Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life,

Dirty Little Secrets

Jack and I, we did everything backward. The day he lured me into his office-which was also the first day we met-he proposed. You'd think a guy who looked like him-a bit cold maybe, but still striking and very unattainable-would only ask the love of his life to marry him, right? You'd think he must be madly in love.Nope. It was me he asked. A complete stranger who had never even heard of him. A stranger who had been dumped by her fiancé only weeks before. You'd think I'd laugh in his face, call him insane-and a few other names-then walk away as quickly as possible. Well...I did all those things except the walking away part.It took him only minutes to talk me into a business deal...erm, I mean marriage, and only days for us to officially tie the knot. Happiest day of my life. Magical. Pop the champagne... Not. It was the worst day. Jack Hawthorne was nothing like what I'd imagined for myself.I blamed him for my lapse in judgment.I blamed his eyes, the ocean blue eyes that looked straight into mine unapologetically, and that frown on his face I had no idea I would become so fascinated with in time.It wasn't long after he said I was the biggest mistake of his life that things started to change. No, he still didn't talk much, but anyone can string a few words together. His actions spoke the loudest to me. And day after day

my heart started to get a mind of its own. One second he was no one. The next he became everything. One second he was unattainable. The next he seemed to be completely mine. One second I thought we were in love. The next it was still nothing but a lie. After all, I was Rose and he was Jack. We were doomed from the very beginning with those names. Did you expect anything else?

This is a newly revised and updated paperback edition of the former Conservative Party Treasurer's personal account of his battle over unsubstantiated claims concerning his business affairs which culminated in a libel action against "The Times" newspaper. The book reveals the dirty tricks that were used to destabilise the Conservative Party, including the newspaper's alleged bribery of US government officials, and the abuse of parliamentary privileges by New Labour MPs. This is Lord Ashcroft's compelling account of the attacks on his reputation by New Labour spin-doctors out to slander the Conservative Party and journalists seeking to create a story. Adult sex games help build trust, lower inhibitions, and, if done right, can be very, very hot. And, most importantly, they keep things fun. Erotic games in the couple are a fundamental ingredient: you know, after a long time that you share a relationship, that initial involvement can fade. Being able to keep alive the flame of desire and transport is necessary to avoid the risk of finding yourself betrayed and with bitterness in your mouth. But it is not necessary to play for this reason alone. Even in young and fresh couples, practicing erotic games can be a good way to get to know each other better and to increase trust and union; to lay, in short, good foundations for a healthy and joyful life (sexual and not). 'I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought.' "I'm eating your book! It's delicious!" Lia Mack - Portland, Oregon "Fervent shades of Jack Kerouac." drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey. It had a profound and ineffable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.

Millions of viewers know and love Bob Saget from his role as the sweetly neurotic father on the smash hit Full House, and as the charming wisecracking host of America's Funniest Home Videos. And then there are the legions of fans who can't get enough of his scatological, out-of-his-mind stand-up routines, comedy specials, and outrageously profane performances in such shows as HBO's Entourage

and the hit documentary The Aristocrats. In his bold and wildly entertaining publishing debut, he continues to embrace his dark side and gives readers the book they have long been waiting for—hilarious and often dirty. Bob believes there's a time and a place for filth. From his never-before-heard stories of what really went on behind the scenes of two of the most successful family shows of all times, with co-stars like John Stamos and Mary-Kate and Ashley Olsen, to his tales of legendary friends and colleagues like Rodney Dangerfield, Richard Pryor, Don Rickles, and other show business legends, Saget opens up about some of his personal experiences with life and death, his career, and his reputation for sick humor—all with his highly original blend of silliness, vulgarity, humor and heart, and all framed by a man who loves being funny above all else.
