her mother and father; her lovers and husbands, from Roger Vadim to Ted Turner; her passions and political

views. The result is rare in its readability and sheer page-turning force. This is a powerful account of an extraordinary woman.

It's conventional wisdom that Hollywood has no use for a woman over forty. So it's a good thing that Diahann Carroll—whose winning, sometimes controversial career breached racial barriers—is anything but conventional. Here she shares her life story with an admirable candidness of someone who has seen and done it all. With wisdom that only aging gracefully can bestow, she talks frankly about her four marriages as well as the other significant relationships in her life, including her courtship with Sidney Poitier; racial politics in Hollywood and on Broadway; and the personal cost, particularly to her family, of being a pioneer. Carroll's storied history, blunt views, and notorious wit will be sure to entertain and inform.

In *A Little Bit Vulnerable*, actress Janine Turner opens up about her private life for the first time claiming she feels, "a little bit vulnerable." In this breathtaking sweep of her half a century of living, Janine journeys through the canyons of her life and how she sought horizons. Through the treasure chest of her private poetry to essays, opinion-editorials, radio interviews and letters, Janine reveals how she climbed out of the canyons of heartbreak, alcoholism, and the recent death of her father, as well as her call to action for American men, women and children to preserve American principles. In *A Little Bit Vulnerable*, Janine weaves wisdom from her ancestors, Publius, politicians and her own personal "life lessons," into a tapestry of triumph and takes the reader along with her. This moving memoir includes never-before-seen personal photographs of Ms. Turner and many of the famous (and

infamous) people in her life. -- Janine Turner

Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 *The Snowball* is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, *The Snowball* is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a

salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

'Truly brilliant.' Los Angeles Review of Books 'A classic.' The Times 'A remarkable novel.' Wall Street Journal  
\*\* With a new foreword by Brandon Taylor, author of Real Life and Filthy Animals \*\* With your book sales at an all-time low, your family falling apart, and your agent telling you you're not black enough, what's an author to do? Thelonius 'Monk' Ellison has the answer. Or does he . . . ?  
Winner of the Hurston/Wright Legacy Award for Fiction 'One of the most original and forceful novels to have emerged from America in years.' TLS 'Seminal doesn't even come close. This novel is Everett at his finest, full of trademark protest, humanity and

incisive humour, all wrapped up in one hell of a story.' Courttia Newland  
'Hilarious. . . Everett is a first-rate word wrangler.' Nicholas Lezard,  
Guardian

A futuristic action-adventure novel, has been an underground bestseller for more than four decades. It chronicles a future America wracked by government oppression, revolutionary violence, and guerrilla war.

Lui Che-woo

Becoming a Dangerous Woman

From the Sunday Times bestselling

author of THE UNMUMSY MUM

**The House in the Mist**

*'Stop EVERYTHING and read this! Funny, tender and beautifully observed. Loved, loved, LOVED it!' Cathy Bramley FROM THE SUNDAY TIMES BESTSELLING AUTHOR OF THE UNMUMSY MUM Beth has never stuck at anything. She's quit more jobs and relationships than she can remember and she still sleeps in her childhood bedroom. It's not that she hasn't tried to grow up, it's just that so far, the*

only commitment she's held down is Friday drinks at the village pub. Then, in the space of a morning, her world changes. An unspeakable tragedy turns Beth's life upside down, and she finds herself guardian to her teenage niece and toddler nephew, catapulted into an unfamiliar world of bedtime stories, parents' evenings and cuddly elephants. Having never been responsible for anyone - or anything - it's not long before she feels seriously out of her depth. What if she's simply not up to the job? With a little help from her best friend Jory (purely platonic, of course ...) and her lovely, lonely next-door neighbour, Albert, Beth is determined that this time she's not giving up. It's time to step up. This is a story about digging deep for strength you never knew you had and finding magic in things that were there all along. 'STEPPING UP is a heart-blasting triumph of a novel - wise, witty and wonderfully human.' Isabelle Broom, author of THE GETAWAY Early readers love STEPPING UP! \*\*\*\*\* 'Simply excellent . . . A true emotional rollercoaster.' \*\*\*\*\* 'It had me

laughing out loud, on a bus no less, crying and laughing. This book is a tonic! I read it in one go. I was rooting for Beth the whole way through!!' \*\*\*\*\* 'An emotional rollercoaster to keep you turning the pages. . .Perfect for curling up with; perfect for a bedtime read; perfect for a book group; just perfect.' \*\*\*\*\*

'This book needs all the stars! It made me laugh, it made me cry and I just want to start it all over again.' \*\*\*\*\*

'Funny, heartbreaking and totally relatable, it makes you feel all the feels!' AVAILABLE TO PRE-ORDER NOW

This book chronicles the life story of Ted Turner—cable television mogul, successful baseball team owner, and fascinating public figure. • Provides a chronology of key events in the life of Ted Turner • Includes a photo essay portraying Turner through the years  
Reproduction of the original: *The House in the Mist* by Anna Katharine Green  
"Early to bed, early to rise, work like hell and advertise!" These words of fatherly advice helped shape Ted Turner's remarkable life, but they only begin to explain the colorful,

energetic, and unique style that has made Ted into one of the most amazing personalities of our time. Along the way - among his numerous accomplishments -- Ted became one of the richest men in the world, the largest land owner in the United States, revolutionized the television business with the creation of TBS and CNN, became a champion sailor and winner of the America's Cup, and took home a World Series championship trophy in 1995 as owner of the Atlanta Braves. An innovative entrepreneur, outspoken nonconformist, and groundbreaking philanthropist, Ted Turner is truly a living legend, and now, for the first time, he reveals his personal story. From his difficult childhood to the successful launch of his media empire to the catastrophic AOL/Time Warner deal, Turner spares no details or feelings and takes the reader along on a wild and sometimes bumpy ride. You'll also hear Ted's personal take on how we can save the world...share his experiences in the dugout on the day when he appointed himself as manager of the Atlanta Braves....learn how he

almost lost his life in the 1979 Fastnet sailing race (but came out the winner)...and discover surprising details about his dealings with Fidel Castro, Mikhail Gorbachev, Jimmy Carter, Bill Gates, Jack Welch, Warren Buffett, and many more of the most influential people of the past half century. Ted also doesn't shrink from the darker and more intimate details of his life. With his usual frankness, he discusses a childhood of loneliness (he was left at a boarding school by his parents at the tender age of four), and the emotional impact of devastating losses (Ted's beloved sister died at seventeen and his hard-charging father committed suicide when Ted was still in his early twenties). Turner is also forthcoming about his marriages, including the one to Oscar-winning actress, Jane Fonda. Along the way, Ted's friends, colleagues, and family are equally revealing in their unique "Ted Stories" which are peppered throughout the book. Jane Fonda, especially, provides intriguing insights into Ted's inner drive and character. In *CALL ME TED*, you'll hear

*Ted Turner's distinctive voice on every page. Always forthright, he tells you what makes him tick and what ticks him off, and delivers an honest account of what he's all about. Inspiring and entertaining, CALL ME TED sheds new light on one of the greatest visionaries of our time.*

An intimate and inspiring memoir and call to action from Pat Mitchell -- groundbreaking media icon, global advocate for women's rights, and co-founder and curator of TEDWomen Pat Mitchell is a serial ceiling smasher. The first woman to own and host a nationally syndicated daily talk show, and the first female president of CNN productions and PBS, Mitchell has been lauded as a powerful changemaker and a relentless advocate for women and girls. In *Becoming a Dangerous Woman*, Mitchell shares her own path to power, from a childhood spent on a cotton farm in the South to her unprecedented rise

in media and global affairs. Full of intimate, fascinating stories, such as an encounter with Fidel Castro while wearing a swimsuit, and traveling to war zones with Eve Ensler and Glenn, *Becoming a Dangerous Woman* is an inspiring call to arms for women who are ready to dismantle the barriers they see in their own lives.

A guidebook with a decidedly different approach, "Mousejunkies! 3rd Edition" is a collection of humorous travelogues and insider how-to secrets compiled after scores of trips to Walt Disney World. The book draws on the insights of a panel of Disney fanatics - The Mousejunkies - following dozens of personal vacations, trade shows and press trips in recent years. This third edition brings everything up to date with countless new tips, tricks, and tales. "Mousejunkies!" provides tips and travel plans told through personal accounts - something that sets it apart from all the other guides. All of the most important topics are covered: When to go, where to stay, what to do and where to eat. But readers will also learn Zen and the art of not melting down under the Florida sun, how to extract your family from Fantasmic with your sanity intact, where to catch a mid-afternoon catnap in the theme parks, and even how wrong things go when Epcrotch strikes. "Mousejunkies!" is more than one travel writer's experiences at one of the most popular vacation destinations in the world. The Mousejunkies are a group of

seemingly well-adjusted adults who have found themselves inexplicably drawn to Walt Disney World, again and again. Each has taken his or her own path, finding their way separately. When the smoke cleared, the group found itself back in reality, staring at one another over a pile of discarded annual passes and a useless collection of novelty hats. The stories - wry, humorous and told with an affection gained through years of Disney addiction - paint vivid portraits of a creatively engineered world, where unexpected surprises create lasting memories. The tips - valuable information designed to help readers get more out of their vacations - are told with a sly wink and the desire to share the secrets that make trips to central Florida more memorable. From touring plans to tongue-in-cheek reviews of the theme parks' restrooms, "Mousejunkies!" provides readers with useful information couched in obsessively-detailed narrative with a humorous touch.

Explains why the environmental crisis should lead to an abandonment of "free market" ideologies and current political systems, arguing that a massive reduction of greenhouse emissions may offer a best chance for correcting problems.

The #1 New York Times bestseller answers: What if one simple change could save you from heart disease, diabetes, and cancer? For decades, that question has fascinated a small circle of impassioned doctors and

researchers—and now, their life-changing research is making headlines in the hit documentary *Forks Over Knives*. Their answer? Eat a whole-foods, plant-based diet—it could save your life. It may overturn most of the diet advice you've heard—but the experts behind *Forks Over Knives* aren't afraid to make waves. In his book *Prevent and Reverse Heart Disease*, Dr. Caldwell Esselstyn explained that eating meat, dairy, and oils injures the lining of our blood vessels, causing heart disease, heart attack, or stroke. In *The China Study*, Dr. Colin Campbell revealed how cancer and other diseases skyrocket when eating meat and dairy is the norm—and plummet when a traditional plant-based diet persists. And more and more experts are adding their voices to the cause: There is nothing else you can do for your health that can match the benefits of a plant-based diet. Now, as *Forks Over Knives* is introducing more people than ever before to the plant-based way to health, this accessible guide provides the information you need to adopt and maintain a plant-based diet. Features include: Insights from the luminaries behind the film—Dr. Neal Barnard, Dr. John McDougall, *The Engine 2 Diet* author Rip Esselstyn, and many others Success stories from converts to plant-based eating—like San'Dera Prude, who no longer needs to medicate her diabetes, has lost weight, and feels great! The many benefits of a whole-foods, plant-based diet—for you, for

animals and the environment, and for our future A helpful primer on crafting a healthy diet rich in unprocessed fruits, vegetables, legumes, and whole grains, including tips on transitioning and essential kitchen tools 125 recipes from 25 champions of plant-based dining—from Blueberry Oat Breakfast Muffins and Sunny Orange Yam Bisque to Garlic Rosemary Polenta and Raspberry-Pear Crisp—delicious, healthy, and for every meal, every day.

*It's Never Too Late to Top Your Personal Best. Both a riveting account of a life spent pulling off improbable triumphs and a report back from the front of the global-energy and natural-resource wars, The First Billion Is the Hardest tells the story of the remarkable late-life comeback that brought the famed oilman and maverick back from bankruptcy and clinical depression. Along the way, the man often called the "Oracle of Oil" shares the insights that have made him a legend—and describes the billion-dollar bets he is now making in hopes of securing America's energy independence. "Sassy...breezes along...salted with earthy aphorisms."—Bloomberg Businessweek "Boone's analysis of America's energy situation is 100 percent on the money....The country should listen to him— now!" —Warren Buffett, chairman*

*and CEO, Berkshire Hathaway “Self-deprecating and audacious...overall, it’s decidedly informative about the machinations of business.” –Dallas Morning News “A fascinating, eye-opening book by one of America’s greatest iconoclasts and entrepreneurs. Boone Pickens’ sense of daring and innovation has never been sharper.”–Steve Forbes, president and CEO, Forbes Inc., and editor in chief of Forbes magazine*

*The wild inside story of the birth of CNN and dawn of the age of 24-hour news How did we get from an age of dignified nightly news broadcasts on three national networks to the age of 24-hour news channels and constantly breaking news? The answer—thanks to Ted Turner and an oddball cast of cable television visionaries, big league rejects, and nonunion newbies—can be found in the basement of an abandoned country club in Atlanta. Because it was there, in the summer of 1980, that this motley crew launched CNN. Lisa Napoli’s *Up All Night* is an entertaining inside look at the founding of the upstart network that set out to change the way news was delivered and consumed, and succeeded beyond even the wildest imaginings of its charismatic and uncontrollable founder. Mixing media history, a business adventure story, and great characters, this is a fun book on the making of the world we live in now.*

THE NUMBER ONE

*BESTSELLER FROM THE 45th PRESIDENT OF THE UNITED STATES 'I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big.' - Donald J. Trump* Here is Trump in action - how he runs his business and how he runs his life - as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and changes the face of the New York City skyline. But even a maverick plays by the rules, and Trump has formulated eleven guidelines for success. He isolates the common elements in his greatest deals; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks - really talks - about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur and an unprecedented education in the practice of deal-making. It's the most streetwise business book there is - and the ultimate read for anyone interested in making money and achieving success, and knowing the man behind the spotlight.

Ted Turner is that rare man who is as much reviled by some as revered by others: He's a sportsman (he owns professional baseball, hockey and basketball teams, as well

as having been a world-renowned sailor and winner of the Americas Cup), a businessman of proven talents, a big talker who usually lives up to his own billing, and a front-page celebrity whose combative instincts for the right place and right time will keep him there for many years to come. Entrepreneur and media mogul Ted Turner has commanded global attention for his dramatic personality, his founding of CNN, his marriage to Jane Fonda, and his company ' s merger with Time Warner. But his green resume has gone largely ignored, even while his role as a pioneering eco-capitalist means more to Turner than any other aspect of his legacy. He currently owns more than two million acres of private land (more than any other individual in America), and his bison herd exceeds 50,000 head, the largest in history. He donated \$1 billion to help save the UN, and has recorded dozens of other firsts with regard to wildlife conservation, fighting nukes, and assisting the poor. He calls global warming the most dire threat facing humanity, and says that the tycoons of the future will be minted in the development of green, alternative renewable energy. Last Stand goes behind the scenes into Turner ' s private life, exploring the man ' s accomplishments and his motivations, showing the world a fascinating and flawed, fully three-dimensional character. From barnstorming the country with T. Boone Pickens on behalf of green energy to a pivotal night when he considered suicide, Turner is not the man the public believes him to be. Through Turner ' s eyes, the reader is asked to consider another way of thinking about the environment, our obligations to help others in need, and the grave challenges threatening the survival of civilization.

The explosive New York Times bestseller by Stephen Hunter that sends ex-Marine sniper Bob Lee Swagger into the thick of an FBI investigation and features some of the greatest

gunfights ever to grace the page. It takes a seasoned killer... Four famed '60s radicals are gunned down at long range by a sniper. All the evidence—timeline, ballistics, forensics, motive, means, and opportunity—points to Marine war hero Carl Hitchcock. Even his suicide. The case is almost too perfect. ...to hunt one. Recruited by the FBI to examine the data, retired Marine sharpshooter Bob Lee Swagger penetrates the new technology of the secretive sniper world to unravel a sophisticated conspiracy run by his most ruthless adversary yet—a marksman whose keen intellect and pinpoint accuracy rival his own. But when the enemy and his deadly henchmen mistake Bob for the hunted, it's clear that some situations call for a good man with a gun...and the guts to use it.

'[W]hen I found Rice's work I absolutely loved how she took that genre and (...) made [it] feel so contemporary and relevant' Sarah Pinborough, bestselling author of *Behind Her Eyes* '[Rice wrote] in the great tradition of the gothic' Ramsey Campbell, bestselling author of *The Hungry Moon* Internationally bestselling author, Anne Rice, has written twenty-eight novels - magnificent tales of other worldly beings that explore the realms of good and evil, love and alienation: each a reflection of her own moral journey. Now, in her powerful memoir,

## Read Book Call Me Ted Turner

she writes about her own life as a Catholic. Beginning with her New Orleans childhood, in a vividly experienced world of storytelling and ritual, Rice's faith was formed. As a teenager, struggling to reconcile her faith with her hunger for knowledge and understanding of the modern world, she turned her back to the religion of her childhood and lost her belief in God. Years later, after the tragic passing of her daughter, she wrote *Interview with the Vampire*, a lament for her lost faith. Rice describes a turning point in 1998, when, after nearly four decades as an atheist, she returned to the religion of her childhood. Hers is a faith that has survived even her husband's death and the divisive nature of contemporary religious debate. This is her spiritual confession.

"Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"--Amazon.com.

Inspiring and entertaining, **CALL ME TED** sheds new light on one of the greatest visionaries of our time. In one of the most fascinating business autobiographies of this year, Sumner Redstone tells the unvarnished story of how he overcame every obstacle to build a vast media and entertainment engine that includes Paramount, MTV, CBS, Nickleodeon and Blockbuster. A larger-than-life figure in the grand tradition of the Hearsts, Paleys and Pulitzers, and voted by 600 corporate executives as the #1 most inspiring CEO, this is the man who can truly say, "I AM VIACOM." **A PASSION TO WIN** is a riveting look behind the scenes at the highly charged negotiations that won Redstone both Viacom and Paramount. The book reveals the intense business calculations and strong emotions of Redstone's head-to-head confrontations with such adversaries as Barry Diller and H. Wayne Huizenga. And when Blockbuster went into the tank, risking Redstone's fortune and life's work with it, A

## Read Book Call Me Ted Turner

PASSION TO WIN takes the reader on a financial roller-coaster ride on which Redstone revolutionised the video industry and righted his company. In a world of high-visibility corporate battles, Redstone pulls no punches. This is a book that shows the reader what it takes to win. Never before has Sumner Redstone revealed himself so candidly, and now with the assistance of writer Peter Knobler, he has produced an inspirational life story that will command major attention.

The Story of Ted Turner

From an award-winning American journalist and bestselling author comes a tell-all memoir about breaking boundaries, persevering, and witnessing the reckoning in media. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be

taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the late "get"--often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters and 2. The death of her sister Emily, just three years later, brought yet more trauma--and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at CBS Evening News--a world rife with sexism and misogyny. Her "welcome" was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her

clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer--a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly--why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

### THE NEW YORK TIMES BESTSELLING MEMOIR

'Incredibly moving and haunting' Roxane Gay 'I read this book cover to cover and it stunned me' Jia Tolentino 'Powerful, honest and necessary' Marian Keyes 'To girls everywhere, I am with you. On nights when you feel alone, I am with you. When people doubt you or dismiss you, I am with you. I fought every day for you. So never stop fighting, I believe you.' Chanel Miller's story changed our world forever. In 2016 Brock Turner was sentenced to just six months in jail after he was caught sexually assaulting her on Stanford's campus. His light sentencing, and Chanel's victim impact statement, which was read by eleven million people in four days, sparked international outrage and action. *Know My Name* is an

intimate, profoundly moving memoir that exposes a patriarchal culture biased to protect perpetrators, a criminal justice system designed to fail the most vulnerable, and ultimately shines with the courage required to move through suffering and live a full and beautiful life. Entwining pain, resilience, and humour, this breath-taking memoir will stand as a modern classic. 'I could not put this phenomenal book down' Glennon Doyle, bestselling author of UNTAMED 'To read Know My Name inspires hope' Guardian 'A searing, beautiful book' Sunday Times 'Know My Name marks the debut of a gifted young writer. Miller's words are purpose. They are maps. And she is a treasure who has prevailed' New York Times

CNN, AOL/Time Warner, Jane Fonda, The America's Cup: Ted Turner's story is the stuff of legend. Never before has the controversial businessman shared his personal journey. Here, for the first time, he will. In this exceptional book, Turner spares no details of his extraordinary career and provides fascinating business insights along the way. Turner will also reveal the never-before-told details of his personal life. He frankly discusses a childhood of loneliness (he was sent to boarding school at the age of 4), the impact of devastating loss (his sister died at 17 and his hard-charging father committed suicide when Ted was in his early 20s). Turner also goes into great detail about his marriages, including his marriage to Jane Fonda, the "love of my life." It's been a helluva ride -- a story to

educate, enlighten, entertain, and inspire.

The Survivor of the Stanford Sexual Assault Case Tells Her Story

**75 YEARS AGO, ONE DARING PILOT MAY HAVE CHANGED THE COURSE OF HISTORY WHEN HE STRUCK AND SANK TWO JAPANESE AIRCRAFT CARRIERS AT THE BATTLE OF MIDWAY -- "THE DECISIVE CONTEST FOR CONTROL OF THE PACIFIC IN WORLD WAR II" (NEW YORK TIMES). NOW, AT LAST, LEGENDARY DIVE-BOMBER "DUSTY" KLEISS DELIVERS A GRIPPING AND INSPIRING EYEWITNESS ACCOUNT OF AMERICA'S GREATEST NAVAL VICTORY**  
*On the morning of June 4, 1942, high above the tiny Pacific atoll of Midway, Lt. (j.g.) "Dusty" Kleiss burst out of the clouds and piloted his SBD Dauntless into a near-vertical dive aimed at the heart of Japan's Imperial Navy, which six months earlier had ruthlessly struck Pearl Harbor. The greatest naval battle in history raged around him, its outcome hanging in the balance as the U.S. desperately searched for its first major victory of the Second World War. Then, in a matter of seconds, Dusty Kleiss's daring 20,000-foot dive helped forever alter the war's trajectory. Plummeting through the air at 240 knots amid blistering anti-aircraft fire, the twenty-six-year-old pilot from USS Enterprise's elite Scouting Squadron Six*

*fixed on an invaluable target—the aircraft carrier Kaga, one of Japan’s most important capital ships. He released three bombs at the last possible instant, then desperately pulled out of his gut-wrenching 9-g dive. As his plane leveled out just above the roiling Pacific Ocean, Dusty’s perfectly placed bombs struck the carrier’s deck, and Kaga erupted into an inferno from which it would never recover. Arriving safely back at Enterprise, Dusty was met with heartbreaking news: his best friend was missing and presumed dead along with two dozen of their fellow naval aviators. Unbowed, Dusty returned to the air that same afternoon and, remarkably, would fatally strike another enemy carrier, Hiryu. Two days later, his deadeye aim contributed to the destruction of a third Japanese warship, the cruiser Mikuma, thereby making Dusty the only pilot from either side to land hits on three different ships, all of which sank—losses that crippled the once-fearsome Japanese fleet. By battle’s end, the humble young sailor from Kansas had earned his place in history—and yet he stayed silent for decades, living quietly with his children and his wife, Jean, whom he married less than a month after Midway. Now his extraordinary and long-awaited memoir, *Never Call Me a Hero*, tells the Navy Cross recipient’s full story for the first time, offering an unprecedentedly intimate look at the “the decisive contest for control of the Pacific in World War II” (*New York Times*)—and one man’s essential role in helping secure its outcome. Dusty worked on this book for years with naval historians Timothy and Laura Orr, aiming to publish *Never Call Me a Hero* for Midway’s seventy-fifth anniversary in June 2017. Sadly, as the book neared completion in 2016, Dusty Kleiss passed away at age 100, the last surviving dive-bomber pilot to have fought at Midway. And yet the publication of *Never**

***Call Me a Hero is a cause for celebration: these pages are Dusty's remarkable legacy, providing a riveting eyewitness account of the Battle of Midway, and an inspiring testimony to the brave men who fought, died, and shaped history during those four extraordinary days in June, seventy-five years ago.***
