the eBook version included for FREE ☐☐ If you are planning on buying a car, I have no doubt that you are excited and that you can't wait to start racking up the miles in your new car. However, buying a car is a high-ticket purchase and it is very wise to know how to approach such a big purchase so that you get what you want while also getting the best price without unneeded extra costs. That is what this book is all about. I don't know anyone who looks forward to interacting with a car salesperson, or any salesperson. However, it is one of the things that inevitably have to be dealt with. In the past, car

salespeople had the edge because there wasn't a lot of information out there which may, otherwise, enable the customer to have leverage in the negotiation process so that they don't get taken advantage of. However, we live in a different time in which information is abundant and ignorance is a choice. The tricks that car salespeople use are no longer a secret. For the price of a coffee, you can purchase information, such as the one within this book, that can help you to avoid paying thousands of extra dollars in the process of buying a car. Imagine what you could do with that extra cash. In this book, you can expect to learn
