T.R. Reid spent several years in Japan as a bureau chief for the Washington Post, and Confucius Lives Next Door is, on one level, about his and his family's experiences. Reid, however, is most interested in the "social miracle" he observes in most of East Asia: the low crime and drug use rates, the stable family structure, the relatively egalitarian distribution of wealth, the successful schools.

~~Confucius Lives Next Door—Wikipedia~~

Confucius Lives Next Door is a memoir, and as a memoir, it carries bias; Mr. Reid's observations are his own, and they are slanted indeed. He praises things about Japan that are praiseworthy in certain situations, like Japan's cultural adherence to rules, and suggests Westerners do the same.

~~Confucius Lives Next Door: What Living in the East Teaches ...~~

In Confucius Lives Next Door he brings all these attributes to the fore as he examines why Japan, China, Taiwan, and other East Asian countries enjoy the low crime rates, stable families, excellent education, and civil harmony that remain so elusive in the West. Reid, who has spent twenty-five years studying Asia and was for five years The Washington Post's Tokyo bureau chief, uses his family's experience overseas--including mishaps and misapprehensions--to look at Asia's "social miracle ...

Reading T. R. Reid's new book brought me back to that conversation. "Confucius Lives Next Door" is aptly named. Reid, a longtime reporter and Asia correspondent for The Washington Post, has nailed his copy of the Analects to the mast. Drawing on the experience of his own and his family's life in Tokyo and other east Asian points, he has written a paean to what he terms "east Asia 's social miracle -- how the Asians have built modern industrial societies characterized by the safest streets
