Make Your Bed

'A book to inspire your children and grandchildren to become everything that they can' - The Wall Street Journal 'Superb, smart, and succinct' - Forbes THE INCREDIBLE No. 1 New York Times BESTSELLER _____ If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also

throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better . . .

. . . Begin each day with a simple task · Help one another you through life · Respect everyone · Know that your life won't be fair · That you will fail often · Take risks · Step-up when times are tough · Face-down the bullies · Lift-up the downtrodden · And never ever give up Do these things and we will live in a far better world than the one before it. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honour, and

Robert Louis Stevenson wrote Treasure Island in 1881. It is set in the days of sailing ships and pirates and tells of the adventures of Jim Hawkins and his search for the buried treasure of an evil pirate, Captain Flint. The story begins at 'The Admiral Benbow', the inn that belongs to Jim Hawkin's parents.

Based on a wide range of consultations with maritime organisations, the guide was produced by organisational psychologists gs partnership ltd, for consortium partners UK Maritime and Coastguard Agency, BP Shipping, Teekay Marine Services, and the Standard P&I Club. Aimed at everyone in the shipping industry, the Guide explains the fundamental aspects of human behaviour, which together constitute what the commercial maritime sector calls 'the human element'. It makes clear that the human element is neither peripheral nor

optional in the pursuit of a profitable and safe shipping industry. The Guide clearly shows that managing the human element must take place simultaneously at all levels of the industry. Analysis of continuing shipping disasters has increasingly implicated the human element. The loss of life, the impact on company profits and credibility, and the vast environmental damage that can result from the loss of even a single vessel remain clear. The Guide offers insight, explanation and advice to help manage the human element more effectively, more safely and more profitably.
