Cambridge IGCSE® & O Level Complete Biology: Student Book Fourth Edition

Cambridge IGCSE® Biology Revision Guide

ClearRevise OCR GCSE Computer Science J277

This edition of our successful series to support the Cambridge IGCSE Biology syllabus (0610) is fully updated for the revised syllabus for first examination from 2016. The Cambridge IGCSE® Biology Practical Teacher's Guide complements the Practical Workbook, helping teachers to include more practical work in lessons. Specific support is provided for each of the carefully designed investigations to save teachers' time. The Teacher's Guide contains advice about planning investigations, guidance about safety considerations, differentiated learning suggestions to support students who might be struggling and to stretch the students who are most able as well as answers to all the questions in the Workbook. The Teacher's Guide also includes a CD-ROM containing model data to be used in instances when an investigation cannot be carried out.

Containing everything you need to know about independent schooling in Greater London and the surrounding area, this comprehensive guide is aimed at helping parents and children through the process of choosing the right school in London and the south-east.

This edition of our successful series to support the Cambridge IGCSE Biology syllabus (0610) is fully updated for the revised syllabus for first examination from 2016. Written by an experienced teacher who is passionate about practical skills, the Cambridge IGCSE® Biology Practical Workbook makes it easier to incorporate practical work into lessons. This Workbook provides interesting and varied practical investigations for students to carry out safely, with guided exercises designed to develop the essential skills of handling data, planning investigations, analysis and evaluation. Exam-style questions for each topic offer novel scenarios for students to apply their knowledge and understanding, and to help them to prepare for their IGCSE Biology paper 5 or paper 6 examinations.

Cambridge IGCSE® English as a Second Language Teacher's Book is part of the series of resources which supports teachers and students through studying for the Cambridge IGCSE® or equivalent courses and accompanies the Cambridge IGCSE® English as a Second Language Coursebook and Workbook. The series is written by an experienced ESL teacher and trainer, and includes answers to all of the exercises in the Coursebook and Workbook. It features Top Tips to help teachers with the course and Differentiated Activities to stretch able students while supporting those that need more help.
