Database System Concepts Fourth Edition Avi Silberschatz Henry F. Korth S. Sudarshan Slides. We provide a set of slides to accompany each chapter. Click on the links below to download the slides in the format of your choice: Powerpoint, PDF slides (1 slide per page), and PDF handouts (2 slides per page).

Database System Concepts - 4th edition

In this Fourth edition of Database System Concepts, we have retained the overall style of the first three editions, while addressing the evolution of database management. Every chapter has been edited, and most have been modified extensively. The fourth edition retains and improves on the conceptual coverage of previous editions, and seeks to bridge the gap between concepts and actual implementations. Several changes have been made towards this end, including:
