We ' re passionate about planting churches because we believe that the single most effective means of reaching the unreached in Africa, is to plant churches that demonstrate transformed lives that proclaim Christ. We long to see churches filled with communities worshipping in their own language, committed to each other and seeking to take the transforming message of Jesus Christ to those who don ' t yet

A study released in 2013 reveals much data about the 290 African American church plants surveyed but raises many more questions. A recap by Ed Stetzer of Lifeway Research highlights six “ keys to success ” for African American church plants (i.e. churches comprised mainly African Americans) based on the study. These six keys proved significant in both church attendance and new commitments to Christ.
