This dystopian classic is 'exciting, relevant and thought-provoking' (Stephen King). When a group of schoolboys are stranded on a desert island, what could go wrong? ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' 'One of my favorite books - I read it every couple of years.' Suzanne Collins, author of The Hunger Games What are we? Humans? Or animals? Or savages? What's grown-ups going to think? Going off-hunting pigs-letting fires out-and now! A plane crashes on a desert island. The only survivors are a group of schoolboys. By day, they explore the dazzling beaches, gorging fruit, seeking shelter, and ripping off their uniforms to swim in the lagoon. At night, in the darkness of the jungle, they are haunted by nightmares of a primitive beast. Orphaned by society, they must forge their own; but it isn't long before their innocent games devolve into a murderous hunt ... 'Thrills me with all the power a fiction can have ... Exemplary.' Ian McEwan 'An existential fable backlit with death's incandescent glare.' Ben Okri 'Violently real ... An apocalyptic novelist [who writes with] humanist rage and defiance.' Marlon James 'Beautiful and desperate, something quite out of the ordinary.' Stevie Smith 'Beautifully written, tragic and provocative.' E. M. Forster 'A fragment of nightmare.' New Statesman 'A post-apocalyptic, dystopian survivor-fantasy ... [A novel] for all time ... A cult classic.' Guardian 'Stands out mightily in my memory ... Such a strong statement about the human heart.' Patricia Cornwall 'Terrifying and haunting.' Kingsley Amis What readers are saying: 'Every real human being should read this ... This is what we are.' 'It's brilliant, it's captivating, it's thought provoking and brutal and for some, its truly terrifying.' 'It can be read and re-read many times, and every time something new will appear.' 'There is a reason why this is studied at school ... Excellent read.' 'This is one of the few books I've read that I keep on my Kindle to read again.' 'I revisit this every few years and it's always fresh and impressive ... One of the best books I've ever read.'

Author Lori Alexander outlines God's design for marriage and how it changed her life and can change others.

To answer the many letters that Michael and Debi Pearl received after writing To Train Up a Child, they started the No Greater Joy magazine. No Greater Joy Volume Three contains articles from the No Greater Joy magazine that were written in response to questions from readers. Children learn wisdom and enjoy listening to the stories as you read to them. Covers the subjects of marriage relationships and how they affect children, joy, much more.

Silas Marner is the third novel by George Eliot, published in 1861. An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from religion to industrialisation to community.

Trump: The Art of the Deal

THE NUMBER ONE BESTSELLER FROM THE 45th PRESIDENT OF THE UNITED STATES 'I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big.' – Donald J. Trump Here is Trump in action – how he runs his business and how he runs his life – as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and changes the face of the New York City skyline. But even a maverick plays by the rules, and Trump has formulated eleven guidelines for success. He isolates the common elements in his greatest deals; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks – really talks – about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur and an unprecedented education in the practice of deal-making. It's the most streetwise business book there is – and the ultimate read for anyone interested in making money and achieving success, and knowing the man behind the spotlight.

"It's beautiful," I said, even though it wasn't my style. It was cut glass and silver. Something a movie star might wear. Is this what my boy thought of me? I wondered as he fastened it around my neck. He called me Elizabeth Taylor and I laughed and laughed. I wore that necklace throughout the rest of the day. In spite of its garishness, I was surprised by how I felt: glamorous, special. I was out of my element amidst my kitchen cupboards and self-hemmed curtains. I almost believed in a version of myself that had long since faded away. --From *Natural Order* by Brian Francis Joyce Sparks has lived the whole of her 86 years in the small community of Balsden, Ontario. "There isn't anything on earth you can't find your own backyard," her mother used to say, and Joyce has structured her life accordingly. Today, she occupies a bed in what she knows will be her final home, a shared room at Chestnut Park Nursing Home where she contemplates the bland streetscape through her window and tries not to be too gruff with the nurses. This is not at all how Joyce expected her life to turn out. As a girl, she'd allowed herself to imagine a future of adventure in the arms of her friend Freddy Pender, whose chin bore a Kirk Douglas cleft and who danced the cha-cha divinely. Though troubled by the whispered assertions of her sister and friends that he was "fruity," Joyce adored Freddy for all that was un-Balsden in his flamboyant ways. When Freddy led the homecoming parade down the main street, his expertly twirled baton and outrageous white suit gleaming in the sun, Joyce fell head over heels in unrequited love. Years later, after Freddy had left Balsden for an acting career in New York, Joyce married Charlie, a kind and reserved man who could hardly be less like Freddy. They married with little fanfare and she bore one son, John. Though she did love Charlie, Joyce often caught herself thinking about Freddy, buying Hollywood gossip magazines in hopes of catching a glimpse of his face. Meanwhile, she was growing increasingly alarmed about John's preference for dolls and kitchen sets. She concealed the mounting signs that John was not a "normal" boy, even buying him a coveted doll if he promised to keep it a secret from Charlie. News of Freddy finally arrived, and it was horrifying: he had killed himself, throwing himself into the sea from a cruise ship. "A mother always knows when something isn't right with her son," was Mrs. Pender's steely utterance when Joyce paid her respects, cryptically alleging that Freddy's homosexuality had led to his destruction. That night, Joyce threatened to take away John's doll if he did not join the softball team. Convinced she had to protect John from himself, she set her small family on a narrow path bounded by secrecy and shame, which ultimately led to unimaginable loss. Today, as her life ebbs away at Chestnut Park, Joyce ponders the terrible choices she made as a mother and wife and doubts that she can be forgiven, or that she deserves to be. Then a young nursing home volunteer named Timothy appears, so much like her long lost John. Might there be some grace ahead in Joyce's life after all? Voiced by an unforgettable and heartbreakingly flawed narrator, *Natural Order* is a masterpiece of empathy, a wry and tender depiction of the end-of-life remembrances and reconciliations that one might undertake when there is nothing more to lose, and no time to waste.

In 1994 Michael and Debi Pearl published To Train Up a Child. The book has sold over 625,000 copies, becoming "the handbook on child training" for many families. The Pearls received so many child training questions in the mail that they began publishing a free bimonthly magazine to answer them--No Greater Joy. As the subscriptions grew into the tens of thousands, subscribers kept asking for back issues, thus the publication of No Greater Joy Volume One, Volume Two and Volume Three--each book representing about two years of articles from back issues of the magazine. If you have read To Train Up a Child and you have questions, chances are you will find the answers in No Greater Joy Volume One, Volume Two, or Volume Three.

"The Genesis One Code" offers a careful examination of the relationship between scientific theory and biblical teaching. The book targets the origins debate from a fresh perspective informed by scientific and spiritual research and demonstrates an alignment between the dates of key events described in Genesis 1 and 2 with those derived from scientific theory and observation.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Winner of the 2021 Baillie Gifford Prize for Non-Fiction Shortlisted for the 2021 Financial Times/McKinsey Business Book of the Year Award One of Barack Obama's Favorite Books of 2021 The gripping and shocking story of three generations of the Sackler family and their roles in the stories of Valium, OxyContin and the opioid crisis. 'Jaw-dropping . . . Beggars belief' Sunday Times 'You feel almost guilty for enjoying it so much' The Times The Sackler name adorns the walls of many storied institutions – Harvard; the Metropolitan Museum of Art; Oxford; the Louvre. They are one of the richest families in the world, known for their lavish donations in the arts and the sciences. The source of the family fortune was vague, however, until it emerged that the Sacklers were responsible for making and marketing Oxycontin, a blockbuster painkiller that was a catalyst for the opioid crisis – an international epidemic of drug addiction which has killed nearly half a million people. In this masterpiece of narrative reporting and writing, award-winning journalist and host of the Wind of Change podcast Patrick Radden Keefe exhaustively documents the jaw-dropping and ferociously compelling reality. Empire of Pain is the story of a dynasty: a parable of twenty-first-century greed.

Preparing to Be a Help Meet

In recent years, men have been given a lot of mixed messages as to what it means to be a man, husband, or father. Men hate mixed messages. Just tell us like it is (or should be) without all of the extra verbiage. That's exactly what Mike Pearl does in eliminating the conflicting messages and getting to the meat of the matter. Discover God's design for a man and how you can find joy doing what you were designed to do. Learn how love your wife "even as Christ also loved the church." As always, Mike's presentation is direct with no holds barred and he is not afraid to hurt your feelings. With his more than fifty years of Bible study he presents God's perspective on the subject, and his more than years of marriage bears witness to its effectiveness. His wife, Debi Pearl, weighs in to add grace to Mike's to the point writing style.

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

WINNER OF THE EDWARD STANFORD CHILDREN'S TRAVEL BOOK OF THE YEAR 2022 A SUNDAY TIMES CHILDREN'S BOOK OF THE WEEK Dive beneath the waves with this spell-binding adventure of friendship, forgiveness and bravery, set on the shores of Papua New Guinea, perfect for fans of Katherine Rundell and Eva Ibbotson. "I want to be able to call the sharks. Teach me the magic and show me the ways." Blue Wing is desperate to become a shark caller, but instead she must befriend infuriating newcomer Maple, who arrives unexpectedly on Blue Wing's island. At first, the girls are too angry to share their secrets and become friends. But when the tide breathes the promise of treasure, they must journey together to the bottom of the ocean to brave the deadliest shark of them all... "The most incredible story...tender and wise, with themes of friendship, love, grief, revenge and acceptance."

Michelle Harrison "Magnificent and beautiful." Sophie Anderson

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

In The 5 Love Languages, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

What do you get when Islamic terrorists and White-Supremacists go up against a small group of Bible believers in the hills of East Tennessee? Debi Pearl's newest book, The Vision, is a fast paced, emotionally charged love story between the industrious Asher and the beautiful Cheyenne, who, along with their friends, share a vision to reach the lost and dying world before fast approaching apocalyptic events make publishing the gospel impossible. The Vision is a thriller with a suspenseful blend of fiction and nonfiction which incorporates actual historical records, current earth science, recent medical and herbal discoveries, today's international news, and crucial Biblical prophecy, and the author's imaginative and vivid storytelling takes you on a ride so real that you will find it difficult to separate fact from fiction. You will be swallowed up in a world of natural herbal brews, looming threats of volcanic eruption, struggles to overcome terrorists, and consuming grief when tragedy strikes one of their most beloved. Through it all, you will come to share their eternal vision. For the studious researcher, the information boxes at the bottom of the pages make this novel a launching pad into a wide range of knowledge. It is the enchanting love story of Asher, a man driven with a vision, and the beautiful Cheyenne, an herbalist. It is a fast-paced, carefully-woven tapestry of spiritual intrigue, human frailties, and God's divine intervention. It is a shocking picture of what the extremist terrorist sects are now doing to spread their religion through force of violence. It is a nerve-racking revelation of the most menacing volcano on planet earth Yellowstone. It is a record of history's plagues and the riveting revelation of the plagues to come.It unlocks the mysteries of herbal healing, giving recipes of healing brews from the herbal guru herself. Scariest of all... it is based on truth. It will drive you into the everlasting arms of God, our refuge from the storms that are surely coming. The Vision raises reality entertainment to a whole new level. The Vision is the first in the series The Last Publishers.

NEW YORK TIMES BESTSELLER For the first time ever, an international coalition of leading researchers, scientists and policymakers has come together to offer a set of realistic and bold solutions to climate change. All of the techniques described here – some well-known, some you may have never heard of – are economically viable, and communities throughout the world are already enacting them. From revolutionizing how we produce and consume food to educating girls in lower-income countries, these are all solutions which, if deployed collectively on a global scale over the next thirty years, could not just slow the earth's warming, but reach drawdown: the point when greenhouse gasses in the atmosphere peak and begin to decline. So what are we waiting for?

An exploration of how design might be led by marginalized communities, dismantle structural inequality, and advance collective liberation and ecological survival. What is the relationship between design, power, and social justice? "Design justice" is an approach to design that is led by marginalized communities and that aims explicitly to challenge, rather than reproduce, structural inequalities. It has emerged from a growing community of designers in various fields who work closely with social movements and community-based organizations around the world. This book explores the theory and practice of design justice, demonstrates how universalist design principles and practices erase certain groups of people—specifically, those who are intersectionally disadvantaged or multiply burdened under the matrix of domination (white supremacist heteropatriarchy, ableism, capitalism, and settler colonialism)—and invites readers to "build a better world, a world where many worlds fit; linked worlds of collective liberation and ecological sustainability." Along the way, the book documents a multitude of real-world community-led design practices, each grounded in a particular social movement. Design Justice goes beyond recent calls for design for good, user-centered design, and employment diversity in the technology and design professions; it connects design to larger struggles for collective liberation and ecological survival.

The Way God Intended

A Vindication of the Rights of Woman

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of

Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

This version of the classic song explains how the sun feeds the shark living in the dark at the bottom of the sea.

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same. George Orwell was a much-respected English novelist, who wrote some of the finest pieces in literary criticism, fiction. Orwell's work is known for its simplicity and wit. He wrote with smartness on subjects such as anti-fascism, democratic socialism etc. His best works include ANIMAL FARM. It's an allegorical novella. It got published in August 1945. The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Pincher), many hens, pigeons, ducklings, sheeps and cows. Two horses, Boxer and Clover. Amongst them, Major is their leader. He wanted to speak on the nature of life on this earth and How any animal is now living. The author has nicely elaborated through these Characters about the animals' misery and slavery. Animals complain that despite their hard labour, why then do they continue in the miserable condition? They also complain about human beings that they use to steal nearly the whole of their produce. Their main enemy is - Man. So, remove Man from the scene and the root cause of hunger and overwork will be abolished for ever. The book narrates about the agony of ill-treated farm animals. Then what decision they take and how this Animal Farm born, everything has become very interesting. The ultimate satire on fascism. A must-read book. A Wise, Compassionate, and Illuminating Fable for our Times THE NEW YORK TIMES Orwell's Satire is Amply Broad, Cleverly Conceived, and Delightfully Written SAN FRANCISCO CHRONICLE Absolutely First-Rate... The Help Meets Journey

Created on Purpose for Purpose

The Power of a Transformed Wife

Too Much and Never Enough

The baby owls came out of their house, and they sat on the tree and waited. A big branch for Sarah, a small branch for Percy, and an old piece of ivy for Bill. When three baby owls awake one night to find their mother gone, they can't help but wonder where she is. Stunning illustrations from unique and striking perspectives capture the owls as they worry about their mother: What is she doing? When will she be back? What scary things move all around them? Not surprisingly, a joyous flapping and dancing and bouncing greets her return, lending a celebratory tone to the ending of this comforting tale. Never has the plight of young ones who miss their mother been so simply told or so beautifully rendered.

You spend your time pining away for your one true love and suddenly...you're married and it is a lot more than you bargained for. Now is the hour you should be preparing to be a wife---to be a help meet. What does a good guy really look for in a girl? Are you a Dreamer, Servant or Go-to Gal? Do you know what to pray for your man-to-be? Should you tell a guy you like him? Can you know God's will in choosing a husband?

Published in the year 1792, 'A Vindication of the Rights of Woman' is a long feminist essay by the renowned writer Mary Wollstonecraft. Written with a very strong take on women's rights, this essay has till date been read, appreciated by students teachers and scholars. It has been creating strong roots for feminism world wide.

'Life Kitchen is a celebration of food' Lauren, Sunderland 'The recipes are just really simple, really easy and delicious' Carolyn, Newcastle 'His book is better than a bunch of flowers because it's going to last forever' Gillian, Sunderland Ryan Riley was just eighteen years old when his mum, Krista, was diagnosed with cancer. He saw first-hand the effect of her treatment but one of the most difficult things he experienced was seeing her lose her ability to enjoy food. Two years after her diagnosis, Ryan's mother died from her illness. In a bid to discover whether there was a way to bring back the pleasure of food, Ryan created Life Kitchen in his mum's memory. It offers free classes to anyone affected by cancer treatment to cook recipes that are designed specifically to overpower the dulling effect of chemotherapy on the taste buds. In Life Kitchen, Ryan shares recipes for dishes that are quick, easy, and unbelievably delicious, whether you are going through cancer treatment or not. With ingenious combinations of ingredients, often using the fifth taste, umami, to heighten and amplify the flavours, this book is bursting with recipes that will reignite the joy of taste and flavour. Recipes include: Carbonara with peas & mint Parmesan cod with salt & vinegar cucumber Roasted harissa salmon with fennel salad Miso white chocolate with frozen berries With an introduction from UCL's taste and flavour expert Professor Barry Smith, this inspiring cookbook focusses on the simple, life-enriching pleasure of eating, for everyone living with cancer and their friends and family too. The world's leading expert on habit formation shows how you can have a happier, healthier life: by starting small. Myth: Change is hard. Reality: Change can be easy if you know the simple steps of Behavior Design. Myth: It's all about willpower. Reality: Willpower is fickle and finite, and exactly the wrong way to create habits. Myth: You have to make a plan and stick to it. Reality: You transform your life by starting small and being flexible. BJ FOGG is here to change your life--and revolutionize how we think about human behavior. Based on twenty years of research and Fogg's experience coaching more than 40,000 people, Tiny Habits cracks the code of habit formation. With breakthrough discoveries in every chapter, you'll learn the simplest proven ways to transform your life. Fogg shows you how to feel good about your successes instead of bad about your failures. Already the habit guru to companies around the world, Fogg brings his proven method to a global audience for the first time. Whether you want to lose weight, de-stress, sleep better, or be more productive each day, Tiny Habits makes it easy to achieve.

Pernkopf's atlas has been called a "troubled masterpiece." It has been praised for its artistry and accurate detail but has attracted controversy due to Pernkopf's Nazi connections and the findings of the 1998 commission at the University of Vienna that some of the illustrations were based on executed victims of political terror. It remains unproven however that any illustrations were based on Jewish victims or prisoners or war.

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

Meditations of a Christian Hedonist

Dilbert creator Scott Adams' funny memoir about his many failures and what they eventually taught him about success Scott Adams probably failed at more things than anyone you've ever met. So how did he go from hapless office worker and serial failure to the creator of Dilbert, one of the world's most famous comic strips, in just a few years? No career guide can offer advice that works for everyone. Your best bet is to study the ways of others who made it big and try to glean some tricks that make sense for you. So here Scott Adams tells how he turned one failure after another - including a corporate career, inventions, investments, and two restaurants - into something successful. Along the way he discovered some unlikely truths. Goals are for losers; systems are for winners. Forget 'passion'; what you need is personal energy. In this brilliant book, Adams shows us how to invite failure in, embrace it, then pick its pocket. While you laugh at his failures, you'll discover some helpful ideas for your own path to personal victory.

THE INSTANT NEW YORK TIMES BESTSELLER AND WORLD ECONOMIC FORUM BOOK CLUB PICK 'A clear, compelling guide to some of the most pressing debates in technology today.' Bill Gates, from the foreword 'The de facto ambassador for the technology industry at large.' The New York Times 'One of the few executives willing to speak openly about the industry's most vexing issues.' Sunday Times _____ Microsoft President Brad Smith operates by a simple core belief: when your technology changes the world, you bear a responsibility to help address the world you have helped create. This might seem uncontroversial, but it flies in the face of a tech sector long obsessed with rapid growth and sometimes on disruption as an end in itself. While sweeping digital transformation holds great promise, we have reached an inflection point. The world has turned information technology into both a powerful tool and a formidable weapon, and new approaches are needed to manage an era defined by even more powerful inventions like artificial intelligence. Companies that create technology must accept greater responsibility for the future, and governments will need to regulate technology by moving faster and catching up with the pace of innovation. In Tools and Weapons, Brad Smith and Carol Ann Browne bring us a captivating narrative from the cockpit of one of the world's largest and most powerful tech companies as it finds itself in the middle of some of the thorniest emerging issues of our time. These are challenges that come with no pre-existing playbook, including privacy, cybercrime and cyberwar, social media, the moral conundrums of artificial intelligence, big tech's relationship to inequality, and the challenges for democracy, far and near. While in no way a self-glorifying "Microsoft memoir," the book pulls back the curtain remarkably wide onto some of the company's most crucial recent decision points as it strives to protect the hopes technology offers against the very real threats it also presents. There are huge ramifications for communities and countries, and Brad Smith provides a thoughtful and urgent contribution to that effort. From Microsoft's President and one of the tech industry's wisest thinkers, a frank and thoughtful reckoning with how to balance enormous promise and existential risk as the digitization of everything accelerates. _____ In Tools and Weapons, Brad Smith takes us behind the scenes on some of the biggest stories to hit the tech industry in the past decade and some of the biggest threats we face. From Edward Snowden's NSA leak to the NHS WannaCry ransomware attack, this book is essential reading to understand what's happening in the world around us. If you watched Inside Bill's Brain: Decoding Bill Gates on Netflix, you will find Tools and Weapons equally fascinating. 'This is a colourful and insightful insiders' view of how technology is both empowering us and threatening us. From privacy to cyberattacks, this timely book is a useful guide for how to navigate the digital future.' Walter Isaacson, bestselling author of Steve Jobs

Discover the very special book that has captured the hearts of millions of readers all over the world. 'A wonderful work of art and a wonderful window into the human heart' Richard Curtis A book of hope for uncertain times. Enter the world of Charlie's four unlikely friends, discover their story and their most important life lessons. The boy, the mole, the fox and the horse have been shared millions of times online - perhaps you've seen them? They've also been recreated by children in schools and hung on hospital walls. They sometimes even appear on lamp posts and on cafe and bookshop windows. Perhaps you saw the boy and mole on the Comic Relief T-shirt, Love Wins? Here, you will find them together in this book of Charlie's most-loved drawings, adventuring into the Wild and exploring the thoughts and feelings that unite us all.

You were created for purpose...God's purpose...uniquely gifted and designed to fulfill His purposes in your life. Everyone has a sense that they were born for a purpose. But there is something more than just a purpose. The God purpose was designed specifically for you, and it's your responsibility to live out God's plan for you, becoming His masterpiece. From her own experience in discovering her God purpose, author Lisa Singh has outlined the steps to take to discover your God purpose. This easy-to-read guide will instruct you to explore why God designed a special purpose for you and how you can come to understand it. Once you know your place in the world, you can begin to live your purpose and thereby bless not only yourself, but the world you live in. Realize who you are and learn practical applications for victorious fulfilling living. Whether studying alone or in a small Bible study, you'll find the tools you need to find your God purpose and start living your life the way it was intended to be lived-on purpose!

Animal Farm

According to author John Green, The Fault In Our Stars was inspired by his friendship with Esther Earl, who "redefined the process of dying young for me." (December 2012 Good Reads interview, http://www.goodreads.com/interviews/show/828.John_Green). He cautions his readers not to take the novel too literally however, stating that he doesn't "want people conflating Esther with Hazel (they're very different), and it's extremely important to me that I not claim to be telling Esther's story. Esther's story belongs to Esther and to her family." (John Green's tumblr, August 2, 2012 <http://fishingboatproceeds.tumblr.com/post/28557373623/everybody-was-told-to-make-a-funny-face-but-i>). Esther's story is told in the 2014 posthumous memoir This Star Won't Go Out : the Life and Words of Esther Grace Earl.

Follow the author as she takes the wisdom and experience of her own marriage and confirms it with the wisdom of scripture and learn how to be the "help meet" that God created you to be. Original.

Created to Be His Help Meet, first published 10 years ago, has sold over 500,000 copies in 12 languages. I am amazed, reading the testimonies of woman in England, India, Saudi Arabia, China, Australia, and many other countries, as they share how their marriages have been saved and enriched through these biblical truths. Over the years I have learned from these many women, and, responding to their cries for help, have added TWO NEW CHAPTERS and other small revisions to address their needs. One of the new chapters is called, Servant or Servitude? There is a difference. One is godly, the other devilish. Did we fail to make that distinction clear enough the first time around? Some have indicated such. So we tackled the subject head on. May God continue to bless you as you read and obey the wonderful words of God.
