"Capital - In Manga!" is the English translation of the Japanese bestseller. It's a story of a cheese-maker turned capitalist and how greed, exploitation and its social consequences destroys lives and remakes workers into commodities. It is hoped that this manga may act as a bridge to Marx's original work.

Capital - in Manga! Is the English translation of a Japanese As the gap between the rich and poor continues to widen, a new generation is once again reflecting on Karl Marx's revolutionary insights.

Capital in Manga by Unknown - Goodreads

As the gap between rich and poor continues to widen, a new generation is reflecting on the insights of Karl Marx. Marx not only stood against the global economic system but he also helped us understand it. He explained how wealth was created on the backs of workers, how "surplus value" is realized and how accumulation is achieved through unpaid labour-time, the
