American Heart
Association's 2020
CPR Updates - CPR
Training

The AHA guidelines
"strongly recommend"
that untrained / lay
responders perform
"compression-only"
CPR, sometimes
known as CCR.

However, medical

Download Ebook Current Aha Cpr Guidelines

professionals and trained lay people are still urged to give the victim two "rescue breaths" in between each series of 30 chest compressions. All the changes apply only to adult victims who collapse of cardiac arrest; artificial respiration is still recommended for
