This book is for you if you've never taught Cambridge First Certificate before, you want to know the most efficient techniques for getting your students

through the exam, even if you've taught it before or you want to be able to advertise your services as an expert in First Certificate. The best way to learn to teach

Download Free Cambridge First Certificate Handbook Self Study

Cambridge First Certificate, is to take students through an entire course. Most schools I've worked at don't offer much in the way of additional training. You're just

Download Free Cambridge First Certificate Handbook Self Study

expected to get on with it. When I taught First, Advanced and PET, I was bumbling along with the books just trying to stay one answer further ahead than the students. Even if

you're experienced at teaching general English, you can end up feeling like you've just stepped off the TEFL course.

Learning along the way means you won't always be

able to see around every little corner. With this book, you'll have everything you need to teach the exam the way your students deserve. Fce Writing Masterclass
