In The Woman Next Door, New York Times bestselling novelist Barbara Delinsky delivers her most engaging novel to date, a story of trust, jealousy, and the struggle to keep love alive. On a charming cul-de-sac in suburban Connecticut, three close-knit couples find their long-cherished harmony undone when a lovely, younger neighbor, widowed a year ago and presumably still unattached, becomes pregnant. Who is the father? Could it be one of the husbands? One by one, the couples turn inward, taking stock of their marriages and of the loyalties that perhaps have been taken too much for granted. In each case this close scrutiny reveals a weakness, and for each wife the situation becomes the kind of crisis that forces her to

make a decision, one that will result in either the strengthening or the dissolution of her marriage. Filled with suspense, surprises, and the kind of insights into the minds and hearts of her characters that have won Barbara Delinsky a huge and loyal following, The Woman Next Door is an ingenious portrait of suspicion and deception, faith and love. Referring to a past that never was, déjà vu shares a structure not only with fiction, but also with the ever more sophisticated effects of media technology. Tracing the term from the end of the nineteenth century, when it was first popularized in the pages of the Revue philosophique, Peter Krapp examines the genealogy and history of the singular and

Acces PDF Deja Vu Sisterhood Now

unrepeatable experience of déjà vu. This provocative book offers a refreshing counterpoint to the clichéd celebrations of cultural memory and forces us do a double take on the sanctimonious warnings against forgetting so common in our time. Disturbances of cultural memory—screen memories, false recognitions, premonitions—disrupt the comfort zone of memorial culture: strictly speaking, déjà vu is neither a failure of memory nor a form of forgetting. Krapp's analysis of such disturbances in literature, art, and mass media introduces, historicizes, and theorizes what it means to speak of an

Acces PDF Deja Vu Sisterhood Now

economy of attention or distraction. Reaching from the early psychoanalytic texts of Sigmund Freud to the plays of Heiner Müller, this exploration of the effects of déjà vu pivots around the work of Walter Benjamin and includes readings of kitsch and aura in Andy Warhol's work, of cinematic violence and certain exaggerated claims about shooting and cutting, of the memorial character of architecture, and of the high expectations raised by the Internet. Peter Krapp, lecturer in the Department of Cultural Studies and Comparative Literature at the University of Minnesota, coedited "Medium Cool," a special
