Critique Of Everyday Life Vol 1 Introduction Critique Of ...

Written at the birth of post-war consumerism, Critique was an inspiration for the 1968 student revolution in France. It is a founding text of cultural studies and a major influence on the fields of contemporary philosophy, geography, sociology, architecture, political theory and urbanism. Lefebvre takes as his starting point and guide the "trivial" details of quotidian experience: an experience colonized by the commodity, shadowed by inauthenticity, yet
