Therefore, running from one doctor to another for medication won't help. In doing so, you are only aiming to solve the symptoms without addressing the cause of it all. Fortunately, you can learn more about this in the Overcoming Thyroid Disorders guide. This master book comes from Dr. David Brownstein, who is a widely known name. This book is well into its third edition and it revolves mainly around thyroid disorders.

Overcoming Thyroid Disorders by Dr. David Brownstein - A ...

Good nutrition lays the foundation for a strong immune system. Brownstein, who has written several books on the topic, including "The Guide to Healthy Eating," says that whether you consume a plant-based or meat-based diet, eliminating processed food and especially sugar can help keep your immune system ready for action.
